In Search of Ali Mahmoud Vivian Gornick, 1973 **Baladi Women of Cairo** Evelyn A. Early, 1993 Traditional urban Egyptian women baladi women extol themselves with the proverb A baladi woman can play with an egg and a stone without breaking the egg Evelyn Early illustrates this and other expressions of baladi women's self identity by observing and recording their everyday discourse and how these women who consider themselves destitute yet savvy handle such matters as housing work marriage religion health and life in general *The Odd Woman and the City* Vivian Gornick, 2015-05-19 A contentious deeply moving ode to friendship love and urban life in the spirit of *Fierce Attachments* A memoir of self discovery and the dilemma of connection in our time *The Odd Woman and the City* explores the rhythms chance encounters and ever changing friendships of urban life that forge the sensibility of a fiercely independent woman who has lived out her conflicts not her fantasies in a city New York that has done the same Running steadily through the book is Vivian Gornick's exchange of more than twenty years with Leonard a gay man who is sophisticated about his own unhappiness whose friendship has shed more light on the mysterious nature of ordinary human relations than has any other intimacy she has known The exchange between Gornick and Leonard acts as a Greek chorus to the main action of the narrator's continual engagement on the street with grocers derelicts and doormen people on the bus cross dressers on the corner and acquaintances by the handful In Leonard she sees herself reflected plain out on the street she makes sense of what she sees Written as a narrative collage that includes meditative pieces on the making of a modern feminist the role of the flaneur in urban literature and the evolution of friendship over the past two centuries *The Odd Woman and the City* beautifully bookends Gornick's acclaimed *Fierce Attachments* in which we first encountered her rich relationship with the ultimate metropolis **Area Handbook for Egypt** Richard F. Nyrop, 1976 *Pornography, Sex Work, and Hate Speech* Karen Maschke, 2024-11-01 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women's studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women's legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women **Sex Wars** Lisa Duggan, Nan D. Hunter, 2014-01-27

This book is a collection of essays written during the 1980s and 1990s generated as parts of other larger activist efforts going on at the time. Read together the essays trace the progress of the conversations between different activist groups and between the authors of the pieces. Lisa Duggan and Nan Hunter creating a bridge between feminists, gay activists, those in politics and those in the law. Since the 1995 publication of *Sex Wars* the political landscape has altered significantly. Yet the issues and essays are still relevant today. The anniversary edition contains a new chapter dealing with the changes in the law since the book's publication. *Lawrence v Texas* for example.

Women Writers in the United States Cynthia J.

Davis, Kathryn West, 1996-05-09 *Women Writers in the United States* is a celebration of the many forms of work written and social, tangible and intangible, produced by American women. Davis and West document the variety and volume of women's work in the U.S. in a clear and accessible timeline format. They present information on the full spectrum of women's writing, including fiction, poetry, biography, political manifestos, essays, advice columns, and cookbooks, alongside a chronology of developments in social and cultural history that are especially pertinent to women's lives. This extensive chronology illustrates the diversity of women who have lived and written in the U.S. and creates a sense of the full trajectory of individual careers. A valuable and rich source of information on women's studies, literature, and history. *Women Writers in the United States* will enable readers to locate familiar and unfamiliar women's texts and to place them in the context out of which they emerged.

Her Face In The Mirror Faye Moskowitz, 1995-09-30 A beautiful exploration of the difficult and affirming relationship between mothers and their daughters in the lives of Jewish women.

The End of the Novel of Love Vivian Gornick, 2020-03-03 A finalist for the National Book Critics Circle Award for Criticism that explores the meaning of love and marriage as literary themes in the twentieth century. In *The End of the Novel of Love*, an acclaimed and provocative collection of criticism, Gornick applies the same intelligence, honesty, and insight that define her memoirs to an analysis of love and marriage as literary themes in the twentieth century. She examines the work and lives of several authors she admires, including Grace Paley, Willa Cather, Jean Rhys, George Meredith, Jane Smiley, Richard Ford, and Andre Dubus, to ultimately posit that love, sexual fulfillment, and marriage are now exhausted as the metaphorical expressions of success and happiness. Spanning the depths of common experience and the expanse of twentieth-century literature, Gornick crafts an argument that is as defined by discourse as it is by the power of her language, which is gracefully poised between objective knowledge and subjective experience. In these eleven essays, she comes to see that for most writers like most readers, it is the drama of our angry and frightened selves in the presence of love that is our modern preoccupation. *The End of the Novel of Love* is a strikingly original and thought-provoking collection from a canonical critic. Reading her essays, one is reassured that the conversation between life and literature is mutually sustaining as well as mutually corrective. *The New York Times Book Review*: Small in bulk but large in implication. The book is a pleasure and a stimulus, persuasive, finely wrought, quivering with intelligence. George Scialabba, *Boston Review*. An exceptionally well-written, original, and thought-provoking set of essays.

Business Notes of a Chronic Re reader is Vivian Gornick's celebration of passionate reading of returning again and again to the books that have shaped her at crucial points in her life. In nine essays that traverse literary criticism, memoir, and biography, one of our most celebrated critics writes about the importance of reading and re-reading as life progresses. Gornick finds herself in contradictory characters within D. H. Lawrence's *Sons and Lovers*, assesses womanhood in Colette's *The Vagabond* and *The Shackle*, and considers the veracity of memory in Marguerite Duras's *The Lover*. She revisits Great War novels by J. L. Carr and Pat Barker, uncovers the psychological complexity of Elizabeth Bowen's prose, and soaks in Natalia Ginzburg, a writer whose work has often made me love life more. After adopting two cats whose erratic behavior she finds vexing, she discovers Doris Lessing's *Particularly Cats*. Guided by Gornick's trademark verve and insight, *Unfinished Business* is a masterful appreciation of literature's power to illuminate our lives from a peerless writer and thinker who still reads to feel the power of Life with a capital L.

Approaching Eye Level Vivian Gornick, 2020-03-03. From an acclaimed feminist writer, essays on loneliness, the limitations on friendship and intimacy, honoring the process of becoming oneself. Mary Hawthorne, *The New York Times Book Review*. Seminal essays on loneliness, living in New York, friendship, feminism, and writing from nonfiction. Master Vivian Gornick. Vivian Gornick's *Approaching Eye Level* is a brave collection of personal essays that finds a quintessentially contemporary woman, urban, single, feminist, trying to observe herself and the world without sentiment, cynicism, or nostalgia. Whether walking along the streets of New York or teaching writing at a university, Gornick is a woman exploring her need for conversation and connection with men and women, colleagues and strangers. She recalls her stint as a waitress in the Catskills and a failed friendship with an older woman and mentor, and reconsiders her experiences in the feminist movement while living alone and in marriage. Turning her trademark sharp eye on herself, Gornick works to see her part in things, how she has both welcomed and avoided contact, and how these attempts at connections have enlivened and at times defeated her. First published in 1996, *Approaching Eye Level* is an unrelentingly honest collection of essays that finds Gornick at her best, reminding us that we can come to know ourselves only by engaging fully with the world. *Gripping Library Journal*. Gornick bravely faces and even more remarkably clearly renders loneliness and the ongoing search for human connection. Her prose is sharp, and her characterizations of her friends
