Historical Dictionary of Gabon Douglas A. Yates, 2017-12-28 This new fourth edition of the Historical Dictionary of Gabon brings up to date the political affairs of the country since the accession to power of Ali Bongo eldest son of Omar Bongo the former president for life who died in 2009 after the publication of the third edition Themes of continuity and change are present throughout the entries not only as the Bongo family continues its half century of dynastic rule there are a dozen Bongos in this new edition but as the rare primeval tropical rainforests continue to dominate the landscape yet are menaced by destructive logging and palm oil plantations and as this former French colony after independence continues to collaborate with the French African sphere of influence yet seeks new partners from America and Asia China Singapore and as the

country's numerous ethnic groups perpetuate a multicultural mosaic that is nevertheless threatened by globalization of communications and cultural convergence This fourth edition of Historical Dictionary of Gabon contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Gabon

Historical Dictionary of Democracy

Norman Abjorensen, 2019-06-15 Democracy is easy to talk about but hard to define in other than broad generalizations its history is a long complex and contested subject What this volume seeks to do is to explore the general evolution of political and social thinking that would eventually coalesce into what we now know as democracy for all its imperfections and shortcomings The question of just why some societies evolved into a democratic trajectory and others did not continues to engage the interest of historians political scientists sociologists and anthropologists Much conjecture surrounds the rise of certain elements we now recognize if not as democratic then proto democratic such as collective decision making constraints on the exercise of power and a degree of accountability of the ruler to the ruled If democracy in the sense of rule by the people has two essential qualities rule by the majority and the equal treatment of free citizens then its origins however feeble are to be found in these early examples of government Historical Dictionary of Democracy contains a chronology an introduction a glossary and an extensive bibliography The dictionary section has over 600 cross referenced entries This book is an excellent resource for students researchers and anyone wanting to know more about democracy

Historical Dictionary of Niger Rahmane Idrissa, 2020-02-26 Niger is a crossroad the gate to the outside for West Africans and the port of entry into West Africa for cross Saharan tidings and travelers It remained for centuries the largely uncontrolled periphery of the large empires of the western Sudan and the market cities of the central Sudan In these two ways the land forged a very distinctive identity a fluid blend of diverse communities which make up a nation of marginal cosmopolitans a paradox illuminated in this book This fifth edition of Historical Dictionary of Niger contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Niger

Historical Dictionary of the French Revolution Paul R. Hanson, 2015-01-15 The French Revolution remains the most examined event or period in world history It was most historians would argue the first modern revolution an event so momentous that it changed the very meaning of the word revolution from restoration as in the Glorious Revolution of 1688 in England to its modern sense of connoting a political and or social upheaval that marks a decisive break with the past one that moves a society in a forward or progressive direction No revolution has occurred since 1789 without making reference to this first revolution and most have been measured against it One cannot utter the date 1789 without thinking of revolution and so significant were the changes unleashed in that year that it has come to mark the dividing line between early modern and late

modern European history Kings This second edition of Historical Dictionary of the French Revolution covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 400 cross referenced entries on the causes and origins the roles of significant persons crucial events and turning points important institutions and organizations and the economic social and intellectual factors involved in the event that gave birth to the Declaration of the Rights of Man and Citizen This book is an excellent access point for students researchers and anyone wanting to know more about this period **Historical Dictionary of Napoleonic France, 1799-1815** Owen

Connelly,1985-05-24 This work contains much information on a colorful period in history It will be welcomed in academic and public libraries Reference Books Bulletin **Historical Dictionary of Niger** Abdourahmane Idrissa,Samuel

Decalo,2012-06-01 The fourth edition of the Historical Dictionary of Niger covers the history of the peoples of the Republic of Niger from medieval times to the present This is done through a chronology an introductory essay and an extensive bibliography The dictionary section has over 700 cross referenced entries covering elements of pre colonial and colonial history recent politics cinema literature religion economics and finance This book is an excellent access point for students researchers and anyone wanting to know more about Niger **Reference Sources in History** Ronald H. Fritze,Brian E.

Coutts,Louis A. Vyhnanek,2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites *The History of France* W. Scott Haine

Ph.D.,2019-05-24 Few nations have such a long and rich history as France This indispensable volume covers political economic and cultural milestones throughout its long and fascinating history From Gothic cathedrals to rap and hip hop France is at the intersection of the worlds of Northern Europe and the Mediterranean and it continues to renew the democratic model of politics Having weathered the storms of the first half of the 20th century France has helped to curb the recent global march of right wing nationalism while economically France ranks among the U S China Japan Germany and Great Britain as one of the most powerful economies in the world The History of France is up to date and concise yet comprehensive offering a readers a current narrative history of France Engagingly written for students and general readers alike it brings to life the compelling history of this fractious and fascinating country Chronological chapters examine the history of France through the first year and a half of Emmanuel Macron s presidency A timeline and appendix of Significant
