characters There is a lot of humour in the novel for the reader to enjoy despite the dark tone of much of the main plot The novel will leave readers with a lot to think about especially in the context of war family trust and loyalty and raises some thorny issues to grapple with *In the Line of Duty* Lisa Arnoux-Brown,2005-07 The power of reasoning and skill make this story exciting as our hero races to rescue his wife from the clutches of a crazed maniac

Principles Governing Line of Duty and Misconduct Determinations in the Army United States. Department of the Army,1968 *Killed in the Line of Duty*,1992 The Federal Bureau of Investigation s Uniform Crime Reports Section selected and analyzed 51 incidents of police officer killings in order to evaluate the psychology of the offender the behavior of the police officer and circumstances in which the police officer lost his or her life The study was conducted over a 3 year period the 51 incidents resulted in the death of 54 police officers and involved 50 offenders Results demonstrated that while no single offender profile could be established most killers of police officers had been diagnosed as having some type of personality disorder Behavioral descriptors of victims were frequently similar in that they were good natured and more conservative than their fellow officers in the use of physical force The incidents themselves revealed that killings were often facilitated by some type of procedural miscue e g improper approach to a vehicle Type of assignment circumstances at the scene of an encounter weapons involved and the environment in which events occurred all played a role in the preponderance of police officer deaths in the South The report presents extensive information on the victims offenders and incidents studied It identifies personality types of offenders provides guidance on how individuals of a given personality type interact with authority figures and offers approaches to interrogation The report also points out specific areas where law enforcement training and procedures may be improved Appendixes contain the study methodology and a description of personality types

Crossing the Line of Duty Neil Root,2019-04-23 The Metropolitan Police of the mid twentieth century in particular The Flying Squad and Obscene Publications Squad has been described as the most routinely corrupt organisation in London Larger than life characters such as Ken Drury and Alfred Wicked Bill Moody routinely fraternised with underworld figures paid off witnesses and struck dodgy deals to get their man regardless of whether he was innocent or guilty And the problem went far beyond a couple of bent coppers in the end fifty officers were prosecuted while 478 took early retirement Using Metropolitan Police files obtained under Freedom of Information which have not been accessed since the 1970s author Neil Root can finally tell the real story of how the Met became systemically corrupt and how Sir Robert Mark who became commissioner of the Metropolitan Police in 1972 finally cleaned it up

Flight Attendants Lost In the Line of Duty B. Elizabeth Chabot,2018-07-18 The pilots were attempting to return to Honolulu but with the failure of both engines on the right wing of the UAL 747 combined with massive structural damage there was a very real possibility that they would be required to ditch The thought of ditching into the ocean in the dark of night is daunting The flight attendants could have secured themselves in their jump seats but instead stood in the aisles to prepare their passengers The roar of the air rushing by at a speed of 190 to

200 knots was deafening in the cabin The flight attendants could only mime the instructions for passengers to look at their Safety Cards and to demonstrate the donning of life vests The Aloha 737 was severely damaged literally now a convertible and was in emergency descent with speeds of 280 to 290 knots The roar of the wind was deafening The forward flight attendant had been sucked out of the cabin as it ruptured The aft flight attendant was seriously injured The mid flight attendant suffering minor injuries and being the only one able rather than securing herself in her jump seat she crawled up and down the aisle calming her passengers and assisting the injured Flight Attendants Lost offers a fascinating look into what went on inside the airplane from actual aircraft accident and incident case studies spanning decades and countries The book covers the intense training the ongoing vigilance the behind the scenes team work and the committed actions of flight attendants in emergency situations It uncovers the complexities of aircraft safety design and makes sense of the reasons behind safety rules and regulations making this book an educational must read for air travellers Flight Attendants Lost is not only an eye opener but is a reassuring read that will make you look at flying differently It is also a beautifully written memorial tribute to the hundreds of flight attendants who over the years have given their lives In the Line of Duty *And Devious the Line of Duty* Tom Godwin,2010-10-01 Sometimes the most diligent and loyal thing an old man can do is fumble drink beer and let a young man get into trouble *Naval Digest* United States.
