

To be created in the image OF GOD

1

INTELLECT OR REASON

We are self-conscious, self-critical, and able to assess ourselves. In all of this, we reflect God.

2

MORAL CAPACITY

The prohibition to eat of the tree of the knowledge of good and evil was a moral imperative in which God appealed to man's unique moral consciousness

3

CAPACITY FOR SPIRITUALITY

By grace, we worship God voluntarily and rationally because of our spiritual capacity.

In The Likeness Of God:

Genesis David W. Cotter, 2003 A Michael Glazier book Includes bibliographical references p 339 349 and index God Created Man in His Image and Likeness Oried E. Graves, 2012-10 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don t know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents don t ask God for His spirit for their children is because they don t recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in God s word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will *In the Likeness of God* Philip Yancey, Paul Brand, 2010-10-05 The human body is a likeness of God its design revealing insights into the church the body of Christ For bestselling author Philip Yancey the late Dr Paul Brand the brilliant hand surgeon who devoted his life to the poorest people of India and Louisiana was also a likeness of God living the kind of Christian life that exemplified what God must have had in mind In the Likeness of God combines the complete texts of Fearfully and Wonderfully Made and In His Image both Gold Medallion Award winners which together have sold more than half a million copies into one volume Also included for the first time are eight beautiful litanies of praise on the human body by Dr Brand In Fearfully and Wonderfully Made Dr Paul Brand and bestselling writer Philip Yancey explore the wonder of the human body and uncover the eternal statements that God has made in the very structure of our bodies Their remarkable journey through inner space the world of cells systems and chemistry points to a still deeper unseen reality of God s work in our lives In His Image takes up where the first book leaves off In five sections Image Blood Head Spirit and Pain the authors unlock the remarkable living lessons contained in our physical makeup **The Image and Likeness of God, as the Origin and Destiny of Man** Melvin Edward Johnson, 1954 **Created in God's Image** Anthony A. Hoekema, 1994-09-06 ccording to Scripture humankind was created in the image of God Hoekema discusses the implications of this theme devoting several chapters to the biblical teaching on God s image the teaching of philosophers and theologians through the ages and his own theological analysis Suitable for seminary level anthropology courses yet accessible to educated laypeople Extensive bibliography fully indexed **The Image of God in Man According to Cyril of Alexandria** Walter J. Burghardt, 2008-01-20 **Copying The Image of God (Maturity)** Evangelist W.A. Hutchinson Jarreau, 2022-05-26 Though I was not on the Isle of Patmos as John I

was humbled and moved during the wee hours of April 22 2013 when I saw these words Copying the Image of God Maturity As I sought the Lord concerning what He had shown me He revealed to me His desire from the beginning Genesis for man to have His image I gained insights to teach and share with believers those yet to be saved and all that have an ear to hear what the Spirit is saying to the church on this matter Truly this has been and is the heart of God for mankind everywhere And God said let us make man in our image after our likeness Genesis 1 26a The Lord confirmed the writing of this book during the end time as we prepare for Jesus's return for His church Now in humble obedience and for His Glory we proceed in the name of Jesus with Copying the Image of God Maturity *Made in the Image of God* Reid A. Ashbaucher, 2020-02-13 *Made in the Image of God* is a book that provides key concepts for understanding the nature and personhood of God and mankind while providing deeper insights into how we as human beings relate to God physically emotionally and spiritually in a metaphysical way both now and in the future Within this study there are discussions on such topics as The Nature of God The Nature of Mankind The Trinity and Jesus Christ as God and Man while providing concepts that will help open the door to understanding God's revelation concerning himself as revealed through the Scriptures One reader commented After fifty years of being a Christian and doing lots of Bible study this book gave me the clearest understanding of the Trinity and their interaction with me *Made in the Image of God* is good resource material for supplementing studies in Bible Theology Apologetics Anthropology Metaphysics or Philosophy of Religion Book Excerpts As I stated before God never asks us to do anything that does not take place within the Godhead Remember the words in Scripture Children obey your parents Ephesians 6 1 or Wives submit yourself to your husbands Ephesians 5 22 KJV or Husbands love your wives Ephesians 5 25 These concepts come from God's personal examples and more specifically the Father's love for the Son and Jesus' submission to the Father p 90 In reality mankind is still metaphysically in God's likeness but God's image in mankind has been altered by sin We can no longer duplicate or reflect God's attitudes as we once could do That is we can no longer be holy as God is holy Our morality has been altered and no longer has the capability to duplicate or reflect God's image So what is the answer Can this image be repaired or made whole again The answer is YES Mankind can be made into a new creature in Christ Jesus 2 Corinthians 5 17 and the image mankind once displayed can be restored once again p 149 **God Created Man in His Image and Likeness** Oried E. Graves, 2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don't know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents don't ask God for His spirit for their children is because they don't recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must

recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will The Collected Works of Witness Lee, 1954, volume 4 Witness Lee, The Collected Works of Witness Lee 1954 volume 4 contains messages given by Brother Witness Lee in October through December 1954 Historical information concerning Brother Lee s travels and the content of his ministry in 1954 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into five sections as follows 1 Eight messages given in Taipei Taiwan in October through December These messages were previously published in a book entitled Revelations in Genesis Seeing God s Desire and Purpose in Creation and are included in this volume under the same title 2 Eight messages given in Taipei Taiwan in October through December These messages were previously published in a book entitled Revelations in Genesis Seeing God s Way of Salvation in Man s Fall and are included in this volume under the same title 3 Eighteen messages given in Taipei Taiwan in October through December These messages were previously published in a book entitled Revelations in Genesis Seeing God s Calling in the Experiences of Abraham Isaac and Jacob and are included in this volume under the same title 4 Nine messages given in Taipei Taiwan in October through December These messages were previously published in a book entitled Revelations in Exodus Seeing God s Redemption and the Building of God s Dwelling Place and are included in this volume under the same title 5 Sixteen messages given in Taipei Taiwan in December These messages are included in this volume under the title Revelations in Leviticus through Nehemiah Seeing the Line of Life **Moving beyond Theoria toward Theosis** Justin A. Davis, 2024-06-10 Moving Beyond Theoria Towards Theosis focuses on the telos of man as understood in Plato s theoria envisioned in the allegory of the cave and early Christian reinterpretation of theoria as theosis In his famed allegory of the cave Plato maintains that real life exists beyond our base perceptions of reality and is found in the realm of ideas Theoria is eternal rest in this realm and is understood as the telos of mankind Plato s theoria underwent change as it was reinterpreted under middle Platonic and neo Platonic thought These systems incorporated a more mature idea of the divine than Plato but still minimized the material world This book explores how early Christianity inherited Plato s cosmology and terminology Theoria was also reinterpreted within the Christian context Eventually the term was abandoned for theosis Theosis is beyond theoria as it includes contemplation of the forms as well as union with the source of the forms and the affirmation of the material realm In this volume Justin A Davis shows how the Orthodox use of icons can be key to understanding theosis The icon is a material object that connects to a higher reality and ultimately toward union with the divine Plato s cosmology is collapsed and transfigured in union with the uncreated energy of God Icons are the depiction of spiritual ascesis and the new telos of man theosis Biblical Doctrine John MacArthur, Richard Mayhue, 2017-01-13 Long

Awaited Systematic Theology by Well Known Pastor Author and President of the Master s Seminary Doctrine isn t just for theologians it s important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur s well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why The Image of God in an Image Driven Age Beth Felker Jones, Jeffrey W. Barbeau, 2016-03-08 Humans are created in the image of God yet by choosing to rebel against God we become unfaithful bearers of his image But Jesus who is the image of God restores the divine image in us At the intersection of theology and culture these essays offer a unified vision of what it means to be truly human and created in the divine image in the world today **The Image and Likeness of God. A Sermon [on Gen. I. 26], Etc** Robert Henry GRAY, 1868 Genesis 1-11 Andrew Louth, Thomas C. Oden, 2001-04-03 The creation narrative in the early chapters of Genesis proved irresistible to the church fathers Following the apostle Paul they explored the six days of creation and the profound significance of Adam as a type of Christ the second Adam With comment from Basil the Great Ambrose and Augustine this ACCS volume on Genesis 1-11 opens up a treasure house of ancient wisdom *The Greatest Mystery Ever Revealed: the Mystery of the Will of God* Bishop Michael Lee King, 2011-08-10 The world has rehearsed many stories fables and secrets since the fall of man in an attempt to teach some moral lesson or ethical grace However the greatest mystery ever revealed was first hidden by God Himself in Himself long before the first Adam was formed from the dust of the earth This mystery having been kept secret since the world began was revealed only after the last Adam Jesus Christ died rose ascended and returned as the Comforter on the day of Pentecost This Book 1 begins the four volume journey revealing that Will of God that was made a mystery concluding that Adam and Eve possessed the indwelling Spirit of God

