In The Absence Of The Sacred

Preston M. Browning Jr.

In The Absence Of The Sacred:

In the Absence of the Sacred Jerry Mander, 1991 Mander goes beyond television which he proclaimed as being dangerous to personal health and sanity in Four Arguments for the Elimination of Television to critique our technological society as a whole challenge its utopian promises and track its devastating impact on native cultures worldwide Will interest all readers concerned about our environment and quality of life Publishers Weekly

Struggling for the Soul of Our Country Preston M. Browning Jr., 2016-05-20 Struggling for the Soul of Our Country is a book in search of answers what does it mean to struggle for the soul of a country and how does the life of citizenship influence our common future While discussing major cultural and political issues Browning addresses the deeper questions haunting many of our citizens and reflects upon the spiritual dimension of the crises America faces today With titles such as American Global Hegemony vs the Quest for a New Humanity Why I Am a Christian Socialist and American Dystopia these essays examine aspects of American political and cultural life in an effort to shed light on the pathologies that Browning claims undermine the health of the country s soul This book invites the reader to examine the development of America as a militaristic empire initiating multiple wars abroad including a disastrous war in Iraq and fostering at home a culture of violence that led to the assassination of an American president John F Kennedy by agents of the US government

The Soul's Upward Yearning Robert Spitzer, S.J., Ph.D., 2015-10-03 Western culture has been moving away from its Christian roots for several centuries but the turn from Christianity accelerated in the 20th century At the core of this decline is a loss of a sense of our own transcendence Scientific materialism has so seriously impacted our belief in human transcendence that many people find it difficult to believe in God and the human soul This anti transcendent perspective has not only cast its spell on the natural sciences psychology philosophy and literature it has also negatively impacted popular culture through the writings of Richard Dawkins Daniel Dennett and many others The warning signs of this loss of transcendence have been expressed by thinkers as diverse as Carl Jung psychiatrist Mircea Eliade historian of religion Gabriel Marcel philosopher C S Lewis and J R R Tolkien These warnings were validated by a 2004 study in the American Journal of Psychiatry which showed that the absence of religion alone was responsible for a marked increase in suicide rates sense of meaningless substance abuse separation from family and other psychiatric problems Thus the loss of transcendence is negatively affecting not only individuals sense of happiness dignity ideals virtues and destiny but also the culture Ironically the evidence for transcendence is greater today than in any other period in history The problem is this evidence has not been compiled and propagated Fr Spitzer s book provides a bright light in the midst of this cultural darkness by presenting both traditional and contemporary evidence for God and a transphysical soul from several major sources He also shows how human consciousness and intelligence is completely special and cannot be replicated by artificial intelligence or animal consciousness We are transcendent beings with souls capable of surviving bodily death self reflective beings aware of perfect truth love goodness and beauty We are beings with an unrestricted

capacity to know and create science law culture art music literature and so much more The evidence reveals that we have the dignity of being created in the very image of God and if we underestimate it we will undervalue one another underlive our lives and underachieve our destiny This work is the most comprehensive treatment of human transcendence available today

Winning Revolutions J. Harold Ellens,2013-11-26 The product of 35 senior scholars research these volumes examine the psychology driving the religious political and economic forces that cause turbulence and violence in human society Religious political and economic revolts have defined the human experience throughout history These kinds of universal turbulence continue to be the dominate source of human suffering and perplexity during the first decade of the 21st century What can intensive study of the psychodynamics of cultural and social eruptions tell us that may serve to move cultures around the world beyond ongoing strife This work seeks to find out examining the spectrum of cultural and social eruptions from ancient Jewish Christian and Muslim revolutions to the modern day economic and political turbulence in Eastern Europe the Near East and Latin America The breadth of this three volume set ranges from the 12th century BCE to the current struggles in Iraq Afghanistan and Syria and from the irrational violence of the French Revolution to the genuine quest for liberty of the American Revolution and the Singing Revolutions in the Baltic States in recent decades Each volume is introduced with a description of its philosophical perspective and concludes with a brief summarization of the takeaways of the research presented

Ecotheology in the Humanities Melissa Brotton,2016-05-20 This book is a collection of essays about the interaction between God humans and nature in the context of the environmental challenges and Biblical studies Chapters include topics on creation care and Sabbath sacramental approaches to earth care classical and medieval cosmologies ecotheodicy how we understand the problem of nonhuman suffering in a world controlled by a good God ecojustice and how humans help to alleviate nonhuman suffering The book seeks to provide a way to understand Judeo Christian perspectives on human to nonhuman interaction through Biblical literary cultural film and music studies and as such offers an interdisciplinary approach with emphasis on the humanities which provides a broader platform for ecotheology

