Michael G. Dunkley, Jr., 2012-09-25 The Shadow s Beginning is the first volume of many to come The story is based off a comic designed written and illustrated by Michael Dunkley A scientist accidentally creates the first artificial super human It was an abandoned project code named Silver The unknown life form ends up evolving into much more The main character is a new hero with untold possibilities He is the first of a new race called Shadows Follow his story filled with love loss and determination to survive Join the hero s quest and in the end you will understand why it s called the beginning **The Corrupt Shadows** Michael G. Dunkley Jr., 2023-05-05 About the Book The Corrupt Shadows is the second volume in the immense Shadow saga Your favorite storyteller is back to continue with more of our hero s adventure The Shadow race is growing with new adversaries friendships and alliances The Corrupt Shadows is filled with more action as the Shadow Runner family becomes what the late Doctor envisioned Follow as BIO TEC declares war on our hero and his team Learn new secrets from the past along with a few mysteries With the team at full strength will they be able to overcome these new challenges Only time will tell At the end you will realize we have only scratched the surface About the Author Author and storyteller Michael G Dunkley Jr is excited to bring part two to his Shadow saga to the world Writing provides him peace in this chaotic world At the end of a day or week he finds time to sit down and reflect putting life into his perspectives and encourages his friends and family Michael G Dunkley Jr is loved and supported by his five beautiful children They drive him to follow his dream and fuel him with ideas **The Romantic Fragment Poem** Marjorie Levinson, 2017-11-01 The fragment poem long regarded as a peculiarly Romantic phenomenon has never been examined outside the context of thematic and biographical criticism By submitting the unfinished poems of the English Romantics to both a genetic investigation and a reception study Marjorie Levinson defines the fragment s formal character at various moments in its historical career She suggests that the formal determinancy of these works hence their expressive or semantic affinities is a function of historical conditions and projections The English Romantic fragment poems share not so much a particular mode of production as a myth of production Levinson pries apart these two dimensions and analyzes each independently to consider their relationship By reconstructing the contemporary reception of such works as Wordsworth s Nutting Coleridge s Christabel and Kubla Khan Shelley s Julian and Maddalo and Keats s Hyperion fragments and juxtaposing this model against dominant twentieth century critical paradigms Levinson discriminates layers phases and kinds of intentionality in the poems and considers the ideological implications of this diversity This study is the first to investigate the English Romantic fragment poem by identifying the assumptions contemporary and belated that govern interpretative procedures In a substantial summary chapter Levinson reflects upon the meaning and effects of these assumptions with respect to the facts and fictions
