Historical Dictionary Of Human Rights And Humanitarian Organizations:

Historical Dictionary of Human Rights and Humanitarian Organizations Thomas E. Doyle, II, Robert F. Gorman, Edward S. Mihalkanin, 2016-12-19 The Historical Dictionary of Human Rights and Humanitarian Organizations Third Edition defines the core concepts of human rights and humanitarian law It relates the major international legal agreements related to human rights and names the diverse intergovernmental organizations which are responsible for implementing and maintaining these legal declarations charters conventions or treaties It also names and describes the several international non governmental organizations which lobby states and international organizations with respect to human rights which carry out programs of humanitarian assistance or relief and which have played such a significant role in the evolution of human rights and humanitarianism in the modern era Finally it features the names and biographical accounts of major figures in the history of human rights and humanitarianism along with figures that are active today on these issues This third edition of Historical Dictionary of Human Rights and Humanitarian Organizations contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on human rights concepts major pieces of international law on human rights and humanitarian issues major intergovernmental bodies responsible for implementing international laws on human rights and humanitarian issues major international non governmental organizations whose work focuses on human rights and humanitarian issues and the names of important historical and contemporary figures who have contributed to the establishment and progress of human rights and humanitarianism This book is an excellent access point for students researchers and anyone wanting to know more about Human Rights **The A to Z of Human Rights and Humanitarian Organizations** Robert F. Gorman, Edward S. Mihalkanin, 2009-09-02 While the idea of human rights and humanitarian assistance has ancient roots evidence can be seen in such examples as the Ten Commandments the Bhagavad Gita and the teachings of Confucius and Socrates it wasn't until the 1800s that the first modern humanitarian and human rights organizations came to be The 19th century saw the beginning of the abolitionist movement the forming of a variety of women's suffrage organizations the formation and consolidation of national labor unions and the founding of the Red Cross This was followed by the inextricably intertwined story of war persecution violence and the growth of human rights and humanitarian organizations in the 20th century Bearing witness to some of the most horrific and blatant violations of human dignity the 20th century also beheld the first sustained global efforts to promote human rights at the international level The A to Z of Human Rights and Humanitarian Organizations follows major developments in the arena of human rights including the emergence of terrorism and international responses to it the establishment of an international criminal court the evolution of regional human rights bodies in Africa Europe and Latin America and the proliferation of new non governmental organizations and foundations dedicated to the promotion of human rights This is accomplished through a chronology an introduction appendixes photographs a bibliography and hundreds of cross referenced dictionary entries covering many of

the key treaties agreements and definitions of human rights concepts important humanitarian organizations whether private governmental national or international and significant persons and events This realistic assessment of the advances in protection of human rights and the major difficulties still facing them is an excellent tool for students practitioners and libraries

Historical Dictionary of Human Rights Jacques Fomerand,2021-03-29 The second edition of Historical Dictionary of Human Rights explores both the theory and the practice of international human rights with a focus on the norms and institutions that make up the architecture of the global human rights regime and the tools processes and procedures through which such norms are realized and enforced Particular attention is given to the contextual political and sociological factors that shape and constrain the operation and functioning of international human rights institutions and their state and non state actors This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on terminology conventions treaties intergovernmental organizations in the United Nations and non governmental organizations as well as some of the pioneers and defenders This book is an excellent resource for students researchers and anyone wanting to know more about human rights

Historical Dictionary of the United Nations Jacques Fomerand,2017-12-29 At a time of profound transformations in international relations the second edition of Historical Dictionary of the United Nations maps out the continuing and deepening role and relevance of the United Nations in the maintenance of peace and the promotion of development and human rights Focusing on the past two decades developments this book contributes to a reasoned and fuller understanding of an organization which remains the cornerstone of a changing world fraught with challenges which simply cannot be addressed either unilaterally or bilaterally This second edition of Historical Dictionary of the United Nations contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on its basic organizations subsidiary bodies related specialized and other agencies and nongovernmental actors as well as outstanding figures in its history This book is an excellent resource for students researchers and anyone wanting to know more about the United Nations

