is an ideal reference tool for scholars teachers and students at all levels *Affiliated Identities in Jewish American Literature* David Hadar,2020-07-23 Focusing on relationships between Jewish American authors and Jewish authors elsewhere in America Europe and Israel this book explores the phenomenon of authorial affiliation the ways in which writers intentionally highlight and perform their connections with other writers Starting with Philip Roth as an entry point and recurring example David Hadar reveals a larger network of authors involved in formations of Jewish American literary identity including among others Cynthia Ozick Saul Bellow Nicole Krauss and Nathan Englander He also shows how Israeli writers such as Sayed Kashua perform their own identities through connections to Jewish Americans Whether by incorporating other writers into fictional work as characters interviewing them publishing critical essays about them or invoking them in paratext or publicity writers use a variety of methods to forge public personas craft their own identities as artists and infuse their art with meaningful cultural associations Hadar s analysis deepens our understanding of Jewish American and Israeli literature positioning them in decentered relation with one another as well as with European writing The result is a thought provoking challenge to the concept of homeland that recasts each of these literary traditions as diasporic and questions the oft assumed centrality of Hebrew and Yiddish to global Jewish literature In the process Hadar offers an approach to studying authorial identity building relevant beyond the field of Jewish literature **The Cambridge Companion to American Fiction After 1945** John N. Duvall,2012 A comprehensive 2011 guide to the genres historical contexts cultural diversity and major authors of American fiction since the Second World War **The Cambridge Companion to Saul Bellow** Victoria Aarons,2017 This book demonstrates the complexity of Bellow s work by emphasizing the ways in which it reflects the changing conditions of American identity *Saul Bellow* Gerald Sorin,2024-04-30 Saul Bellow I Was a Jew and an American and a Writer offers a fresh and original perspective on the life and works of Saul Bellow the Nobel Prize winner in Literature in 1976 Author Gerald Sorin emphasizes Bellow s Jewish identity as fundamental to his being and the content and meaning of his fiction Bellow s work from the 1940s to 2000 when he wrote his last novel at the age of 84 centers on the command in Deuteronomy to Choose life as distinct from nihilistic withdrawal and the defense of meaninglessness Although Bellow disdained the label of American Jewish Writer Sorin conjectures that he was an outstanding representative of the classification Bellow and the characters in his fiction not only choose life but also explore what it means to live a good life however difficult that may be to define and regardless of how much harder it is to achieve For Sorin Bellow realized that at least two obstacles stood in the way the imperfection of the world and the frailty of the human pursuer Saul Bellow I Was a Jew and an American and a Writer provides a new and insightful narrative of the life and works of Saul Bellow By using Bellow s deeply internalized Jewishness and his remarkable imagination and creativity as a lens Sorin examines how he captured the shifting atmosphere of postwar American culture *The New York Times Book Reviews 2000* New York Times Staff,2001 This anthology examines Love s Labours Lost from a variety of perspectives and

through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

Chicorel Index to Short Stories in Anthologies and Collections, 1975 *Planks of Reason* Barry Keith Grant, Christopher Sharrett, 2004-09-24 The original edition of *Planks of Reason* was the first academic critical anthology on horror. In retrospect, it appeared as a kind of homage to the golden age of the American horror film, as this genre played an increasing role in film culture and American life. The original material represented the history of the genre through the early 1980s and is a crucial part of the book's value then and now. The first edition helped legitimize academic writing on the horror genre by addressing breakthrough works of such directors as John Carpenter, Tobe Hooper, George Romero, David Cronenberg, and Wes Craven. This revised edition retains the spirit of the original but also offers new takes on rediscovered classics and recent developments in the genre. In addition to reprinting 17 essays, including Robin Wood's "An Introduction to the American Horror Film," this revised edition features a new essay on the yuppie horror film by editor Barry Keith Grant, as well as an updated analysis of *The Texas Chainsaw Massacre* by co-editor Christopher Sharrett. Other new essays focus on William Castle's *The Tingler* and Roger Corman's *Pit and the Pendulum* and the recent wave of Japanese horror films. Contains more than 60 photos.

Call It English Hana Wirth-Nesher, 2009-02-14 *Call It English* identifies the distinctive voice of Jewish American literature by recovering the multilingual Jewish culture that Jews brought to the United States in their creative encounter with English. In transnational readings of works from the late nineteenth century to the present by both immigrant and postimmigrant generations, Hana Wirth-Nesher traces the evolution of Yiddish and Hebrew in modern Jewish American prose writing through dialect and accent, cross-cultural translations and bilingual wordplay. *Call It English* tells a story of preoccupation with pronunciation, diction, translation, the figurality of Hebrew letters, and the linguistic dimension of home and exile in a culture constituted of sacred, secular, familial and ancestral languages. Through readings of works by Abraham Cahan, Mary Antin, Henry Roth, Delmore Schwartz, Bernard Malamud, Saul Bellow, Cynthia Ozick, Grace Paley, Philip Roth, Aryeh Lev Stollman, and other writers, it demonstrates how inventive literary strategies are sites of loss and gain, evasion and invention. The first part of the book examines immigrant writing that enacts the drama of acquiring and relinquishing language in an America marked by language debates, local color writing, and nativism. The second part addresses multilingual writing by native-born authors in response to Jewish America's postwar social transformation and to the Holocaust. A profound and eloquently written exploration of bilingual aesthetics and cross-cultural translation, *Call It English* resounds also with pertinence to other minority and ethnic literatures in the United States.

American Jewish Life, 1920-1990 Jeffrey S. Gurock, 2013-10-23 This volume contains articles on Jewish life from 1920 to the present. Its entries

include studies of the economy and migration in postwar America the impact of Holocaust survivors on American Society and the reaction to gender stereotypes within American Culture
