It examines his treatment of such locations as Paradise, Egypt, and the bridegroom's chamber, and his reformulation of central monastic issues as navigations within spiritual landscapes.

Christ-faith and Abraham in Galatians 3-4 Johnathan F. Harris, 2023-09-25. On what basis are Gentile Christians justified and full inheriting members of Abraham's family? By being circumcised and keeping the Torah, Paul answers by reinterpreting the Abraham narrative in light of the Christ event as a story of two siblings. True Abrahamic children are those whose Spirit wrought life arises as God promised Abraham from the event of Christ faith. Like Isaac, they receive the life-giving power of the Spirit that is tethered to God's promise and the event of eschatological faith. By contrast, those who like Ishmael are related to Abraham only by means of the flesh; they are slaves and not heirs.
