

Spring Eye Patterns

Bright, clear and warm colors (such as light brown, green and hazel)

Sunburst design with a golden or white ring surrounding the pupil.

May have flecks and orange/brown dots called jewels as well. (Some sources say this indicates an autumn influence, but other sources say it can either indicate a health issue or that it's just a genetic result of parents with different eye colors.)

A circular doughnut shape like structure called Halo may exist around the pupil.

- If a Warm undertone is dominant, your eye pattern may contain both a halo and speckles.
- If your dominant characteristic is Light, your eye pattern can have a halo and cloudiness.
- If your Bright features are dominant, your eye pattern can contain both spokes/streams and a halo.
- If you have only a halo and you have cool skin undertones, check with summer credentials.

Here are some spring eyes with influence of other season's eye patterns.

The Shaman Series Gregory Drambour, 2019-01-16

Is it your destiny to help people? Perhaps become a healer? Come follow the journey of real world shamanism in three books. Do you feel like you have a gift but are not sure how to use it? Seasoned master shamanic healer and spiritual teacher Gregory Drambour in his 35 year career has guided over 12,000 clients to a better understanding of the code of the spiritual warrior and hundreds into successful healing practices. Now he's sharing his teachings with you through The Shaman Series. You'll discover:

- How to create partnerships with the Tree, Plant, and Rock People
- How to see inside clients to their core issues
- How a shaman is guided in healing clients
- How to merge with your animal totem and develop an intimate partner and friendship
- How to project yourself to another location
- How to listen and act on the wisdom inside you
- How to overcome your own resistance to your healing gifts
- How to clear yourself and clients of blocks and much, much more

The Woodstock Bridge A marvelous adventure I recommend it highly. Richard Carlson, author of *Don't Sweat the Small Stuff*. A lost soul. A man desperate for meaning. Can he discover his inner Warrior and unleash the power to change? Two decades after the heady 60s, John struggles to make sense of his life. With fading optimism, he's unsure if he can ever make a difference in the world. But crossing paths with two Sioux warriors gives him another chance for mentorship and wisdom. As John learns to confront his fears, can he find the passion that makes life worth living?

The Shaman: His Daughter The Shaman: His Daughter contains 18 short stories that explore the special bond between a Shaman and his apprentice daughter, Angel Girl. Come inside and get a close-up view of a shaman in training and a shaman on the ground in the real world, even shopping at Safeway. Through these tender tales, you'll learn how to let Spirit guide to develop and expand your unique healing abilities.

The Lead Guitarist The Sisterhood of the Wolf. You have a special uniqueness inside you; never doubt it. Do you feel there is a talent you were born with but you are not getting a chance to use it? James Ryder, the lead guitarist, is a shaman in his own right in the same vibe as Jimi Hendrix and Jim Morrison, and other musicians who embodied a connection with Spirit. James has seen dreams and mystical happenings throughout the book, and his fiercely soulful guitar playing embodies a deep communication with another world.

The other character, Char Montgomery, is deeply bonded with her Wolf Totem Sister and was adopted by a Native American Crow Elder. She truly walks the path of the shaman. I felt it was important for me as a teacher to bring shamanism into real world situations in all three books. We want to walk the path of the warrior in our daily life. I hope these books reflect that mission.
