In Search of the Wild Tofurky Seth Tibbott, Steve Richardson, 2020-04-07 The founder of Tofurky reveals how an idealistic hippie living in a treehouse created a global brand and sold millions of products without selling out In this entertaining memoir Seth Tibbott reveals how he achieved overnight success but only after fifteen years of intrepid failure He tells the triumphant tale of how a self-described hippie with no business training but plenty of enterprising goals grew a 2 500 startup into a global brand and ushered in a plant-based foods renaissance along the way Tibbott took home a grand total of 31 000 in his first nine years of striving to bring to the people a nearly unknown soy product tempeh he knew in his gut was revolutionarily tasty He eschewed a buttoned-up lifestyle and resided in tipis trailers and a treehouse rented workspace to piano repairing circus clowns and even briefly counted the infamous Rajneeshees as clients Tibbott was never one to chase the money or try to fit in Instead he built a business that fit him Thus Tibbott discovered the secret sauce ingredients that took his now international brand from fameless to fame-ish to famous bootstrapping building business intuition and staying true to his belief in eco-friendly practices In Search of the Wild Tofurky proves that a good idea can change the world and make money no matter the naysayers or the sometimes harsh twists and turns of the unconventional path Expert advice and inspiration from a most unconventional source An education in the business of ethics Eric C Lindstrom author of *The Skeptical Vegan* *Representing Consumers* Barbara Stern, 2003-09-02 Consumer research has traditionally focused on issues of epistemology in the collection and analysis of data As a consequence the crisis in representation which has radically reshaped understanding in the social sciences has so far had very little impact on consumer research This book redresses the balance with an investigation of representation and constructions of truth in consumer research Subjects covered include construction of the researcher and consumer voice quantitative tools and representation advertising narratives poetic representation of consumer experience the crisis in the

crisis concept consumer oriented ethnographic research The essays are written by experts from Britain and the United States and draw on a broad range of theoretical approaches Mother Jones Magazine, 1999-09 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues Disappearing Witness Gretchen Garner, 2003-07-25 In documenting this transformation in American photography Disappearing Witness forcefully rethinks the history of photography itself Appendix to the Narrative of a Second Voyage in Search of a North-west Passage Sir John Ross, 1835 *In Search of Mary* Sally Cunneen, 2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen's provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life *Riding Pretty* Renee M.