Accompany Dynamics of International Relations Walter C. Clemens,James P. Davis,2003-09 This study guide is designed to accompany the second edition of Walter C Clemens Jr s Dynamics of International Relations and includes an introductory chapter by the author of the text It is focused on one important aspect of studying international relations doing research and writing it up whether in the form of a book review a bibliographic essay or a full scale term paper The second part of the study guide is devoted to the various challenges of writing with sources and is a valuable reference for many other college courses besides international relations

Information Sources of Political Science Stephen W. Green,Douglas J. Ernest,2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest

way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

Historical Dictionary of Arab and Islamic Organizations

Sarah Tenney,2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

The A to Z of the United Nations Jacques Fomerand,2009-07-29 Consisting of 192 Member States the United Nations was founded in 1945 to maintain international peace and security to develop friendly relations among nations based on the respect for the principle of equal rights and self determination of peoples to achieve international cooperation in solving problems of an economic social cultural or humanitarian character and encouraging respect for human rights and for fundamental freedoms for all without distinction as to race sex language or religion Just how successful the UN has been in maintaining these goals is covered in The A to Z of the United Nations Author Jacques Fomerand provides a comprehensive dictionary of nearly 900 cross referenced entries on the UN s various committees and organizations its leaders terms policies and major events in which the UN took part Supplementing the dictionary entries are a chronology an introduction a bibliography and appendixes which include a reproduction of the UN s Charter and the Universal Declaration of Human Rights as well as a list of the Member States and when they joined

Historical Dictionary of the United Nations

Educational, Scientific and Cultural Organization (UNESCO) Lin Lin,Seth Spaulding,2022-07-15 Established in the aftermath of World War II UNESCO succinctly states its peace mission as well as its peaceful resolution to peace in its Constitution constructing the defenses of peace in the minds of peoples on the intellectual and moral grounds For more than seven decades UNESCO has been consistently positioning peace as its unwavering core and ultimate goal through promoting international understanding and cooperation in and across its five major sectors of competence in education natural sciences culture communication and information and social and human sciences Historical Dictionary of the United Nations Educational Scientific and Cultural Organization UNESCO Second Edition contains a chronology an introduction and an

extensive bibliography The dictionary section has more than 700 cross referenced entries on UNESCO s initiatives programs projects normative instruments and partners over the past 76 years This book is an excellent resource for students researchers and anyone wanting to know more about UNESCO *Historical Dictionary of International Relations* Peter Lamb,Fiona Robertson-Snape,2017-03-21 The Historical Dictionary of International Relations is a general guide to the theory and practice of the relations between states and between states and other actors on the world stage It introduces readers to the real world operations of international relations and is thus concerned with the actual relations between states organizations groups and people It also offers introductory information about the various theories old and new that help explain these relations why they happen and the possible alternatives that might be available now or in the future Moreover some of the key thinkers of these theories are discussed The Historical Dictionary of International Relations contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on real world operations of international relations the actual relations between states organizations groups and people This book is an excellent resource for students researchers and anyone wanting to know more about International Relations

Historical Dictionary of Inter-American Organizations David W. Dent,Larman C. Wilson,2013-12-11 The Historical Dictionary of Inter American Organizations covers the changing world of inter American and international organizations that have played an important role in bilateral and multilateral efforts to solve a wide range of problems that have confronted the nations of the Western Hemisphere The Latin American region is clearly more integrated regionally and internationally than in previous decades and is better prepared to confront a broad range of problems trade development illicit drugs terrorism and guerrilla activity health environment democratization trade human rights intervention electoral assistance peacekeeping and conflict resolutions migration border conflicts corruption and energy independence that governments and non governmental organizations face in the 21st century The role of the United States in Latin America has clearly faded since the end of the Cold War and the second edition of this book fills a large void in explaining the complexities of inter American organizations and their activities since the first edition was completed in the late 1990s This updated second edition of Historical Dictionary of Inter American Organizations covers the history of through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Inter American Organizations *Historical Dictionary of the World Health Organization* Kelley Lee,Jennifer Fang,2013 The World Health Organization s history spans more than six decades The past twenty years has been a particularly busy period in the organization s development given the transition from international to global health cooperation and thus the need to adapt to major changes in its operating environment Consequently the WHO has been a direct part of new institutional arrangements and has shared in increased funding to

provide for global health It has also had to adapt its activities and programs in response to rival initiatives leading to many changes not only to the names of specific parts of the WHO but also to the nature of their activities This second edition explores the organization s institutional complexity Back cover