The Canon of the Old Testament Herbert Edward Ryle,1892 **On the Darkness of Will** Nicola Masciandaro,2019-02-01T00:00:00+01:00 For the will desires not to be dark and this very desire causes the darkness Jacob Boehme Moving through the fundamental question of this paradox this book offers a constellation of theoretical and critical essays that shed light on the darkness of the will its obscurity to itself Through indepth analysis of medieval and modern sources Augustine Pseudo Dionysius Eriugena Dante Meister Eckhart Chaucer Nietzsche Cioran Meher Baba this volume interrogates the nature and meaning of the will along seven modes spontaneity potentiality sorrow matter vision eros and sacrifice These multiple lines of inquiry are finally presented to coalesce around one fundamental point of agreement the will says yes yet only a will that knows how to say no to itself entering the silence of its own darkness will ever be free

DanceHall Sonjah Stanley Niaah,2010-10-27 DanceHall combines cultural geography performance studies and cultural

studies to examine performance culture across the Black Atlantic Taking Jamaican dancehall music as its prime example DanceHall reveals a complex web of cultural practices politics rituals philosophies and survival strategies that link Caribbean African and African diasporic performance Combining the rhythms of reggae digital sounds and rapid fire DJ lyrics dancehall music was popularized in Jamaica during the later part of the last century by artists such as Shabba Ranks Shaggy Beenie Man and Buju Banton Even as its popularity grows around the world a detailed understanding of dancehall performance space lifestyle and meanings is missing Author Sonjah Stanley Niaah relates how dancehall emerged from the marginalized youth culture of Kingston s ghettos and how it remains inextricably linked to the ghetto giving its performance culture and spaces a distinct identity She reveals how dancehall s migratory networks embodied practice institutional frameworks and ritual practices link it to other musical styles such as American blues South African kwaito and Latin American reggaeton She shows that dancehall is part of a legacy that reaches from the dance shrubs of West Indian plantations and the early negro churches to the taxi dance halls of Chicago and the ballrooms of Manhattan Indeed DanceHall stretches across the whole of the Black Atlantic s geography and history to produce its detailed portrait of dancehall in its local regional and transnational performance spaces

The Messianic Commons David Benjamin Blower, 2024-11-29 Messianic stories run through the Abrahamic faiths and many others besides Messianism is the religion of the oppressed the faith of those whose struggle compels them toward alternative futures Messianism has also become a watchword for visionaries of radical politics far beyond confessional religious spaces These sketches explore how we might encounter ourselves differently in the dim light of that illusive figure how we might reimagine ourselves as ecological creatures economic agents and as beings who dance differently with power and life amidst the many threads of messianic folklore *A Poetics of Jesus* Jeffrey F. Keuss, 2018-10-24 This title was first published in 2002 A Poetics of Jesus explores the act of writing within and between the boundaries of 19th century biblical criticism and fiction Reflecting on the work of Christian poetics after Augustine to Baur Feuerbach Friedrich Strauss and Victorian novelists of the eighteenth and nineteenth century this book breaks new ground in juxtaposing the evoked image of Christ arising from Victorian biblical criticism against the image of Christ within fiction letting both these images and the words that figured them interact This book offers a highly accessible introduction to 19th century literature and theology through comparisons made to contemporary post modern theorists Demonstrating how literature can inform theology without itself becoming theology this book constitutes an important contribution to the literature theology debate and a much needed contribution to contemporary Christology through its introduction to the literature and the writers central to the beginnings of the historical quest for Jesus

Struggle for the Land Ward Churchill, 2002-09 Landmark work illustrates the history of North American indigenous resistance and the struggle for land rights *Weaving Ourselves into the Land* Thomas Parkhill, 1997-01-01 Examines how both negative and positive stereotypes of the Indian have influenced the study of Native American religions *Community, Myth and Recognition in*

Twentieth-Century French Literature and Thought Nikolaj Lübecker, 2009-01-01 Monograph analyzing the relationship between literature thought and community in mid 20th century France

Coming of Age the RITE Way David G Blumenkrantz, 2016-05-02 Coming of Age the RITE Way Youth How do we raise our children to be resilient self reliant capable adults who are competent and with compassion that is manifested in civic engagement for social justice The book sets forth guiding principles and clear methods for putting into practice a whole systems approach to youth development through rites of passage The approach involves connecting and enhancing environments and building competencies which promote the positive development of children and youth in their families in their schools among their peers in their community and with a strong connection to the natural world It provides extensive narratives and case studies to illustrate how a framework of rites of passage is used to weave a common language throughout the community and links techniques for youth development with prevention identification intervention and treatment and strengthens the fabric of community support

