Historical Commentary On Sallusts Bellum Jugurthinum

Ioannis D. Evrigenis

Historical Commentary On Sallusts Bellum Jugurthinum:

A Historical Commentary on Sallust's Bellum Jugurthinum George M. Paul, 1984 The *Bellum Jugurthinum* is the second historical monograph the other is the *Catilina* written by C Sallustius Crispus probably 86-35 B C a senator Caesarian general and historian whose political and literary career spanned the violent years which saw the end of the Roman Republic The *Bellum Jugurthinum* describes an earlier war fought in North Africa at the end of the 2nd century B C against Jugurtha an ambitious native prince who tried to win sole power in Numidia by challenging his family's traditional dependence on Rome The main aims of this commentary are to elucidate Sallust's narrative and to clarify his historiographical principles and methods Such topics as the chronology and topography of the war Numidian customs and their royal family Sallust's sources the conditions of political life in contemporary Rome and Sallust's personal views are therefore given ample treatment Textual linguistic and literary problems are discussed in so far as they relate to historical and historiographical understanding of Sallust's account Sallust was indebted to Greek and Roman predecessors as the commentary indicates But he also set a new fashion in Roman historiography as much by his sense of the realities of Roman public life as by the manner of his writing a style which was later adopted and developed by Tacitus the great historian of imperial Rome Sallust Ronald Syme, 2023-04-28 With this classic book Sir Ronald Syme became the first historian of the twentieth century to place Sallust whom Tacitus called the most brilliant Roman historian in his social political and literary context Scholars had considered Sallust to be a mere political hack or pamphleteer but Syme's text makes important connections between the politics of the Republic and the literary achievement of the author to show Sallust as a historian unbiased by partisanship In a new foreword Ronald Mellor delivers one of the most thorough biographical essays of Sir Ronald Syme in English He both places the book in the context of Syme's other works and details the progression of Sallustian studies since and as a result of Syme's work With this classic book Sir Ronald Syme became the first historian of the twentieth century to place Sallust whom Tacitus called the most brilliant Roman historian in his social political and literary context Scholars had considered Sallust to be a mere

An Historical Commentary on Sallust's "Bellum Jugurthinum" George M. Paul, 1963 **Sallust** Sallust, 2009 The Roman historian C Sallustius Crispus better known as Sallust decided to write about the war against the Numidian king Jugurtha because it was a long and cruel struggle in which fortune swung from side to side and secondly because it was then for the first time that a stand was taken against the arrogance of the nobles For Sallust the Jugurthine War clearly revealed the problems of the Republic at that time The fact that a man such as Jugurtha could rise to power by buying Roman military and civil officials reflected a moral crisis in Roman politics Sallust's account of the nobles' tactics in conducting the war the rise of the *homo novus* Marius and the beginnings of Sulla's career are particularly effective at showing how Romans sought individual power and advantages often at the expense of the state Sallust is determined to illustrate decay and with a successful choice of words and phrases he will achieve not only a powerful exposition of the

nature and propagation of political decline but also the congruence between the sickly condition of the state and the mores of its citizens Sallust is the creator of a particular manner of writing history His style has attracted attention and discussion both in ancient times and nowadays because it shows itself at the same time as archaic and innovatory abrupt and artistic The translation of this new edition seeks to be faithful to that characteristic Sallustian style and the commentary aims to be useful not only to specialists but also to readers who know little or no Latin The introduction deals with Sallust's life and career as a historian the Jugurthine war itself and also with the important Sallustian topic of *virtus* and the development of the ideology of the new man *Catiline's Conspiracy, The Jugurthine War, Histories* Sallust, 2010-04-15 These three works exemplify the Roman historian Sallust's condemnation of the excesses of the late Republic In the conspiracy of Catiline and the war against Jugurtha he sees moral and political corruption and the tragedy of civil strife This new translation captures Sallust's distinctive style and considers his work as history and literature Sallust and the Fall of the Republic Edwin Shaw, 2021-11-29 This book offers a new interpretation of the Roman historian Sallust which places him at the centre of the rich intellectual world of late Republican Rome Drawing on the evidence of Sallust's digressions in particular and in contrast to previous views of his work as purely moralistic or unsophisticated it argues that Sallust uses his historiography to advance a coherent set of ideas about the political chaos he saw around him and to participate in the broader debates which characterised his period It also offers a new perspective on the argumentative qualities of classical historiography more widely **The Classical Commentary** Gibson, Chris(tina) Shuttleworth Kraus, 2017-07-31 This collection explores the issues raised by the writing and reading of commentaries on classical Greek and Latin texts Written primarily by practising commentators the papers examine philosophical narratological and historiographical commentaries ancient Byzantine and Renaissance commentary practice and theory with special emphasis on Galen Tzetzes and La Cerda the relationship between the author of the primary text the commentary writer and the reader special problems posed by fragmentary and spurious texts the role and scope of citation selectivity lemmatization and revision the practical future of commentary writing and publication and the way computers are changing the shape of the classical commentary With a genesis in discussion panels mounted in the UK in 1996 and the US in 1997 the volume continues recent international dialogue on the genre and future of commentaries **Sallust's Histories and Triumviral Historiography** Jennifer Gerrish, 2019-05-20 Sallust's *Histories* and *Triumviral Historiography* explores the historiographical innovations of the first century Roman historian Sallust focusing on the fragmentary *Histories* an account of the turbulent years after the death of the dictator Sulla The *Histories* were written during the violent transition from republic to empire when Rome's political problems seemed insoluble and its morals hopelessly decayed The ruling triumvirate of Octavian Mark Antony and Lepidus created a false sense of hope for the future relentlessly insisting that they were bringing peace to the republic The *Histories* address the challenges posed to historians by both civil war and authoritarian rule What does it mean Sallust asks to write history under a regime that so skillfully