Historical Dictionary of International Organizations in Asia and the Pacific Derek McDougall,2014-10-01 Historical Dictionary of International Organizations in Asia and the Pacific Second Edition covers global international and regional organizations in Asia and the Pacific and encompasses both governmental and non governmental organizations This second edition covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities thematic topics and major international issues affecting the region This book is a valuable tool for anyone seeking details about international organizations in Asia and the Pacific and the international context within which those organizations function

Historical Dictionary of International Organizations in Africa and the Middle East Terry M. Mays,2015-06-18 The Historical Dictionary of International Organizations in Africa and the Middle East focuses on international organizations in Africa And the Middle East This makes sense for political cultural and geographical reasons North African countries and many located in the Sahel region are members of not only African but also Middle Eastern international organizations due to their cultural and religious heritage as well as geographic location between Sub Saharan Africa and the Middle East A limited number of global organizations are also included in this book when they have major programs focusing on Africa and or the Middle East This volume emphasizes intergovernmental organizations but many non governmental organizations are also included This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities thematic topics and major international issues affecting the region This book is an excellent access point for students researchers and anyone wanting to know more about this subject

Encyclopedia of War Crimes and Genocide Leslie Alan Horvitz,Christopher Catherwood,2014-05-14 Entries address topics related to genocide crimes against humanity and peace and human rights violations profile perpetrators including Joseph Stalin Pol Pot and Idi Amin and discuss institutions set up to prosecute these crimes in countries around the world

Economic Integration and Development in Africa Henry Kyambalesa,Mathurin C. Hounnikpo,2016-04-29 The debates over what African economic integration and development actually entails continue across international economic organizations national governments and NGOs Despite the glare of media attention and the position this issue has on international political agendas few comprehensive accounts exist that fully examine why this process will be inevitable in the 21st century and how integration of national economies can be attuned to attaining the socio economic goals and aspirations of member countries This book addresses this problem It combines theory with application enumerating the imperatives and initiatives governments will be forced to confront providing insights for educators and students in African development for policy makers in African governments and for inter governmental

organizations Special Bibliography Series ,1957 **Historical Dictionary of International Organizations** Michael G. Schechter,1998-11-13 Provides an overview of the major international organizations IOs both intergovernmental and international nongovernmental of the twentieth century While the emphasis is on organizations which continue to operate today important organizations that have ceased to operate are also included **Choice** ,2009 **Communicating during Humanitarian Medical Crises** Marouf Hasian Jr.,2019-03-18 The Promise and Perils of Silence or Temoignage During Humanitarian Crises provides readers with a nuanced study of what happens when historical and 21st century medical humanitarian communities armed with their idealistic rhetorics choose whether to speak out or remain silent during various military or medical crises The author uses a series of case studies from the late nineteenth century to the early twenty first century to illustrate the politicized nature of these decisions Unlike some that focus on the prescriptive need to follow certain universal medical humanitarian principles during crises this book highlights the precarious nature of what some scholars call medical advocacy witnessing or what the French call t moignage The author argues that regardless of whether we are talking about lack of action during colonial crises or the Holocaust it is oftentimes the lack of political will that determines how like neutrality or impartiality are interpreted The book also acquaints readers with some of the challenges that have been recently posed to the new humanitarian Doctors Without Borders personnel who have witnessed the targeting of medical hospitals and clinics What researchers call the weaponization of medical care affects many in need living in places like Afghanistan Iraq Yemen or Syria The author concludes the book by underscoring the point that it is the presence or absence of political will and not the inherent epistemic value of medical humanitarian principles that dictates when this advocacy succeeds or fails
