The Country of the Blind and other Selected Stories H. G. Wells,2007-05-31 Herbert George Wells was perhaps best known as the author of such classic works of science fiction as The Time Machine and War of the Worlds But it was in his short stories written when he was a young man embarking on a literary career that he first explored the enormous potential of the scientific discoveries of the day He described his stories as a miscellany of inventions yet his enthusiasm for science was tempered by an awareness of its horrifying destructive powers and the threat it could

pose to the human race A consummate storyteller he made fantastic creatures and machines entirely believable and by placing ordinary men and women in extraordinary situations he explored with humor what it means to be alive in a century of rapid scientific progress **The Country of the Blind, and Other Stories** Герберт Уэллс,2021-12-02 The Country Of

The Country of the Blind H G Wells, 2021-04-26

As I sit writing in my study I can hear our Jane bumping her way downstairs with a brush and dust pan She used in the old days to sing hymn tunes or the British national song for the time being to these instruments but latterly she has been silent and even careful over her work Time was when I prayed with fervour for such silence and my wife with sighs for such care but now they have come we are not so glad as we might have anticipated we should be Indeed I would rejoice secretly though it may be unmanly weakness to admit it even to hear Jane sing Daisy or by the fracture of any plate but one of Euphemia s best green ones to learn that the period of brooding has come to an end Yet how we longed to hear the last of Jane s young man before we heard the last of him Jane was always very free with her conversation to my wife and discoursed admirably in the kitchen on a variety of topics so well indeed that I sometimes left my study door open our house is a small one to partake of it But after William came it was always William nothing but William William this and William that and when we thought William was worked out and exhausted altogether then William all over again The engagement lasted altogether three years yet how she got introduced to William and so became thus saturated with him was always a secret For my part I believe it was at the street corner where

the Rev Barnabas Baux used to hold an open air service after evensong on Sundays Young Cupids were wont to flit like moths round the paraffin flare of that centre of High Church hymn singing I fancy she stood singing hymns there out of memory and her imagination instead of coming home to get supper and William came up beside her and said Hello Hello yourself she said and etiquette being satisfied they proceeded to talk together As Euphemia has a reprehensible way of letting her servants talk to her she soon heard of him He is such a respectable young man ma am said Jane you don t know Ignoring the slur cast on her acquaintance my wife inquired further about this William
