Great Lovers Manifesto:

The Great Lover's Manifesto Dave Grant, 1986 *Dawn of Discovery* Douglas C. Myers, PhD, 2014-07-31 Dawn's colorful first light is a testament to new beginnings and perpetual renewal. It is a rousing panorama that beckons to all who treasure hope and its fulfillment. Each sunrise is a pleasant reminder of inspiration's influence on the human spirit when love makes its appearance. Everyone has the inherent right to feel loved unconditionally and be able to love fully. However, not all are able to sip from desire's cup filled with contentment. For many, the obscurity of night is extended without knowing of the dawn's resurrecting influence. Love relies on spirited recovery during the course of an endless journey. Each new dawn faithfully restores hope for the realization of purposeful possibilities during the day that follows. It is an awakening to the restoration of light. The certainty of dawn's repeated triumph over darkness exemplifies love's faithful and trustworthy nature. If sincere affection is a measure of feeling fulfilled, then what is love and how is it realized? Why is heartfelt love difficult to experience or maintain for many? What does it mean to fall in love? What is fear's influence when seeking love's affirmation? These are some of the challenges in comprehending the mystery of love and its reward presented in this writing. The written text identifies what is necessary to feel loved as a child and to love fully as an adult. Requirements for experiencing the fullest extent of love are chronicled in the section *Requisites Of Love* while also emphasized throughout the narrative presentation. Numerous quoted words and verse by popular persons of accomplishment enhance a seamless narrative progression. Original poems of the author throughout are dedicated to all who cherish the imaginative and sensitive emotion elicited through poetic expression. Each subchapter listing of love's requisites includes such a beginning. The concluding chapter titled *Exploration and Reward* ends with a novel revelation of adventure and passion. Included in *Answering Love's Call* is a final poem of desire's accomplishment by the author titled *Awakening*. Screen Reader Supported with Enhanced Typesetting Recommended. This book will challenge you to evaluate and confront your courage on several levels. It will also expose your relationship with fear even if you didn't think you had one. Myers writes about feelings which is desperately needed and rarely understood. Overall, the book gives hope. Hope for our personal journey as well as a parent and partner. It allows us to get unstuck in parenting. This is a writing that stays with you. It leaves a mark on your soul. How do I know this? I find myself reflecting on Myers' thoughts and gaining strength to face the future. Judy Wilde, M.A. Clinical Psychology. I recommend this reading to anyone frustrated by fear's influence while desiring heartfelt pleasure in loving. Lester L. Carney, M.A. Educator and Counseling Psychologist. *The Reformation Manifesto* Cindy Jacobs, C. Wagner, 2009-02. Bestselling author Cindy Jacobs calls individuals and the church to a new reformation that will transform communities and the nations. *The Bridge from Creation to Redemption* C. Benjamin Wilkes, 2012-07. Subverted Sue Ellen Browder, 2015-10-06 Contraception and abortion were not

originally part of the 1960s women's movement. How did the women's movement which fought for equal opportunity for women in education and the workplace and the sexual revolution which reduced women to ambitious sex objects become so united? In *Subverted* Sue Ellen Browder documents for the first time how it all happened in her own life and in the life of an entire country. Trained at the University of Missouri School of Journalism to be an investigative journalist, Browder unwittingly betrayed her true calling and became a propagandist for sexual liberation. As a long time freelance writer for *Cosmopolitan* magazine, she wrote pieces meant to soft sell unmarried sex, contraception and abortion as the single woman's path to personal fulfillment. She did not realize until much later that propagandists higher and cleverer than herself were influencing her thinking and her personal choices as they subverted the women's movement. The thirst for truth, integrity and justice for women that led Browder into journalism in the first place eventually led her to find forgiveness and freedom in the place she least expected to find them. Her in-depth research, her probing analysis and her honest self-reflection set the record straight and illumine a way forward for others who have suffered from the unholy alliance between the women's movement and the sexual revolution.

Ridiculous! David Kaufman, 2005-02 Applause Books. From his first unscripted appearance on an Off Broadway stage in the revolutionary 1960s to the frontpage news of his death from AIDS in 1987 at age 44, Charles Ludlam embodied and helped to engender the upheavals of his time. The astonishing life and legacy of this force to be reckoned with are at last revealed in *RIDICULOUS*, a literary biography of an American comic genius. After founding the Ridiculous Theatrical Company in 1967, Ludlam sustained an ever-shifting troupe of bohemian players through two decades of perennially daunting circumstances by writing 29 plays, plays that he starred in and directed as well. While Ludlam's work has become increasingly popular at regional theatres, on college campuses and on stages throughout the world, his gender-bending theories and wide-ranging cultural impact have reached far beyond. Bette Midler, the original cast members of *Saturday Night Live* and the countless other artists he influenced during his abbreviated lifetime. Like his early plays, Ludlam's life was rife with the sex, drugs and creative experimentation that characterized the freewheeling 60s and 70s. Based on a decade of research and interviews with more than 150 people who knew or worked with Ludlam, including all of the major players in his troupe and seven of his lovers, *RIDICULOUS* recreates the dramatic life of an inimitable and subversive theatrical master with you are there intensity. Winner of the LAMBDA Literary Award for Biography and the Theatre Library Association Award for Outstanding Theatre Book of the Year, David Kaufman makes a persuasive case for Ludlam's being a genius. As a record of Ludlam's life and the theatrical world in which he was both guru and grandmaster, this book is informed and passionate. Mel Gussow, *The New York Times*. A fascinating portrait of an authentic stage genius and the New York avant-garde scene in which he toiled with such demented and dedicated diligence. Playbill. The phenom who inspired everyone from Bette Midler and Madeline Kahn to Tony Kushner and Paul Rudnick was no box of chocolates which, as reading experiences go, makes his story all the sweeter. *Vanity Fair*. This is one helluva piece of work. Marilyn Stasio, *Variety*. com. *Inventing*
