In The Golden Land:

The Golden Land Di Morrissey, 2012-11-01 The new novel from Australia's favourite writer and author of bestsellers such as *TEARS OF THE MOON* and *THE OPAL DESERT* *In the Golden Land of Dreams* Herbert Kaufman, Hermitage Press, 193? , **American Yiddish Poetry** Barbara Harshav, Benjamin Harshav, 2023-09-01 This book introduces a collection of twentieth century American poetry written in Yiddish aiming to bring this rich cultural and literary heritage to a broader audience It is designed not only for those who understand Yiddish but for all readers of poetry literature and history who seek to discover new themes and texts Yiddish poetry with its roots in cities like New York Chicago Tel Aviv and Vilna engages with major Modernist trends while creating its own unique poetic world The collection emphasizes that despite the language barrier the human topics and artistic achievements of Yiddish poetry are an essential part of global cultural heritage The challenge of conveying the essence of Yiddish poetry to readers unfamiliar with the language is significant but this anthology provides translated works that aim to preserve the original's meaning and poetic form The editors through daily collaboration and the support of several translators and experts have crafted translations that offer a glimpse into the powerful imagery and themes of Yiddish verse By incorporating insights from both poetry and visual art this volume positions Yiddish poetry within the broader landscape of twentieth century American cultural expression ensuring its place in the literary canon This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 **Sing, Stranger** Benjamin Harshav, Barbara Harshav, 2006 *Sing Stranger* is a comprehensive historical anthology of a century of American poetry written in Yiddish and now translated into English for the first time This anthology reveals both an amazing achievement of Jewish creative work and an important body of American poetry **The Sketch**, 1912 **Sweatshop Strife** Ruth A. Frager, 1992-01-01 In the first half of the twentieth century many of Toronto's immigrant Jews eked out a living in the needle trade sweatshops of Spadina Avenue In response to their exploitation on the shop floor immigrant Jewish garment workers built one of the most advanced sections of the Canadian and American labour movements Much more than a collective bargaining agency Toronto's Jewish labour movement had a distinctly socialist orientation and grew out of a vibrant Jewish working class culture Ruth Frager examines the development of this unique movement its sources of strength and its limitations focusing particularly on the complex interplay of class ethnic and gender interests and identities in the history of the movement She examines the relationships between Jewish workers and Jewish manufacturers as well as relations between Jewish and non Jewish workers and male and female workers in the city's clothing industry In its prime Toronto's Jewish labour movement struggled not only to improve hard sweatshop conditions but also to bring about a fundamental socialist transformation It was an uphill battle Drastic
