Beale,2014-04 Edwin stood on the bank for a long while watching the elder gentleman splash in the water He waited patiently for some time hoping the old man would return to the

edge of the stream to reclaim the tunic lying on the rocks Finally he realized the old monk was waiting to see if this newcomer would enter the cold stream to join him Edwin gritted his teeth and removed all his clothing except for a loincloth and stepped slowly into the cold water He sucked in his breath quickly as the cold was immediate piercing him to the bone as he moved forward into the stream He finally reached the old man and voiced an incoherent hello in a Tibetan dialect There was no reply and the oldster turned toward the bank and the clothing ignoring Edwin giving no indication he'd heard his words Rasske called out again as the old man slowly continued his way among the boulders toward the bank to reclaim his tunic Finally he splashed and stumbled to reach the old monk and grasped his arm and cried out Old man please do not walk away from me I have travelled halfway across the world to find you and to learn truth from you Please he begged teeth chattering uncontrollably from the penetrating coldness of the water The aged monk turned swiftly and grasped Edwin by the nape of the neck in a fierce grip forcing his head under the water of the stream As he thrashed about in the water he could not break the grip of steel Soon his life flashed before his eyes and he could feel his life ebbing away The old man loosened the hold on his neck and held Edwin's head up as he retched and gagged for air