Ritual and Religion in the Making of Humanity Roy A. Rappaport, 1999-03-25 Roy Rappaport argues that religion is central to the continuing evolution of life although it has been displaced from its original position of intellectual authority by the rise of modern science His book which could be construed as in some degree religious as well as about religion insists that religion can and must be reconciled with science Combining adaptive and cognitive approaches to the study of humankind he mounts a comprehensive analysis of religion s evolutionary significance seeing it as co extensive with the invention of language and hence of culture as we know it At the same time he assembles the fullest study yet of religion s main component ritual which constructs the conceptions which we take to be religious and has been central in the making of humanity s adaptation The text amounts to a manual for effective ritual illustrated by examples drawn from anthropology history philosophy comparative religion and elsewhere

Consciousness, Theatre, Literature and the Arts 2013 Daniel Meyer-Dinkgräfe, 2014-06-26 The essays collected in this volume were initially presented at the Fifth International Conference on Consciousness Theatre Literature and the Arts held at the University of Lincoln June 15 17 2013 The conference was organised on the basis of the success of its predecessors in 2005 2007 2009 and 2011 and on the basis of the success of the Rodopi book series Consciousness Literature and the Arts which has to date seen 34 volumes in print with another 12 in press or in the process of being written The 2013 conference and the book series highlight the continuing growth of interest within the interdisciplinary field of consciousness studies and in the distinct disciplines of theatre studies literary studies film studies fine arts and music in the relationship between the object of these disciplines and human consciousness 35 delegates from 12 countries across the world attended the June 2013 conference in Lincoln their range of disciplines and approaches is reflected well in this book

The Enigma of the Gift Maurice Godelier, 1999-02-03 When we think of giving gifts we think of exchanging objects that carry with them economic or symbolic value But is every valuable thing a potentially exchangeable item whose value can be transferred In *The Enigma of the Gift* the distinguished French

anthropologist Maurice Godelier reassesses the significance of gifts in social life by focusing on sacred objects which are never exchanged despite the value they possess Beginning with an analysis of the seminal work of Marcel Mauss and Claude L vi Strass and drawing on his own fieldwork in Melanesia Godelier argues that traditional theories are flawed because they consider only exchangeable gifts By explaining gift giving in terms of sacred objects and the authoritative conferral of power associated with them Godelier challenges both recent and traditional theories of gift giving provocatively refreshing a traditional debate Elegantly translated by Nora Scott *The Enigma of the Gift* is at once a major theoretical contribution and an essential guide to the history of the theory of the gift *Meaning and Salvation in Religious Studies* Douglas James Davies, 1984 Revision of thesis doctoral Nottingham University **Acts of Rebellion** Ward Churchill, 2003-12-16 What could be more American than Columbus Day Or the Washington Redskins For Native Americans they are bitter reminders that they live in a world where their identity is still fodder for white society The law has always been used as toilet paper by the status quo where American Indians are concerned writes Ward Churchill in *Acts of Rebellion* a collection of his most important writings from the past twenty years Vocal and incisive Churchill stands at the forefront of American Indian concerns from land issues to the American Indian Movement from government repression to the history of genocide Churchill one of the most respected writers on Native American issues lends a strong and radical voice to the American Indian cause *Acts of Rebellion* shows how the most basic civil rights laws put into place to aid all Americans failed miserably and continue to fail when put into practice for our indigenous brothers and sisters Seeking to convey what has been done to Native North America Churchill skillfully dissects Native Americans struggles for property and freedom their resistance and repression cultural issues and radical Indian ideologies *Thinking Through Technology* Carl Mitcham, 1994-10-15 This introduction to the philosophy of technology discusses its sources and uses Tracing the changing meaning of technology from ancient times to the modern day it identifies two important traditions of critical analysis of technology the engineering approach and the humanities approach

In The Absence Of The Sacred Introduction

In the digital age, access to information has become easier than ever before. The ability to download In The Absence Of The Sacred has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download In The Absence Of The Sacred has opened up a world of possibilities. Downloading In The Absence Of The Sacred provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading In The Absence Of The Sacred has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download In The Absence Of The Sacred. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading In The Absence Of The Sacred. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading In The Absence Of The Sacred, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download In The Absence Of The Sacred has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About In The Absence Of The Sacred Books

1. Where can I buy In The Absence Of The Sacred books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
