The Sheikh's Mail-Order Bride Leslie North, Prince Danyal Halabi has always been the black sheep of the royal family with no responsibilities and no plans for the future. And now thanks to his drinking buddies' prank, he's about to prove everyone has been right about him all along. Getting a mail order bride was just a lark, something his friends laughingly convinced him to do after he'd had one too many. But what started out as a joke is now standing at the palace's front door with a toddler in tow. Yes, Jayne Barnes is just as beautiful in person as she is in her profile picture, but does she really expect him to marry her? And could their contract be binding? Danyal enjoys his life as a playboy and the thought of being a father to Jayne's son and opening himself up to any woman is terrifying. There's no way he's getting married. But his older brothers have different ideas. Desperate times call for desperate measures, which was how Jayne got herself and her son Noah into this mess. With no home and a near-empty bank account, this mail order bride business was a Hail Mary that actually worked. Well, would have worked if the prince had been serious about marrying her. Now she's stuck here in Al Mifadhir at least until the lawyers figure out if the contract they signed is valid. In the meantime, to avoid yet another scandal for the royals, she's agreed to have a fake courtship to silence the gossips and appease Danyal's brothers. Spending time with a hot prince isn't too much of a sacrifice. Besides, her son has bonded to Danyal in a way that is as heartwarming as it is worrisome. There's no denying Danyal is charming and spectacularly sexy. But he's hiding something vital from her, and now Jayne has to decide if this man is worth staying for.

SONS OF THE DESERT *The Sheikh's Fierce Fiancée* Leslie North, Sheikh Issam doesn't have time to find a bride. He'd rather a sign would appear to him, signaling the perfect woman and save him the trouble of finding her. However, he didn't foresee the sign being the sister-in-law of his rival nation's president crashing into the holiest temple in his country. Now he and the fearsome beauty must find a way to circumvent the ancient religious law that demands her death, or he'll face war on three fronts. Mackenzie came to Al Dashalid with a mission: save the women's shelter that had taken root in a disputed fort between Al Dashalid and her brother-in-law's country. With war growing more likely every day, she doesn't have time to waste arguing her way out of an unjust death sentence. She's ready to sit down with Sheikh Issam and make sure he understands that the safety of the women and children in the shelter is more important than his alpha male posturing. What Mackenzie isn't ready for is Issam offering her the perfect outcome: marriage. Members of the royal family are exempt from prosecution of holy law. He'll meet his marriage deadline, and she'll have his ear about the disputed fort and its vulnerable occupants. It seems perfect. Now if only she could get him to listen.
