In The Shape Of A Boar:

In the Shape of a Boar Lawrence Norfolk, 2012-06-30 One of the year's most imaginative and challenging novels from the acclaimed author of John Saturnall's Feast Kirkus Reviews starred review Lawrence Norfolk's *In the Shape of a Boar* is a juggernaut of a novel an epic tour de force of love and betrayal ancient myths and modern horrors The story begins in the ancient world of mythic Greece where a dark tale of treachery and destructive love unfolds amid the hunt for the Boar of Kalydon a tale that will reverberate in those same hills across the millennia in the final chaotic months of World War II as a band of Greek partisans pursues an SS officer on a mission of vengeance After the war a young Jewish Romanian refugee Solomon Memel who was among the hunters will create a poem based on the experience which becomes an international literary sensation But the truth of what happened in the hills of Kalydon in 1945 is more complicated than it seems and as the older Sol reunites with his childhood love in 1970s Paris the dark memories and horrors of those days will emerge anew An epic achievement stitching together classical Greek culture and twentieth century barbarism the nature of human evil and the ambiguity of storytelling itself Dazzling San Francisco Chronicle Brilliant and exhaustively researched *In the Shape of a Boar* is a Herculean task accomplished with bravado and style but more than that it's storytelling of the highest echelon The Hartford Courant Wonderfully complex a fascinating story built from layered narrative lines The Washington Post Book World
