History Of Jaipur:

A History of Jaipur Jadunath Sarkar, 1984 Eminent Historian Sir Jadunath Sarkar Extensively Traces The History Of The Kachhawa House Of Jaipur The Development Of The State And Its Interaction With The Mughals And The British The History Was Written In 1939 40 But Is Being Published Now For The First Time **History of the Jaipur City** Ashim Kumar Roy, 1978 *Raj Rhapsodies: Tourism, Heritage and the Seduction of History* Maxine Weisgrau, Carol Henderson, 2016-03-23 Heritage is a prized cultural commodity in the marketing of tourism destinations Particular aspects of heritage are often more actively promoted with others played down The representation of heritage in tourism as static and timeless derived since time immemorial from a distant past is seductive In Asia a major part of the tourism market lies in the sale and consumption of highly orientalized images and versions of culture and history In India s marketing discourse the state of Rajasthan symbolizes the nation in its heritage laden traditional and most authentic form These images draw heavily on the British period in India the Raj In one sense this vision of Rajasthan is ennobling highlighting moments of cultural pride In another sense it demeans by omitting and obscuring salient features of contemporary life This fascinating book explores the cultural politics of tourism through interdisciplinary perspectives Carol E Henderson and Maxine Weisgrau demonstrate that tourism heritage privileges elite histories that recapitulate colonial relationships compelling non elites to collude in these narratives of subordination even as they advance their own alternative visions of history *Politics and Religion in Eighteenth-Century India* Sachi Patel, 2021-10-01 This book explores the contribution of Gau ya Vai ava theology to polity and public engagement during the reign of Jaisingh II in the early eighteenth century in North India The book analyses specialised treatises produced by the Gau ya Vai avas which provide theological foundations to endorse and encourage responsible public conduct Using a two fold approach the book offers a close reading and examination of Sanskrit primary sources combined with an exploration of the key themes in these works in light of the wider political context These works were born in a precise historical context thus to fully appreciate these works this book adopts an approach that smudges the boundaries between history religion and politics It provides a historical account of the rise of the Kachv h clan to become the chief partners of the Mughal regime exploring the effects reign and governance of the celebrated Kachv h King Jaisingh II and examines the Gau ya Vai ava community s trials and tribulations as they entered an intensely political world A detailed analysis of a fascinating period within Gau a Vai va history this book will be of interest to scholars in the fields of South Asian Studies Indology Religious Studies South Asian History and Hindu Studies **A Comprehensive History of India: 1712-1772**, 1978 The Colonial Origins of Ethnic Violence in India Ajay Verghese, 2016-03-02 The neighboring north Indian districts of Jaipur and Ajmer are identical in language geography and religious and caste demography But when the famous Babri Mosque in Ayodhya was destroyed in 1992 Jaipur burned while Ajmer remained peaceful when the state clashed over low caste affirmative action quotas in 2008 Ajmer s residents rioted while Jaipur s citizens stayed calm What

explains these divergent patterns of ethnic conflict across multiethnic states Using archival research and elite interviews in five case studies spanning north south and east India as well as a quantitative analysis of 589 districts Ajay Verghese shows that the legacies of British colonialism drive contemporary conflict Because India served as a model for British colonial expansion into parts of Africa and Southeast Asia this project links Indian ethnic conflict to violent outcomes across an array of multiethnic states including cases as diverse as Nigeria and Malaysia *The Colonial Origins of Ethnic Violence in India* makes important contributions to the study of Indian politics ethnicity conflict and historical legacies Mediaeval History of Rajasthan: Western Rajasthan Rajvi Amar Singh,1992 *A Global History of Architecture* Mark M. C. Banerjee and D. K. Ghase ,1978 **India's Kathak Dance in Historical Perspective** Margaret E. Walker,2016-05-23 Kathak the classical dance of North India combines virtuosic footwork and dazzling spins with subtle pantomime and soft gestures As a global practice and one of India s cultural markers kathak dance is often presented as heir to an ancient Hindu devotional tradition in which men called Kathakas danced and told stories in temples The dance s repertoire and movement vocabulary however tell a different story of syncretic origins and hybrid history it is a dance that is both Muslim and Hindu both devotional and entertaining and both

male and female Kathak's multiple roots can be found in rural theatre embodied rhythmic repertoire and courtesan performance practice and its history is inextricable from the history of empire colonialism and independence in India Through an analysis both broad and deep of primary and secondary sources ethnography iconography and current performance practice Margaret Walker undertakes a critical approach to the history of Kathak dance and presents new data about hereditary performing artists gendered contexts and practices and postcolonial cultural reclamation The account that emerges places Kathak and the Kathaks firmly into the living context of North Indian performing arts *A Brief History of Jaipur* Bahadur Thakur Narendrasingh Rau, 1939
