Franks Fear:

The Mighty Franks Michael Frank, 2017-05-16 WINNER OF THE 2018 JG WINGATE PRIZE A psychologically acute memoir about an unusual Hollywood family by Michael Frank who brings Proustian acuity and razor sharp prose to family dramas as primal and eccentrically insular as they come The Atlantic My feeling for Mike is something out of the ordinary Michael Frank overhears his aunt telling his mother when he is a boy of eight It's stronger than I am I cannot explain it I love him beyond life itself With this indelible bit of eavesdropping we fall into the spellbinding world of *The Mighty Franks* The family is uncommonly close Michael's childless Auntie Hankie and Uncle Irving glamorous Hollywood screenwriters are doubly related Hankie is his father's sister and Irving is his mother's brother The two families live near each other in Laurel Canyon In this strangely intertwined world even the author's grandmothers who dislike each other share a nearby apartment Strangest of all is the way Auntie Hankie with her extravagant personality comes to bend the wider family to her will Talented mercurial and lavish with her love she divides Michael from his parents and his two younger brothers as she takes charge of his education guiding him to the right books to read Proust not Zola the right painters to admire Matisse not Pollock the right architectural styles to embrace period not modern or modern as she pronounces the word with palpable disdain She trains his mind and his eye until that eye begins to see on its own When this son Hankie longs for grows up and begins to turn away from her her moods darken and a series of shattering scenes compel Michael to reconstruct both himself and his family narrative as he tries to reconcile the woman he once adored with the troubled figure he discovers her to be In its portrayal of this fascinating singularly polarizing figure the boy in her thrall and the man that boy becomes *The Mighty Franks* will speak to any reader who has ever struggled to find an independent voice amid the turbulence of family life
