**Frankie and Johnny** Stacy I. Morgan, 2017-04-18 Originating in a homicide in St Louis in 1899 the ballad of Frankie and Johnny became one of America's most familiar songs during the first half of the twentieth century. It crossed lines of race, class, and artistic genres, taking form in such varied expressions as a folk song performed by Huddie Ledbetter, Lead Belly; a ballet choreographed by Ruth Page and Bentley Stone; under New Deal sponsorship, a mural in the Missouri State Capitol by Thomas Hart Benton; a play by John Huston; a motion picture, *She Done Him Wrong*, that made Mae West a national celebrity; and an anti-lynching poem by Sterling Brown. In this innovative book, Stacy I. Morgan explores why African American folklore and Frankie and Johnny in particular became prized source material for artists of diverse political and aesthetic sensibilities. He looks at a confluence of factors including the Harlem Renaissance, the Great Depression, and resurgent nationalism that led those creators to engage with this ubiquitous song. Morgan's research uncovers the wide range of work that artists called upon African American folklore to perform in the 1930s as it alternately reinforced and challenged norms of race, gender, and appropriate subjects for artistic expression. He demonstrates that the folklorists and creative artists of that generation forged a new national culture in which African American folk songs featured centrally, not only in folk and popular culture but in the fine arts as well.

Having convinced the galactic governing body that mankind deserves a chance at fixing their own problems, Rubi has done her part to launch the planet into a new golden age of scientific discovery and technological revolution. However, there are still those in the galactic community that think that humanity is too poisonous, too greedy to be allowed in, and they will stop at nothing to sabotage a species determined to pull itself up. But in spite of his disabilities, he never gave up. A likeable kid with a big heart, he lived with his family on their 100-acre grape orchard in central California. His sister Anna was an attractive 22-year-old who gave Frankie a ride to Walnut Street School in her red convertible classic Mustang every Friday. When Calvin, a mean school bully, saw Frankie being driven to school by his hot sister, he became furiously jealous. He and his cronies wouldn't stop bullying Frankie until Katie, who they called Red Headed Kate, saved the day on Christmas morning. Some would think that Katie had a crush on Frankie, but she would never tell. Thanks to Katie's help, Frankie, who had been the victim, victoriously becomes the town hero.
