Chew,1971 *War of the White Death* Bair Irincheev,2012 On 30 November 1939 Stalin s Red Army attacked Finland expecting to crush the outnumbered ill equipped Finnish forces in a matter of days But in one of the most astonishing upsets in modern military history the Finnish defenders broke the Red Army s advance inflicting devastating casualties and destroying some of the divisions that had been thrown against them Eventually in March 1940 the overhauled Red Army prevailed through the deployment of massive force The Finns were compelled to cede territory and cities to their overbearing neighbour but the moral victory was theirs The courage and skill their army displayed in the face of the Soviet onslaught and the chaotic and reckless performance of their opponents had an important influence on the massive struggle that was about to break out between Nazi Germany and the Soviet Union For this highly illustrated and original portrayal of this famously unequal struggle Bair Irincheev has brought together a compelling selection of eyewitness accounts war diaries battle reports and other records from the Finnish and Russian archives to reconstruct the frontline fighting and he analyses the reasons for the Red Army s poor performance Never before has the harsh reality of the combat in the depths of the northern winter been conveyed in such authentic detail The arduous daily experience of the troops on both sides the brutality of combat and the constant struggle against the elements are recalled in the words of the men who were there AUTHOR Bair Irincheev is an expert on the troubled twentieth century history of Finland and Russia and has made a particular study of the Finnish army during the Winter War and the Continuation War that followed He is based in Helsinki and recently compiled a highly illustrated survey of the Mannerheim Line which was Finland s principal defence against the Soviet Union Among his previous publications is *On the Roads of War A Soviet Cavalryman on the Eastern Front* SELLING POINTS Compelling new account of the Winter War between Finland and the Soviet Union Based on eyewitness testimony was diaries battle reports and other records from the Finnish and Russian archives Authentic portrayal of frontline fighting in the harshest of conditions ILLUSTRATIONS 90 illustrations *White Death* Tony Burch,2001-08 Something is killing people sinking boats and plaguing a small island off the coast of Georgia Top marine scientists and the Coast Guard are brought in The killing continues with no predictability But then the killer makes a fatal mistake when it murders the wrong one thereby bringing a fisherman with a vengeance on its trail and a quest for blood exceeding its own The fisherman finds however this is no ordinary shark in that it cannot be disposed of like any living creature Is it a giant prehistoric shark gone mad for the taste of prey in an ocean with no food left for it Or could it be a mutant created by pollution Or is it the result of the evil springing straight from the soul of mankind *A White Death* S. N. Short,2025-01-21 The whitest snow holds the darkest secrets In the unforgiving expanse of Canada s High Arctic Joel embarks on the scientific expedition of a lifetime dedicated to

unraveling the mysteries of the world's polar bear population amidst the looming climate crisis Eager to prove himself Joel must navigate the treacherous terrain and gain the trust of his fellow researchers But as merciless winter storms isolate the team a sinister force emerges from the shadows Isolation and relentless winter storms descend upon the expedition revealing a harsh reality that transcends the mission Gruesome deaths punctuate the frozen landscape and blame swiftly falls upon the powerful polar bears inhabiting the region However locals speak of a more ancient and malevolent force the return of the White Witch A legendary shape shifter with a taste for the souls of men she leaves a trail of terror by tearing out throats with razor sharp teeth As campfire tales collide with the macabre reality Joel grapples with the unknown The expedition transforms into a harrowing battle against not only the elements but a supernatural entity that defies reason A chilling legend comes to life forcing Joel to confront the blurred line between folklore and truth In this supernatural horror novel the Arctic becomes a battleground between science and ancient myth as Joel races against time to uncover the chilling secrets that haunt the icy wilderness The line between reality and nightmare blurs and as the White Witch claims her victims the expedition transforms into a harrowing struggle for both scientific discovery and survival Will Joel and his team escape the clutches of the Arctic's icy grip or fall prey to a force that transcends the boundaries of legend and reality **Specter of the White Death (Salmon Run - Book 5)** J.A.
