Twentieth-Century History: Business and Commerce Frank N. Magill, 2014-04-23 First Published in 2004 Volume II provides the hard facts and the history behind the headlines significant 20th century events in the evolution of all aspects of business and commerce are described in chronologically arranged articles The text of each article is divided into two sections Summary of the Event describes the event itself and the circumstances leading up to it and Impact of the Event analyzes the influence of the event on the evolution of business practice or on a major industry in both the short and long terms Each article concludes with a fully annotated Bibliography *Work Pray Code* Carolyn Chen, 2022-03-08

How tech giants are reshaping spirituality to serve their religion of peak productivity Silicon Valley is known for its lavish perks intense work culture and spiritual gurus *Work Pray Code* explores how tech companies are bringing religion into the workplace in ways that are replacing traditional places of worship blurring the line between work and religion and transforming the very nature of spiritual experience in modern life Over the past forty years highly skilled workers have been devoting more time and energy to their jobs than ever before They are also leaving churches synagogues and temples in droves but they have not abandoned religion Carolyn Chen spent more than five years in Silicon Valley conducting a wealth of in depth interviews and gaining unprecedented access to the best and brightest of the tech world The result is a penetrating account of how work

now satisfies workers needs for belonging identity purpose and transcendence that religion once met Chen argues that tech firms are offering spiritual care such as Buddhist inspired mindfulness practices to make their employees more productive but that our religious traditions communities and public sphere are paying the price We all want our jobs to be meaningful and fulfilling Work Pray Code reveals what can happen when work becomes religion and when the workplace becomes the institution that shapes our souls

Critical Representations of Work and Organization in Popular Culture Carl Rhodes,Robert Westwood,2007-12-21 This book challenges traditional organizational theory looking to representations of work and organizations within popular culture and the ways in which these institutions have also been conceptualized and critiqued there Through a series of essays Rhodes and Westwood examine popular culture as a compelling and critical arena in which the complex and contradictory relations that people have with the organizations in which they work are played out By articulating the knowledge in popular culture

with that in theory they provide new avenues for understanding work organizations as the dominant institutions in contemporary society Rhodes and Westwood provide a critical review of how organizations are represented in various examples of contemporary popular culture The book demonstrates how popular culture can be read as an embodiment of knowledge about organizations often more compelling than those common to theory and explores the critical potential of such knowledge and the way in which popular culture can reflect on the spirit of resistance carnivalisation and rebellion
