Rev. James L. Simmons

In Search Of New Ways To Proclaim The Good News:

LADOC. ,1991 **ThirdWay** ,1997-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Evangelism Outside the Box** Rick Richardson,2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That s what Rick Richardson s book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson s Circles of Belonging a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus **Charism and Mission Since Vatican II** James Chukwuma Okoye,2021-11-03 World and church have changed so much since the Second Vatican Council 1962 1965 With each change religious congregations have had to review and update both their charism and mission with ever new emphases in spirituality and mission The 122 letters of the post Vatican II superiors general of the Spiritans give some idea of the paths traced by missiology during the period They offer a chronicle of missiological thinking through the turbulent time of crisis in the 1960s and early 1970s and the gradual reclaiming of the Spiritans essential charism of the evangelization of the poor but in a very changed world and a very changed church **The Scroll of the Gospel of David** Tony Robinson,2008-06 In John 5 39 and 46 Yeshua Jesus emphatically stated that the Torah was written about Him Furthermore in Luke 24 27 and 44 47 He stated that the following truths were prophesied in the Torah the Prophets and the Psalms He would suffer die be buried in the grave resurrected and finally repentance and remission of sins would be preached in His name among the nations With Yeshua s statements in mind would you be able to find one such prophecy Unfortunately most who believe that Yeshua is the Messiah are hard pressed to point to any such prophecies Even so The Scroll of the Gospel of David will introduce you to an entire world of Messianic prophecy in the Old Testament and will help you understand how the death burial and resurrection of Yeshua in three days is the most prophesied event in the Old Testament Tony Robinson is a writer teacher worship leader and songwriter who has been involved in Messianic ministry for the past seven years He graduated from the University of Illinois with a B S in chemistry and from Kansas State University with a M S in analytical chemistry He is director of Restoration of Torah Ministries a non profit organization established to 1 teach the Hebraic roots of the faith 2 lead

Messianic worship and 3 write Messianic songs that celebrate the Torah Furthermore he is author of the web page Restoration of Torah The web page contains many articles and a complete set of Torah lessons He currently attends Beth Abara Hebraic Assembly in Cleveland TN and lives in Ringgold GA with his wife Tina and four children Sean Evan A J and Erica Restoration of Torah Ministries <http://www.restorationoftorah.org> torahteacher.restorationoftorah.org Toward the Twenty-first Century in Christian Mission James M. Phillips, Robert T. Coote, 1993 This unique volume offers a comprehensive survey of the prospects and critical issues for the Christian world mission The essays written by various mission experts cover such topics as the biblical and theological basis of the mission women in mission urban mission dialogues with other faiths the anthropology of popular religions and more **Evangelization of Hispanic Young People** Carmen María Cervantes, 1995 Evangelization of Hispanic Young People focuses on the evangelization of Hispanic young adults the evangelization process a model of evangelization in small communities and the role of Mary in these evangelizing efforts Resources for further reading a glossary and a subject index are included Numbered paragraphs throughout make it easy to cross reference between the English and Spanish versions **The Living Church**, 1995-07 **The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith **Branded Faith** Rajkumar Dixit, 2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In Branded Faith Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in Branded Faith a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh

methods of communicating the good news to a postmodern society *An Unjust God?* Jacques Ellul, 2012-06-19 First time Translation in English The relationship between Christians and Jews has often been very tense with misunderstandings of Paul's teachings contributing to the problem Jacques Ellul's careful exegesis of Romans 9-11 demonstrates how God has not rejected Israel The title is taken from the verse Is there some injustice in God The answer is a clear no God's election simply expanded outward beyond Israel to reach all peoples of the earth In the end there will be a reconciliation of Jews and Christians within God's plan of salvation Written in 1991 three years before Ellul died *An Unjust God* brings a new understanding to a section of Scripture known for its conventional and limited interpretations One significant feature of the book is Ellul's personal experience of the suffering of Jews under the Nazi regime and this has direct bearing for the way he links the sufferings of Israel with the sufferings of Jesus Ellul is then bold enough to say that a major reason why the Jewish people have not accepted Jesus as Messiah is because the Christian Church has not done well to emulate the Jewish Savior of the world **Harper's New Monthly Magazine**, 1880 **Atkinson's Evening Post and Philadelphia Saturday News**, 1963-10 **The Essential Dale Suderman Reader** Daniel Born, 2024-05-30 The Essential Dale Suderman Reader draws from essays correspondence personal journals and newspaper columns written by one of the most dynamic Mennonite thinkers of his generation A Kansas native Suderman served in the U S Army in Vietnam during the Tet offensive and returned to the United States a committed peace activist His voice embodies both gonzo journalist wit and comic gravitas He saw the world as a country boy and then embraced his Chicago citizenship He would boldly affirm his Christian faith and gay identity To read him is to travel the terrain of war social class men's studies addiction urban street life and political engagement Running through it all is ringing affirmation of friendship as the cardinal virtue and of the timeless pleasures of conversation and introspection This volume will introduce new readers to one of the enduring and unique voices in the American Anabaptist tradition It is essential reading for pastors educators therapists addictions counselors and peace activists It includes eight essays by some of his closest colleagues who grapple with the meaning of his life and achievement Keith Harder Elva Suderman John Kampen Ben Hartley Tim Nafziger Ruth Harder Clint Stucky and Delbert Wiens **ThirdWay**, 1978-02-09 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *"This Is The Day"* Rev. James L. Simmons, 2008-04-03 Twenty years ago a young pastor began keeping a diary of the great moves of God's Spirit in his family and church He saw mountain moving miracles and dynamic answers to prayer Month by month he wrote down the prayers the petitions the headaches and heartaches Always he found victory through the One who lives in him and who lives in each of God's children This devotional will remind you every day that as the Psalmist wrote This is the day the Lord hath made let us rejoice and be glad in it *Who Do You Say That I Am?* Michael Root, James J. Buckley, 2014-09-03 No question is more central to Christian living preaching and theology than Jesus question to his disciples Who do you say that I am Some would have it that pastors and theologians biblical exegetes and

historians dogmatic and moral theologians Catholic and Evangelical have more differences than similarities in the way Christians with such diverse vocations respond to Jesus question And there is little doubt that there sometimes seem to be unbridgeable gulfs between the way historians and believers Internet gossipers and preachers classical christological debates and present day praying and pastoral care implicitly or explicitly address the Lord s question But the authors here address these and other issues in ways that are remarkably convergent as if a Catholic and Evangelical theology for proclaiming and following Jesus today has emerged or is indeed emerging *Weekly Compilation of Presidential Documents* ,1983 Fresh Takes on the Big Questions James Ferguson,2024-09-12 This book takes a fresh look at a wide range of life s big questions and provides a resource as readers search for answers individually or together in group discussion The goal is to explore how Christian faith relates to aspects of modern science the problems of suffering and evil and issues such as gender and sexuality war and peacemaking immigration artificial intelligence and life after death It also considers historical evidence for the resurrection of Jesus and the biblical promises of a time when God will restore and renew the world and all that lives within it **Woman's Missionary Friend** ,1919
