**Fred's First Waltz** Venetia Murray,1980      **Theoretical and Crosslinguistic Approaches to the Semantics of Aspect** Susan D. Rothstein,2008-03-20 The papers in this volume investigate the semantics of aspect from both a theoretical and a crosslinguistic point of view in a wide range of languages from a number of different language families The papers are all informed by the belief that a thorough exposure to the expression of aspect crosslinguistically is crucial for progress in understanding how the semantics of aspect works and what the semantic basis of aspectual distinctions is The languages discussed include Russian English Dutch Hebrew Mandarin Japanese and Kalaallisut The issues discussed in this volume include the centrality of measuring and counting in an understanding of telicity the importance of the singular plural distinction in the study of aspect the importance of homogeneity as a property of event types the flexibility of lexical classes and the interaction between expressions of aspect and the particular morphosyntactic structure of a language      **Tisha** Robert Specht,2018-08-28 The beloved real life story of a woman in the Alaskan wilderness the children she taught and the man she loved From the time I d been a girl I d been thrilled with the idea of living on a frontier So when I was offered the job of teaching school in a gold mining settlement called Chicken I accepted right away Anne Hobbs was only nineteen in 1927 when she came to harsh and beautiful Alaska Running a ramshackle schoolhouse would expose her to more than just the elements After she allowed Native American children into her class and fell in love with a half Inuit man she would learn the meanings of prejudice and perseverance irrational hatred and unconditional love People get as mean as the weather she discovered but they were also capable of great good As told to Robert Specht Anne Hobbs s true story has captivated generations of readers Now this beautiful new edition is available to inspire many more The memoir reads like an old fashioned novel a heartwarming love story with the added interest of frontier hardships and vividly portrayed characters Publishers Weekly      Belgravia ,1891      The American Florist ,1893      **Interference** Bithia Mary Croker,1891

**The Theatre of Kander and Ebb** Robert Gordon,2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb s collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb s musicals offering an in depth introduction to their oeuvre **Jacqueline** Th Bentzon,1905 Interference A Novel, Vol 2 (of 3) B.
