Great Issues in American History, Vol. I Richard Hofstadter, Clarence L. Ver Steeg, 2012-04-25 This first volume of Great Issues in American History three volumes of documents that cover the history of America from its settlement to the present gives us a generous sampling from the major political controversies in the Colonial period Included are such documents as Richard Hakluyt's Discourse of Western Planting 1584 Letter from Christopher Columbus to the King and Queen of Spain undated probably 1694 The Third Virginia Charter 1612 Thomas Paine's Common Sense 1776 and The Declaration of independence July 4 1776 Each has an explanatory headnote and there are brief general introductions that set the selections in their historical context In order to fit both Colonial and Early National courses documents covering 1765 1776 appear at the end of this volume and again at the beginning of Volume II Volume II From the Revolution to the Civil War 1765 1865 Edited by Richard Hofstadter Volume III From Reconstruction to the Present Day 1864 1981 Edited by Richard Hofstadter and Beatrice K Hofstadter

Great Issues in American History, Vol. III Richard Hofstadter, 2012-01-04 The third volume in Great Issues In American History From Reconstruction to the Present Day is now updated and revised to include another decade of American history Beatrice K Hofstadter wife of the late Richard Hofstadter and herself an historian who worked with him closely on the original edition has added a new section covering 1970 to 1981 and rearranged other sections in the light of what has since proved to be of lasting importance This collection of significant documents in American history now goes from Lincoln's Proclamation on the Wade Davis Bill on July 8 1864 to Reagan's Address on Arms Control Negotiations on November 18 1981 Volume I From Settlement to Revolution 1584 1776 Edited by Clarence L Ver Steeg and Richard Hofstadter Volume II From the Revolution to the Civil War 1765 1865 Edited by Richard Hofstadter

Great Issues in American History, Vol. II Richard Hofstadter, 2012-01-04 Volume II gathers documents from the period of the Revolution through the Jacksonian era up to the Civil War and the Emancipation To fit both Colonial and Early National courses documents covering 1765 1776 appear at the beginning of this volume and at the end of Volume I

Movies and Methods Bill Nichols, 1976 VOLUME 2 Movies and Methods Volume II captures the developments that have given history and genre studies imaginative new models and indicates how feminist structuralist and psychoanalytic approaches to film have achieved fresh valuable insights In his thoughtful introduction Nichols provides a context for the paradoxes that confront film studies today He shows how shared methods and approaches continue to stimulate much of the best writing about film points to common problems most critics and theorists have tried to resolve and describes the internal contradictions that have restricted the usefulness of post structuralism Mini introductions place each essay in a larger context and suggest its linkages with other essays in the volume A great variety of approaches and methods characterize film writing today and the final part conveys their diversity from statistical style analysis to phenomenology and from gay criticisms to neoformalism This concluding part also shows how the rigorous use of a broad range of approaches has helped remove post structuralist

criticism from its position of dominance through most of the seventies and early eighties Publisher description **Great Issues in American History** Richard Hofstadter,1962 *Life and Distinguished Services of Hon.
