Flesh, 2007-09-06 Ben knows that the only way he can save Wishworks Factory is to find a magical weapon that lies deep below the grounds of the factory But can he find it in time to bring peace back to his new home      **Deliver Us from Evil** Lacy K. Ford, 2009-09-03 A major contribution to our understanding of slavery in the early republic Deliver Us from Evil illuminates the white South s twisted and tortured efforts to justify slavery focusing on the period from the drafting of the federal constitution in 1787 through the age of Jackson Drawing heavily on primary sources including newspapers government documents legislative records pamphlets and speeches Lacy K Ford recaptures the varied and sometimes contradictory ideas and attitudes held by groups of white southerners as they tried to square slavery with their democratic ideals He excels at conveying the political intellectual economic and social thought of leading white southerners vividly recreating the mental world of the varied actors and capturing the vigorous debates over slavery He also shows that there was not one antebellum South but many and not one southern white mindset but several with the debates over slavery in the upper South quite different in substance from those in the deep South In the upper South where tobacco had fallen into comparative decline by 1800 debate often centered on how the area might reduce its dependence on slave labor and whiten itself whether through gradual emancipation and colonization or the sale of slaves to the cotton South During the same years

the lower South swirled into the vortex of the cotton revolution and that area's whites lost all interest in emancipation no matter how gradual or fully compensated. An ambitious thought provoking and highly insightful book *Deliver Us from Evil* makes an important contribution to the history of slavery in the United States shedding needed light on the white South's early struggle to reconcile slavery with its Revolutionary heritage Two Years Is a Lifetime Paul E. Mefferd, 2003-06

**Murder at the Palais-Royal** James E. Wollrab, James Wollrab, 2003-12 Despite their destruction early in the fourteenth century the Knights Templar leave clues to a vast fortune hidden beneath the Notre Dame de Paris Cathedral. Almost five hundred years later a Catholic Bishop conspires with the Pope to resurrect the ancient military order and its fortune to fight the secular forces growing in Paris. The conspiracy becomes entangled with the gunpowder research of the world's greatest living chemist, Farmer General Antoine Laurent Lavoisier, his dedicated apprentices and a motley collection of foreign spies from Austria, Prussia and the Italian States intent upon stealing the scientist's secrets. Mix in a foreign political agitator, a beautiful woman descended from a famous French playwright, a misguided minister to King Louis XVI, an oversexed Cardinal and his prognosticator, an irritable commandant of police, a famous escapee from the Bastille, a doubting monk and a man seen only in the shadows and something has to give Political Repression in Modern America from 1870 to 1976 Robert Justin Goldstein, 2001 Enhanced with a new introduction and an updated bibliography *Political Repression in Modern America* remains an essential record of the relentless intolerance that suppresses radical dissent in the United States.

**Scared Money** James Hime, 2014-04-22 When the CIA comes knocking at ex Texas Ranger Jeremiah Spur's door asking for a favor, he's not that interested in helping. At least not until the agent mentions that the man Benjamin Farkas, who needs help, requested Jeremiah specifically because he knew Jeremiah's father. Since Jeremiah hasn't seen his father since he was a little boy, this piques his interest and he reluctantly agrees to travel from his ranch in tiny Brenham, Texas, to the big city Austin in order to investigate the disappearance of an accountant who has vanished along with 10 million of his boss's money. The fact that Farkas was once a CIA trained button man makes him uncomfortable, but the question of his father's connection means he can't say no. At the same time, Deputy Sheriff Clyde Thomas, a black man in a rural Texas jurisdiction who worked with Jeremiah on the last murder case to hit Brenham, is looking into the shooting deaths of a local drug dealer and his girlfriend, a violent and nasty crime for the usually quiet town. Clyde's working theory is that it's a message in a battle over drug territory, but there are a lot of questions. It seems unlikely that Captain Spur's case and Deputy Thomas's case are related. But in all things criminal, even in sleepy Brenham, Texas, things are rarely what they seem. *Scared Money*, explosive, sharp, taut and atmospheric, is the second book to feature Jeremiah and Clyde after James Hime's acclaimed first novel *The Night of the Dance*, which was a finalist for the Edgar Award for best first novel of the year. **Running Scared** James Wesley Silver, 1984 **American Cattle Producer**, 1929 **Movieland** Jerome Charyn, 1996-08 On history of American cinema **Life and Limb** Keith Reddin, 1985 *THE STORY* As the play begins, Franklin, a young draftee and his new bride

Effie are on their honeymoon an idyll which ends when Franklin returns to his unit and then goes off to Korea where he loses an arm When he returns home things go steady      **The Devious Dr. Franklin, Colonial Agent** David T. Morgan, 1999
