Historic Churches in Texas, William, 2020-09-18 Before independence from Mexico in 1836 the Catholic faith was the only religion settlers in Texas known as Texians could legally practice To acquire land in Texas then a part of Mexico known as Coahuila y Tejas one had to be a member of the Roman Catholic Church or agree to convert to Catholicism Although a few Protestant church buildings were erected before Texas's independence in 1836 most were erected after 1836 because of Mexico's strict laws prohibiting and often severe punishment for practicing any faith other than Catholicism The few Protestant church buildings that were erected prior to Texas independence were usually erected along the margins of Texas in the more remote regions of North and East Texas distancing themselves from Mexico's center of government in San Antonio The first Protestant church established in Texas that has been in continuous service was organized by the Reverend Milton Estill in 1833 as the Cumberland Presbyterian Church in Old Shiloh a small community located about four miles north of Clarksville In 1848 the Shiloh Cumberland Presbyterian Congregation joined with the Presbyterian congregation in Clarksville to become the First Presbyterian Church Clarksville The First Presbyterian Congregation in Clarksville is recognized as the oldest Protestant church in continuous service in the state of Texas After Texians won their independence in 1836 religious congregations began to meet openly and to build houses of worship Most of these early church buildings were poorly built and did not survive the ravages of time Eventually stronger buildings were erected But even then with open fireplaces and wood burning stoves providing heat and candles or kerosene lanterns providing the primary source of light church buildings were often destroyed by accidental fires In addition with time congregations often outgrew their vintage church buildings or could no longer afford the high cost of maintaining the older outdated buildings As a result congregations abandoned them to erect larger and often more elaborate edifices Once abandoned the old church buildings were razed or if left standing rapidly deteriorated Over the past twelve years my wife and I have visited and photographed almost one thousand historic churches in Texas Photographing these historic church buildings and learning about the pioneers that often at great risk founded and maintained them has been a project of love Visiting these historic churches and meeting the people that maintain them today has been inspirational Historic Texas Churches Cordelia Brown McFall, 1971 History of Texas churches *Historic Churches of Texas* Frank A.
