## History Of Al Tabari:

Ta'rikh Al-rusul Wa-al-muluk, 19??      The History of al-Ṭabarī Vol. 1 Abū Ja'far Muḥammad ibn Jarīr al-Ṭabarī, 1988-01-01 Volume I of the thirty eight volume translation of abar s great History begins with the creation of the world and ends with the time of Noah and the Flood It not only brings a vast amount of speculation about the early history of mankind into sharp Muslim focus but it also synchronizes ancient Iranian ideas about the prehistory of mankind with those inspired by the Qur an and the Bible The volume is thus an excellent guide to the cosmological views of many of abar s contemporaries The translator Franz Rosenthal one of the world s foremost scholars of Arabic has also written an extensive introduction to the volume that presents all the facts known about abar s personal and professional life Professor Rosenthal s meticulous and original scholarship has yielded a valuable bibliography and chronology of abar s writings both those preserved in manuscript and those alluded to by other authors The introduction and first volume of the translation of the History form a ground breaking contribution to Islamic historiography in English and will prove to be an invaluable source of information for those who are interested in Middle Eastern history but are unable to read the basic works in Arabic      *The History of Al-Ṭabarī* Tabarī, 1997      *The History of al-Ṭabarī Vol. 4*, 2015-06-11 In this volume abar takes up the history of the ancient world focusing on the Iranians and the Israelites after the time of Solomon He establishes a comparative chronology between the two nations viewing Bahman the Persian king as the son of Esther and his daughter Khumani the mother of Darius abar s synchronization also leads him into a discussion of North and South Arabia in which stories about King Jadhimah Queen Zabba and the tribes of abar and Jadis appear Falling outside the general scheme of the volume are other details These are concentrated in five chapters on the biblical stories of Samson and Delilah and on Jonah commentary on a Quranic passage concerning three divine envoys and on two stories of Christian antiquity the Seven Sleepers and the martyr Jirjis abar presents a mass of Iranian Jewish Christian and Arabian lore in order to create a unified view of the material His treatment of the mythical Iranian kings as they battle Turanians and other foes extends beyond the time of Alexander and his successors to the era of the Gospels John the Baptist and Jesus Tales of the Israelites include the story of Asa and Zerah the Indian remarkable for its development of the Biblical nucleus and variants of the history of the destruction of Jerusalem by Nebuchadnezzar      **Set - History of al-Tabari** Ehsan Yarshater, 2007-06-01 Collecting all forty volumes of The History of al abar      **The History of al-Ṭabarī Vol. 26**, 2015-06-29 The years 738 745 121 127 which this volume covers saw the outbreak in Syria of savage internecine struggles between prominent members of the Umayyad family which had ruled the Islamic world since 661 41 After the death of the caliph Hish m in 743 125 the process of decay at the center of the Umayyad power the ruling family itself was swift and devastating Three Umayyad caliphs al Wal d II Yaz d III and Ibrahim followed Hish m within little more than a year and the subsequent intervention of their distant cousin Marw n b Muhammad the future Marw n II could not arrest the forces of opposition that were shortly to culminate in the Abb sid

Revolution of 750 132 In this volume al abar deals extensively with the end of Hish m s reign providing a rich store of anecdotes on this most able of Umayyad caliphs He also covers in depth the notorious lifestyle of al Wal d II the libertine prince and poet whose career has attracted much scholarly attention in recent years Moreover al abar chronicles at great length the events of the rebellion and death of the Shi ite pretender Zayd ibn Al at al K fah as well as recording in detail the activities farther to the east where Na r ibn Sayy r was serving as the last Umayyad governor of Transoxiana and Khurasan the very area from which the Abb sid Revolution was to spring The text also contains several official letters which shed much light on Umayyad propaganda and on early Islamic epistolary style The hindsight conferred by subsequent centuries highlights the full significance of these half dozen years or so Al abar documents the incubation of the Abb sid Revolution an event of great importance in world history and traces the failure of the principal Shi ite revolt of the eighth century a debacle which was also to have serious repercussions for it generated the foundation of Zaydi principalities in Iran and the Yemen Yet even these major themes are secondary to the epic tale that al abar unfolds of the tragic downfall of the first dynasty in Islam

**al-Ṭabarī Vol. 25** Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī, 1989-01-01 This volume deals with the part of abar s great