manipulates or even replaces facts with a more favorable narrative Historiography needed a new purpose to remain relevant and useful in the triumphal world In the Histories Sallust adopts an analogical method of historiography that enables him to confront contemporary issues under the pretext of historical narrative The allusive Histories challenge Sallust's audience to parse and analyze history as it is being written by the actors themselves and to interrogate the relationship between words and deeds The first monograph in any language on the Histories this book offers comprehensive reading of Sallust's third and final work featuring discussion of a wide selection of fragments beyond the speech and letters set pieces that have generally been studied in isolation It offers a valuable resource for academics and postgraduates working on ancient historiography and Latin literature more generally it will also be of interest to ancient historians working on the late Roman Republic With English translations of all Greek and Latin passages this book will also be useful for undergraduate and graduate courses on historiography Latin literature and Roman history

The Limits of Historiography Christina Kraus, 2018-07-17 This volume explores the intersection between historiography and related genres in antiquity Papers cover the geographical range from China through the near east to the classical period in the Mediterranean Topics addressed include the place in ancient Chinese historiography of philosophical argument the nature and kind of historical text in the Hittite Babylonian Persian and biblical periods including for the first time a full transliteration and translation of the Old Hittite story of Anum hirbi and Zalpa and a new interpretation of the Darius inscription at Behistun and the relation of rhetorical stratagems and theory to Sallust Livy and Tacitus Contributors also consider the relationship between texts including the war narratives of Herodotus and Thucydides and the propriety of different schemes of generic classification

At the Crossroads of Greco-Roman History, Culture, and Religion Sinclair W. Bell, Lora L. Holland, 2018-09-30 Papers in honour of Carin M C Green 1948-2015 are presented under 3 headings 1 Greek philosophy history and historiography 2 Latin literature history and historiography and 3 Greco Roman material culture religion and literature

Fear of Enemies and Collective Action Ioannis D. Evrigenis, 2007-12-03 What makes individuals with divergent and often conflicting interests join together and act in unison By drawing on the fear of external threats this book develops a theory of negative association that examines the dynamics captured by the maxim The enemy of my enemy is my friend It then traces its role from Greek and Roman political thought through Machiavelli and the reason of state thinkers and Hobbes and his emulators and critics to the realists of the twentieth century By focusing on the role of fear and enmity in the formation of individual and group identity this book reveals an important tradition in the history of political thought and offers insights into texts that are considered familiar This book demonstrates that the fear of external threats is an essential element of the formation and preservation of political groups and that its absence renders political association unsustainable

A Companion to the Political Culture of the Roman Republic Valentina Arena, Jonathan R. W. Prag, Andrew Stiles, 2022-01-25 An insightful and original exploration of Roman Republic politics In A Companion to the Political Culture of the Roman Republic editors Valentina Arena and Jonathan Prag

deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world A Companion to the Political Culture of the Roman Republic will also earn a place in the libraries of scholars and students of politics political history and the history of ideas

The World of Juba II and Kleopatra Selene Duane W

Roller, 2004-02-24 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Rome after Sulla J. Alison Rosenblitt, 2019-01-24 Rome after Sulla offers a new perspective on the damaged volatile and conflictual political culture of the late Roman republic The book begins with a narrative of the years immediately following the dictatorship of Sulla 80 77 BC providing both a new reconstruction of events and original analysis of key sources including Cicero's pro Roscio Appian the Livian tradition and Sallust's *Historiae* Arguing that Sulla's settlement was never stable Rome after Sulla emphasises the uncertainty and fear felt by contemporaries and the problems caused in Rome by consciousness of the injustices of the Sullan settlement and its lack of moral legitimacy The book argues that the events and the unresolved traumas of the first civil war of the Roman republic triggered profound changes in Roman political culture to which Sallust's magnum opus his now fragmentary *Historiae* is our best guide An in depth exploration of a new more Sallust centred vision of the late republic contributes to the historical picture not only of the legacy of Sulla but also of Caesar and of Rome's move from republic to autocratic rule The book studies a society grappling with a question broader than its own times what is the price of stability

