Encyclopedia of Rose Science Thomas Debener, Serge Guadin, 2003-10-27 The Encyclopedia of Rose Science brings together a wealth of information on the rose long treasured for its captivating perfumes and splendid colors. Now more than ever, science plays a central place in the production of this flower at the center of one of the world's biggest floricultural industries. A team of internationally renowned experts has contributed scores of articles from the history of rose cultivation to discoveries in rose genetics. For researchers and students as well as commercial rose growers and breeders, the Encyclopedia of Rose Science is an invaluable reference. The Encyclopedia of Rose Science is available online on ScienceDirect. The print edition price for this reference work does not include online access. For more information on pricing for access to the online edition, please review our Licensing Options. The richness and authority of Elsevier reference works is now lent valuable functionality and accessibility through the online launch of Elsevier Reference Works on ScienceDirect. Features: Extensive browsing and searching across subject, thematic, alphabetical, author, and cited author indexes as applicable to the work. Basic and advanced search functionality within volumes, parts of volumes, or across the whole work. Ability to build, save, and re-run searches as well as combine saved searches. Internal cross-referencing between articles in the work plus dynamic linking to journal articles and abstract databases, making navigation flexible and easy. All articles are available as full-text HTML files and as PDF files that can be viewed, downloaded, or printed out in their original print format. A dedicated Reference Works navigation tab and homepage on ScienceDirect to enable easy linking from your OPAC or library website. For more information about the Elsevier Reference Works on ScienceDirect Program, please visit http://www.info.sciencedirect.com/reference_works. Presents complete up-to-date information on over 35 subject areas of major importance to rose scientists. Encyclopedic format provides for concise, readable entries, easy searches, and extensive cross-references. Incorporates MODERN ROSES XI published by the American Rose Society as International Cultivar Registration Authority for Roses, the most comprehensive list of roses of historical and botanical importance. High quality full-color production with many figures and tables.

The Reception of P. B. Shelley in Europe Susanne Schmid, Michael Rossington, 2008-10-21 The widespread and culturally significant impact of Percy Bysshe Shelley's writings in Europe constitutes a particularly interesting case for a reception study because of the variety of responses they evoked. If radical readers cherished the red Shelley, others favoured the lyrical poet whose work was like Byron's anthologized and set to music. His major dramatic works *The Cenci* and *Prometheus Unbound* inspired numerous fin de siècle and expressionist dramatists and producers from Paris to Moscow. Shelley was read by and influenced the novelist Stendhal, the political theorist Engels, the Spanish symbolist Jiménez, and the Russian modernist poet Akhmatova. This exciting collection of essays by an international team of leading scholars considers translations, critical and biographical reviews, fictionalizations of his life, and other creative responses. It probes into

transnational cross currents to demonstrate the depth of Shelley's impact on European culture since his death in 1822. It will be an indispensable research resource for academics, critics, and writers with interests in Romanticism and its legacies.

Blake in the Nineties Steve Clark, David Worrall, 2016-07-27. The 1990s have witnessed a major reassessment of Blake initiated by a new and more rigorous comprehension of his modes of production which in turn has led to re-evaluation of other literary and cultural contexts for his work. Blake in the Nineties grapples with the implications of the new bibliography for Blake studies in its editorial, interpretative, and historical dimensions. As well as providing an international overview of recent Blake criticism, the collection contributes to current debates in a variety of disciplines dealing with the Romantic period, including art history, counter-Enlightenment scholarship, theology, and hermeneutic theory. *Critical Survey of Drama: Kobo Abe - Albert Camus* Carl Edmund Rollyson, Frank Northen Magill, 2003. Combines updates and expands two earlier Salem Press reference sets: Critical Survey of Drama, Revised English Language Series, published in 1994, and Critical Survey of Drama, Foreign Language Series, published in 1986. This new 8-volume set contains 602 essays, of which 538 discuss individual dramatists and 64 cover broad overview topics. The dramatist profiles contain more than 310 photographs and drawings. *Humanistica Lovaniensia* Gilbert Tournoy, 1984-02-15, Volume 33. *Seville: Through the Urban Void* Miguel Torres, 2016-09-13. Recent years have seen a growing interest in undetermined and unqualified urban spaces. Understanding cities as spaces for encounter, conflict, and otherness, this book argues that this indeterminacy is not marginal but a key characteristic of urban space, and degrees of liberty foster change, creativity, and political action. The urban void is a conceptual construct that aims to render a principle of absence apprehensible and to describe how it intervenes in place-making in the city of Seville. *Through the Urban Void* builds mostly upon Henri Lefebvre's work, using concepts drawn on the social sciences in order to articulate a biographic narrative of the Alameda de Hércules in Seville, Spain, which stands both as an outstanding instance of urban space and a very influential urban type. During its long historical span, the Alameda has undergone alternating periods of decline and development, revealing the relations between successive urban paradigms and ideas of nature, territory, and the people. For the first time, its whole history is told in a single account, which adds new perspectives to its understanding and brings forward formerly disregarded aspects. This book shows how its liminal nature, which stubbornly persists over time, creates the conditions for creative processes. **The Author as Character** A. J. Hoenselaars, 1999. Many fictional works have real historical authors as characters. Great national literary icons like Virgil and Shakespeare have been fictionalized in novels, plays, poems, movies, and operas. This fashion might seem typically postmodern, the reverse side of the contention that the Author is Dead, but this collection of essays shows that the representation of historical authors as characters can boast of a considerable history and may well constitute a genre in its own right. This volume brings together a collection of articles on appropriations of historical authors written by experts in a wide range of major Western literatures. **BOOK JACKET Arts & Humanities Citation Index**, 2001. **Fracture, Fatigue, Failure**

