Tenney, 2018-10-04 Originally published in 1948 this now classic study by Merrill Tenney treats the Gospel of John as a literary unit and provides a straightforward analysis of the text Tenney first outlines the structure of the Gospel then offers a careful exposition of John s text according to six major

Good Words and Sunday Magazine Norman Macleod, Donald Macleod, Hartley Aspden, 1879 [Good Words](#), 1879 [The Spiritual Self Assessment Interview](#) John Wesley Knight III, 2023-02-17 The purpose of *The Spiritual Self Assessment Interview* is for individuals to take a deeper look at their spiritual relationship with God and evaluate themselves on how well they are living out what they profess. This first of its kind book will encourage you and provide you with a tool to help measure areas that can be improved upon. It will also give you a sense of accomplishment as you will vividly see areas where you have done well. This is a fresh perspective to challenge the way we think in our current culture. We are evaluated at our place of work and given a ninety day review, a midyear review and an annual review. We then strive to do our very best to improve in areas where we fall short for our employer. If we are willing to challenge ourselves to do better due to the critique of man, how much more should we be willing to do whatever it takes to improve ourselves for our God.