History covering the first fifteen years of the caliphate of the Umayyad Hish m ibn Abd al Malik which represents almost the

last period of universal political unity in Islamic history Tabari s work is generally recognized as among the most important

sources for Hish m s reign Here the bitter fighting faced by the Muslim forces on the frontiers receives extensive and graphic

coverage In particular the unrewarding and continuous war against the pagan Turks in Khurasan a struggle that did so much to alienate the troops and thus to spread disaffection with Umayyad rule is recorded in much more detail than elsewhere Military disasters such as the Day of Thirst the Day of Kamarjah and the Day of the Defile are vividly portrayed and also devote considerable attention to the growing internal problems that clouded the latter days of Hish m s rule including the persistent contest for power between the great tribal groupings and the struggle of non Arab Muslims for better status for themselves in the Islamic state The burgeoning fiscal difficulties that threatened the state under Hish m are also highlighted Additionally there are many reports of the earliest Abb sid revolutionary activity This volume is not only essential for the study of the reign of Hish m but also for understanding the background of the Umayyads downfall and the establishment of Abb sid rule laying bare some of the roots of the final breakdown of Islamic political unity A discounted price is available when purchasing the entire 39 volume History of al abar set Contact SUNY Press for more information *The History of al-Ṭabarī Vol. 35* Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī, 1990-07-30 The period covered in this volume is one of the most tumultuous periods of Islamic history In it al abar details with great success the intricate events that shaped real political power in S marr and Baghdad during the middle of the ninth century laying bare the dynamics through which the army generals who were mainly of Central Asian Turkish extraction consolidated their grip on the caliphate The political maneuvering that enabled them to pass the reins of real power to their descendants creating a dynasty parallel to the legitimate caliphal dynasty is also clearly revealed A discounted price is available when purchasing the entire 39 volume History of al abar set Contact SUNY Press for more information **The History of al-Ṭabarī Vol. 6**, 2015-06-11 The sixth volume of the translation of al abar s History deals with the ancestors of Mu ammad with his own early life and then with his prophetic mission up to the time of his Hijrah or emigration to Medina The topics covered mean that this volume is of great importance both for the career of Muhammad himself and for the early history of Islam Al abar was familiar with and made use of the main early source of these matters the Sirah or life of Mu ammad by Ibn Is q a work which is still extant Although his own treatment is briefer than that of Ibn Is q it complements the latter in important ways by making use of other sources Where Ibn Is q gave only the version of an event which he preferred al abar includes any variants which he considered of value Thus he mentions the dispute about the first male to become a muslim Ali or Ab Bakr or Zayd and has also several variant accounts of the call to hostility toward Muhammad from many of the leading Meccans and their attempts to put pressure on his family to stop his preaching The negotiations with the men of Medina which eventually led to the Hijrah are fully described and there is then an account of how Mu ammad escaped an assassination attempt and arrived safely in Medina A concluding section discusses some chronological questions This volume does not merely give a straightforward account of the earlier career of Mu ammad and the beginnings of Islam but also contains valuable source material not easily accessible otherwise or not accessible at all The History of al-Tabari Vol. 6, 1987-08-01 The sixth volume of the

The History of Al-Ṭabarī Ṭabarī, Alex V. Popovkin, Everett K. Rowson, 2007      *The History of al-Ṭabarī Vol. 8* Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī, 1997-01-01. Volume VIII of al-ʿabar's great 40-volume history of the Arabs covers the history of the Muslim community and the biography of Muḥammad in the middle Medinan years. During this period Meccan resistance to Islam collapsed. Muḥammad returned triumphantly to his native city and the Muslim community weathered controversy in Muḥammad's private life. This volume covers the history of the Muslim community and the biography of Muḥammad in the middle Medinan years. It begins with the unsuccessful last Meccan attack on Medina known as the battle of the Trench. Events following this battle show the gradual collapse of Meccan resistance to Islam. The next year when Muḥammad set out on pilgrimage to Mecca the Meccans at first blocked the road but eventually a ten-year truce was negotiated at al-ʿUdaybiyah with Muḥammad agreeing to postpone his pilgrimage until the following year. The Treaty of al-ʿUdaybiyah was followed by a series of Muslim expeditions climaxing in the important conquest of Khaybar. In the following year Muḥammad made the so-called Pilgrimage of Fulfillment unopposed. Al-ʿabar's account emphasizes Islam's expanding geographical horizon during this period. Soon after the Treaty of al-ʿUdaybiyah Muḥammad is said to have sent letters to six foreign rulers inviting them to become Muslims. Another example of this expanding horizon was the unsuccessful expedition to Muṭah in Jordan. Shortly afterward the Treaty of al-ʿUdaybiyah broke down and Muḥammad marched on Mecca. The Meccans capitulated and Muḥammad entered the city on his own terms. He treated the city leniently and most of the Meccan oligarchy swore allegiance to him as Muslims. Two events in the personal life of Muḥammad during this period caused controversy in the community. Muḥammad fell in love with and married Zaynab bint Jaʿsh, the divorced wife of his adopted son Zayd. Because of Muḥammad's scruples the marriage took place only after a Qurʾānic revelation permitting believers to marry the divorced wives of their adopted sons. In the Affair of the Lie, accusations against Muḥammad's young wife ʿIshah were exploited by various factions in the community and in Muḥammad's household. In the end a Qurʾānic revelation proclaimed ʿIshah's innocence and the culpability of the rumormongers. This volume of al-ʿabar's History records the collapse of Meccan resistance to Islam, the triumphant return of Muḥammad to his native city, the conversion to Islam of the Meccan oligarchy and the community's successful weathering of a number of potentially embarrassing events in Muḥammad's private life.
