Caputo,2020-10-06 This sparkling collection of essays invites readers to join a seasoned scholar on his journey to catch radical theology in action both in the Church and our culture at large Capturing a career's worth of thought and erudition this rich volume treats readers to creative thought careful argumentation and sophisticated analysis transmitted through the lucid accessible prose that has earned the author a wide readership of academics and non academics alike In tackling radical theology John D Caputo has in mind the deeper stream that courses its way through various historical and confessional theologies upon which these theologies draw even while it disturbs them from within They are well served by this disturbance because it keeps them on their toes When we read about professional theologians losing their jobs in confessional institutions the chances are that by earnestly digging into what is going on in their tradition they have hit upon radical theological rock Unlike modernist dismissals of religion radical theology does not debunk but re-invents the theological tradition Radical theology Caputo says is a double deconstruction of supernatural theology on the one hand and of transcendental reason on the other and therefore of the settled distinctions between the religious and the secular Caputo also addresses the challenge for radical theology to earn a spot in the curriculum given that the radical makes it suspect among the confessional seminaries while the theology renders it suspect among university seminars Journeying from the academy to contemporary American culture In Search of Radical

Theology includes a captivating presentation of radical political theology for the time of Trump This utterly unique volume not only brings readers on an enlightening tour of Caputo's thought but also invites us to accompany the author as he travels into intriguing new territories      A Girl in search of God Aldo Maria Valli,2016-12-20 A captivating story of the adventurous life of Maria Elizabeth Hesselblad 1870 1957 Born in Sweden in a Lutheran family she migrated to the United States where she embraced Catholicism Her life was touched by a longing for God and the desire to be always at the service of the most needy Back to Europe she settled in Rome where she founded the Order of the Most Holy Saviour reviving the spirituality of the great mystic Bridget of Sweden 1303 1373 the Patron Saint of Europe In the year 2000 she was beatified by Pope John Paul II who called her a pioneer of ecumenism and in 2016 she was proclaimed a saint by Pope Francis      *In Search of Paradise* Dr. Manjula K. Patel,2023-12-21 In Search Of Paradise is the saga of courage resilience and resistance of the daredevils of Gujarat India The Kharvas Bhatias Lohanas Patels Baniyas and people from many other communities sailed in search of paradise when India was battling through severe famine and Cholera epidemic Surviving the stormy seas the attacks from the sea pirates the attacks of the wild animals the barbaric attacks from the natives of the then uncivilized dark country through sheer determination they settled down trained the natives to the civilized ways and prospered Sometimes a single Indian opened his shop in the untrodden upcountry attracted and taught the ways of the world to the native people who were like unplowed earth The author was born and brought up in Tanzania taught at a girl's school and is an eyewitness of the development of the country She remembers how during the Second World War the German East Africa was attacked and captured by the British renaming it the British East Africa The stories in the book are authentic and told either by surviving early emigrants or their family members The author interviewed them and collected the stories during her visits to Dar es Salaam
