Great Shakespeare Forgery A New Look At:

The Great Shakespeare Forgery Bernard Grebanier,1966 **The Great Shakespeare Forgery** ,1966 Reforging Shakespeare Jeffrey Kahan,1998 Supporters filled the house to ensure a positive reception but as the curtain went up no one could suspect the disaster that was to ensue *Sexual Shakespeare* Michael Keevak,2001 Shakespeare s sexuality has always been an ambiguous concept despite the pleasant fictions of Shakespeare in *Love Now* Michael Keevak examines such sources as anecdotes imitations forgeries spurious works and portraits to show that this ambiguity has a long and twisted history Shakespeare Survey: Volume 67, Shakespeare's Collaborative Work Peter Holland,2014-10-02 Shakespeare Survey is a yearbook of Shakespeare studies and productions Since 1948 the Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of that year s textual and critical studies and of the year s major British performances The theme for Volume 67 is Shakespeare s Collaborative Work The complete set of Survey volumes is also available online at <http://www.cambridge.org/online/shakespearesurvey> This fully searchable resource enables users to browse by author essay and volume search by play theme and topic and save and bookmark their results The Millionaire and the Bard Andrea Mays,2015 Today it is the most valuable book in the world Recently one sold for over five million dollars It is the book that rescued the name of William Shakespeare and half of his plays from oblivion The Millionaire and the Bard tells the miraculous and romantic story of the making of the First Folio and of the American industrialist whose thrilling pursuit of the book became a lifelong obsession Shakespeare's Mistress Aubrey Burl,2012-06-15 The mystery woman in Shakespeare s love life revealed The Fictional Lives of Shakespeare Kevin Gilvary,2017-12-12 Modern biographies of William Shakespeare abound however close scrutiny of the surviving records clearly show that there is insufficient material for a cradle to grave account of his life that most of what is written about him cannot be verified from primary sources and that Shakespearean biography did not attain scholarly or academic respectability until long after Samuel Schoenbaum published *William Shakespeare A Documentary Life* in 1975 This study begins with a short survey of the history and practice of biography and then surveys the very limited biographical material for Shakespeare Although Shakespeare gradually attained the status as a national hero during the seventeenth and eighteenth centuries there were no serious attempts to reconstruct his life Any attempt at an account of his life or personality amounts however merely to biografiction Modern biographers differ sharply on Shakespeare s apparent relationships with Southampton and with Jonson which merely underlines the fact that the documentary record has to be greatly expanded through contextual description and speculation in order to appear like a Life of Shakespeare **Gothic Shakespeares** John Drakakis,Dale Townshend,2008-12 In *Gothic Shakespeares* Shakespeare is considered alongside major Gothic texts and writers from Horace Walpole Ann Radcliffe Matthew Lewis and Mary Shelley up to and including contemporary Gothic fiction and horror film This volume

offers a highly original and truly provocative account of Gothic reformulations of Shakespeare and Shakespeare's significance to the Gothic

British-French Exchanges in the Eighteenth Century Kathleen Hardesty Doig, Dorothy Medlin, 2009-05-05 France and Great Britain so close geographically but separated by language culture and history had been exchanging merchandise visitors rulers and ideas for hundreds of years before the eighteenth century The flow of traffic only quickened during this period and became a flood in the direction of Great Britain during the decade following the Revolution While certain of these exchanges such as Voltaire's sojourn abroad have been studied in detail others are coming into focus only as scholars study secondary figures in the host country and the interactions of various groups with its citizens

British French Exchanges in the Eighteenth Century gathers together fourteen recent essays by scholars from Great Britain and the United States who have examined various parameters of the subject Correspondences and translations are obvious forms of cultural sharing and are in play in many of the essays Others recount and analyse the stories of persons who actually visited the other country in circumstances ranging from pure tourism to emigration to a hostage exchange A final group of essays treats intellectual influences in realms as diverse as encyclopaedism cultural analysis connoisseurship and cosmopolitanism in the arts The volume is appropriate for collections in history literature and culture
