Franchising Dreams Peter M. Birkeland, 2004-02-01 McDonald's Blockbuster Video Jiffy Lube Subway Franchising has become an ever present feature of the American landscape One third of the U S gross domestic product flows through franchises and one out of every sixteen workers is employed by one But how did franchising come to play such a dominant role in the American economy What are the day to day experiences of franchisees and franchisers in the workplace What challenges and pitfalls await them as they stake their claim to prosperity These are just a few of the questions explored in Franchising Dreams a documentary like look into the frustrations and uncertainties that entrepreneurs face in their pursuit of the American dream Peter M Birkeland worked for three years in the front line operations of franchise units for three companies met with CEOs and executives and attended countless trade shows seminars and expositions All this firsthand experience gave him unprecedented access to the hopes and aspirations of franchisees His book closely traces different franchisees and follows them as their dreams of wealth and independence buckle beneath the weight of frustrating logistics and contractual technicalities Through extensive interviews and research Birkeland not only discovers what makes franchisees succeed or fail he uncovers the difficulties in running a business according to someone else's system and values Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers he uncovers the numerous challenges that franchisees face in making their businesses succeed [The Perfect Franchise](#) Mark Schnurman, 2022-03-27 The Perfect Franchise is the one book you need to read if you are considering franchising Mark Schnurman is one of America's top franchise consultants and the founder of Franchising Force Mark outlines a clear process for finding the perfect franchise In straightforward language he explains how to decide whether franchising is right for you determine which franchise will optimize your chances of success conduct due diligence fund your franchise investment live the life you dream about To have a great career and a great life you must choose great over good enough Change takes intention effort and overcoming fear If you want to be your own boss this is the book for you **The Franchising Handbook** Carl Reader, 2016-07-14 Most small business books focus on what it takes to start a small business and not what it takes to start a franchise At best these books might allocate a single chapter to the concept of franchising and at worst the author presumes that franchises are the same as any other business start up The world of franchising has its own nuances and advice that works for 99% of start ups would not apply to franchising In fact well meaning advice can often be detrimental to potential franchisees This book is focused on making sure that potential franchisees are aware of the specific journey ahead of them As franchising is a two way business arrangement it includes exactly what franchisors are looking for what can or cannot be negotiated with a franchisor and how best to present yourself to ensure that you win the franchise you want **International Franchising** Dennis Campbell, 2006-10-06 This publication is an index of all articles published in the yearbook from its first year 1977 to 2004 **Australian Franchising Code of Conduct** Peter Buberis, 2020-01-21