and Damage Evolution, Volume 6 Jay Carroll, Shuman Xia, Allison M. Beese, Ryan B. Berke, 2025-08-07 Fracture Fatigue Failure and Damage Evolution Volume 6 of the Proceedings of the 2018 SEM Annual Conference Exposition on Experimental and Applied Mechanics the sixth volume of eight from the Conference brings together contributions to this important area of research and engineering The collection presents early findings and case studies on a wide range of areas including Novel Experimental Methods Extreme Environments Interfacial Fracture Integration of Models Experiments Mechanics of Energy Energetic Materials Integration of Models Experiments In Situ Techniques for Fatigue Fracture Microscale Microstructural Effects on Mechanical Behavior *Objectives and Perspectives in Education* Ben Morris, 2013-04-15 Originally published in 1972 the emphasis of this book is on psychological and cultural understanding of education in terms of persons and relationships rather than processes The book Deals with issues of continuing relevance for educational thought and practice such as the education and training of teachers and diminishing the gap between schooling and education Considers the nature and function of educational research the conflict between arts and sciences in education and the concept of guidance Examines teaching in its interpersonal context and at the revolt of youth and the sexual revolution Assesses the influence of Freud Winifred Mercier William Boyd and Herbert Read The Peaks of Medical History Charles Loomis Dana, 1927

Modern Literature and the Tragic K. M. Newton, 2008-06-20 This book explores modern literature's responses to the tragic It examines writers from the latter half of the nineteenth century through to the later twentieth century who respond to ideas about tragedy Although Ibsen has been accused of being responsible for the death of tragedy Ken Newton argues that Ibsen instead generates an anti tragic perspective that had a major influence on dramatists such as Shaw and Brecht By contrast writers such as Hardy and Conrad influenced by Schopenhauerian pessimism and Darwinism attempt to modernise the concept of the tragic Nietzsche's revisionist interpretation of the tragic influenced writers who either take pessimism or the Dionysian commitment to life to an extreme as in Strindberg and D H Lawrence Different views emerge in the period following the second world war with the Theatre of the Absurd and postmodern anti foundationalism **Haematologica (Rome, Italy)**, 1999 French Studies, 2000 *Plato's 'Symposium'* Thomas L. Cooksey, 2010-03-18 This is a student friendly introduction to a key text in Ancient Philosophy In many regards the dialectical counterpart of the Republic the Symposium is one of the richest and most influential of the Platonic dialogues resonating not only with Western philosophy but also with literature art and theology While Plato ostensibly dramatizes a humorous account of a drinking party he presents a profoundly serious explication of Eros that challenges the limits of reason the nature of gender identity and narrative form Plato's Symposium A Reader's Guide presents a concise introduction to the text offering invaluable guidance on historical literary and philosophical context key themes reading the text reception and influence and further reading Continuum Reader's Guides are clear concise and accessible introductions to key texts in literature and philosophy Each book explores the themes context criticism and influence of key works providing a practical introduction to close reading

guiding students towards a thorough understanding of the text They provide an essential up to date resource ideal for undergraduate students **Combined Rose List** ,1999 **General Catalogue of the Library of the Bombay Branch of the Royal Asiatic Society: Authors** Bombay Branch of the Royal Asiatic Society. Library,P. B. Gothoskar,1917

Mythopoesis Harry Slochower,1970 **Boundaries of Violence in Early Modern England** Samantha Dressel,Matthew Carter,2023-08-25 This book explores the possibilities and limitations of violence on the Early Modern stage and in the Early Modern world This collection is divided into three sections History cal Violence Un Comic Violence and Revenge Violence This division allows scholars to easily find intertextual materials comic violence may function similarly across multiple comedies but is vastly different from most tragic violence While the source texts move beyond Shakespeare this book follows the classic division of Shakespeare s plays into history comedy and tragedy Each section of the book contains one chapter engaging with modern dramatic practice along with several that take textual or historical approaches This wide ranging approach means that the book will be appropriate both for specialists in Early Modern violence who are looking across multiple perspectives and for students or scholars researching texts or approaches