Roman Political Thought Dean Hammer, 2014-07-28 Roman Political Thought is the first comprehensive treatment of the political thought of the Romans Dean Hammer argues that the Romans were engaged in a wide ranging and penetrating reflection on politics The Romans did not create utopias Instead their thinking was relentlessly shaped by their own experiences of violence the enormity and frailty of power and an overwhelming sense of loss of the traditions that oriented them to their responsibilities as social political and moral beings However much the Romans are

known for their often complex legal and institutional arrangements the power of their political thought lies in their exploration of the extra institutional affective foundations of political life The book includes chapters on Cicero Lucretius Sallust Virgil Livy Seneca Tacitus Marcus Aurelius and Augustine and discussions of Polybius the Stoics Epicurus and Epictetus

Animals in Greek and Roman Religion and Myth Patricia A. Johnston, Attilio Mastrocinque, 2016-08-17 This volume brings together a variety of approaches to the different ways in which the role of animals was understood in ancient Greco Roman myth and religion across a period of several centuries from Preclassical Greece to Late Antique Rome Animals in Greco Roman antiquity were thought to be intermediaries between men and gods and they played a pivotal role in sacrificial rituals and divination the foundations of pagan religion The studies in the first part of the volume examine the role of the animals in sacrifice and divination The second part explores the similarities between animals on the one hand and men and gods on the other Indeed in antiquity the behaviour of several animals was perceived to mirror human behaviour while the selection of the various animals as sacrificial victims to specific deities often was determined on account of some peculiar habit that echoed a special attribute of the particular deity The last part of this volume is devoted to the study of animal metamorphosis and to this end a number of myths that associate various animals with transformation are examined from a variety of perspectives

Crisis Management during the Roman Republic Gregory K. Golden, 2013-04-22 Crisis is the defining word for our times and it likewise played a key role in defining the scope of government during the Roman Republic This book is a comprehensive analysis of key incidents in the history of the Republic that can be characterized as crises and the institutional response mechanisms that were employed by the governing apparatus to resolve them Concentrating on military and other violent threats to the stability of the governing system this book highlights both the strengths and weaknesses of the institutional framework that the Romans created Looking at key historical moments Gregory K Golden considers how the Romans defined a crisis and what measures were taken to combat them including declaring a state of emergency suspending all non war related business and instituting an emergency military draft as well as resorting to rule by dictator in the early Republic

Corneli Taciti Historiarum Cornelius Tacitus, Publius Cornelius Tacitus, Tacitus, 2007-11-22 This edition provides a commentary suitable for students on the Latin text of Histories Book II

Cicero's Role Models Henriette van der Blom, 2010-07-29 A study of the rhetorical and political strategy adopted by the Roman orator and statesman Cicero as a newcomer in Roman republican politics Henriette van der Blom argues that Cicero advertised himself as a follower of chosen models of behaviour from the past his role models and in turn presented himself as a role model to others

Myth, History and Culture in Republican Rome David Braund, Christopher Gill, Timothy Peter Wiseman, 2003 In this collection of essays an international team of outstanding scholars engage with the ideas and methods of Professor Peter Wiseman's past and present work They provide a sustained response to the work of one of the most widely respected Roman historians of this generation The contributions range over myth Coriolanus and Remus the interplay between

historiography literature and myth making on Cleopatra for instance and art and story telling at Boscoreale They explore Roman drama Pacuvius and links between drama and Virgil's Aeneid they discuss Catullus in Bithynia and Cicero on Greek and Roman culture Professor Wiseman has been at the forefront of innovative research in Roman history historiography literature in context drama and myth for many years His work is marked by the combination of a powerful historical imagination with an acute sense of the limitations of our knowledge and of the need to negotiate with the complexity of our sources

Historical Commentary On Sallusts Bellum Jugurthinum Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Historical Commentary On Sallusts Bellum Jugurthinum free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Historical Commentary On Sallusts Bellum Jugurthinum free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Historical Commentary On Sallusts Bellum Jugurthinum free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Historical Commentary On Sallusts Bellum Jugurthinum. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Historical Commentary On Sallusts Bellum Jugurthinum any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Historical Commentary On Sallusts Bellum Jugurthinum Books

1. Where can I buy Historical Commentary On Sallusts Bellum Jugurthinum books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
