Franzo Pamphile,2019-02-20 The book you are about to read is very intense with Bible references and will bounce you vigorously from time to time into reading and checking them out The title In the Beginning God is the first in a series of three books that are coming out very soon under the Glimpse series which will study and opine on the first three chapters of the book of Genesis and on different books chapters passages verses and words of the Bible such as grace blood love mercy and lo I am with you always peace humility hell darkness kingdom heaven king servant eternity law resurrection baptism precepts ordinances and understanding It will also study sentences paragraphs sections etc The Glimpse series will bring short writings essays and booklets on a variety of important subjects of the Holy Book The first book is about Genesis chapter 1 Remember what is written on the cover of this book It s just a glimpse The second book is about Genesis chapter 2 and the third will be about Genesis chapter 3 **In the Beginning, GOD** Marva J. Wilfrid J. Harrington,1976 *In the Beginning God* Homer C. Hoeksema,2015 The 1960s were years of challenges to the infallibility and inspiration of scripture These attacks were precipitated by the increasingly popular theory of evolution which was making inroads into Reformed churches and schools In contradiction to this creeping heresy and in unequivocal defense of the doctrine of scripture the Reformed Free Publishing Association published *In the Beginning God* Since then the conflict between creation and evolution as the explanation of the origin of the world has intensified and the doctrine of scripture is increasingly compromised even in historically Reformed churches and schools God s people must be knowledgeable regarding the doctrines of scripture and of creation so that they are able staunchly to defend these truths To this end the Reformed Free Publishing Association is pleased to republish this explanation and defense of these timeless truths In the Beginning, God Joel D. Heck,2011 Dr Heck presents a theological defense of young earth creationism through a straightforward reading of the first chapter of Genesis as narrative history This book works well for topic study on creation and for Old Testament studies on the text of Genesis Much has been written on the creation from the scientific view but little has attempted to explain the text of Genesis 1 A failure to read Genesis 1 as narrative history almost always comes as a result of the reader bringing presuppositions on the assured results of science The first chapter of Genesis must be taken as historical fact **Genesis** Bob Riggs,Carolyn Riggs,Lamp & Quill International,1996 In the Beginning God...