The Imago Dei as Human Identity Ryan S. Peterson, 2016-01-28 Theologians and Old Testament scholars have been at odds with respect to the best interpretation of the imago Dei Theologians have preferred substantialistic e g image as soul or mind or relational interpretations e g image as relational personhood and Old Testament scholars have preferred functional interpretations e g image as kingly dominion The disagreements revolve around a number of exegetical questions How do we best read Genesis 1 in its literary historical and cultural contexts How should it be read theologically How should we read Genesis 1 as a canonical text This book charts a path through these disagreements by offering a dogmatically coherent and exegetically sound canonical interpretation of the image of God Peterson argues that the fundamental claim of Genesis 1:26-28 is that humanity is created to image God actively in the world Made in the image of God is an identity claim As such it tells us about humanity s relationship with God and the rest of creation what humanity does in the world and what humanity is to become Understanding the imago Dei as human identity has the further advantage of illuminating humanity s ontology

Canonically knowledge of the contours and purpose of human existence develops alongside God's self-revelation. Tracing this development, Peterson demonstrates the coherence of the OT and NT texts that refer to the image of God. In the NT, Jesus Christ is understood as the realization of God's image in the world and therefore the fulfillment of the description of humanity's identity in Genesis 1. In addition to its specific focus on resolving interdisciplinary tensions for Christian interpretation of the *imago Dei*, the argument of the book has important implications for ethics, the doctrine of sin, and the doctrine of revelation.

Presbyterian Questions, Presbyterian Answers Donald K. McKim, Presbyterians often have questions about Presbyterian theology and beliefs that are basic to Christian faith itself. Featuring a unique question and answer format, *Presbyterian Questions, Presbyterian Answers* is an accessible and concise treatment that provides a sampling of these questions on important topics and brief but complete answers from a distinguished Presbyterian theologian. Arranged according to doctrinal topics, the book is ideal for individual and group study, church officer training, new member and confirmation classes, and all those who are interested in Presbyterian theology.

Born in His Image, Birthed in His Likeness Donald R. Downing, 2009. The church today is in the midst of an identity crisis. Many members of the body of Christ do not yet know who they really are. Heirs of God and joint heirs with Christ, they nevertheless live defeated lives as spiritual paupers, unaware of their legacy to be born in His image and birthed in His likeness. God's desire is to mold each of His children into masterpieces of His grace, to transform them into the likeness of His Son. A new heart is the key to this transformation. Our hearts must be pure and perfect if we hope to see God, and we receive a new heart only by putting on Christ and allowing Him to transform us into new creatures in His likeness. Our destiny as believers is to be like Him, but we must be totally committed to Him in our heart. Do you want to fulfill your destiny? This book will show you how to leave the mundane behind and ascend to the higher levels of godliness into the very infinite image of Christ to become God's masterpiece. Dr. Donald R. Downing is the apostle for the gospel of the heart message to the nations. As God's heart specialist, he believes that inner heart transformation through faith in Christ is the key to salvation and to fulfilling our destiny as bearers of the image and likeness of Christ. A native of Oklahoma, he now lives in Maryland where he oversees the Coalition of Hearts Churches internationally.

The Mystery of God Clinton Cruickshank, 2022-08-02. In October of 2007, author Clinton Cruickshank began to receive a series of revelations of unaccustomed clarity. Because of the content, he understood these were revelations from God. In *The Mystery of God*, Cruickshank shares these revelations, telling how the Lord reveals Himself to us. In it, he provides the answers to an array of questions that have tantalized humankind for centuries. To explain some of God's puzzling works and acts, Cruickshank created and drew on a variety of new terms and expressions such as the Hologram Principle, the Inverse Hologram Principle, the Infinite Infrastructure, the Primary Receiving Channel (PRC), and the Secondary Receiving Channel (SRC), and many more. *The Mystery of God* also addresses more than three dozen essential questions with answers that reveal His purpose or designs for us and for His kingdom. God explained why He is the alpha and

the omega and defines the difference between himself as God the alpha and himself as God the omega while remaining the same one and only God Cruickshank uncovers the surprising glimpses and tantalizing tastes of a divine view that allows us an extraordinary peek into God s mystery
