*Homeopathy - The Undiluted Facts* Edzard Ernst, 2016-09-27 This book traces the genesis principles and practice of homeopathy and discusses the reasons for its enduring popularity Two hundred years ago medicine had little to offer except blood letting and the administration of violent purgatives practices which shortened the course of illness by hastening the death of the patient Largely in reaction to what he correctly saw as the brutality and ineffectiveness of the medicine of his day the eighteenth century German physician Samuel Hahnemann developed a system of therapeutics that he termed homeopathy Ironically while modern medicine has changed beyond recognition homeopathy with its roots in alchemy and metaphysics continues to be practiced precisely as it was in Hahnemann's day Readers of this book will enjoy the story of homeopathy and its almost magical attraction whilst learning much from the authors rational and scientific discussion of the biological chemical and psychological questions that this treatment raises

The Homeopathic Revolution Dana Ullman, 2007-10-16 What do Mark Twain David Beckham Catherine Zeta Jones and Mother Teresa have in common All have been enthusiastic fans of homeopathy the alternative medical tradition that treats like with like Homeopathy has an incredible history of support by many of the most respected people of the past 200 years and modern science is finally catching up In *The Homeopathic Revolution* Dana Ullman blends vivid personal stories and quotes from these and other luminaries from a variety of eras and fields with a new definition of homeopathy as nanopharmacology one that will help people including skeptics start to understand its value After explaining why conventional medicine is inadequately scientific why homeopathy makes sense and works and why it is so threatening to conventional medicine and drug companies Ullman lets legends like Coretta Scott King Cindy Crawford Bill Clinton Vincent Van Gogh and other practitioners weigh in on the subject By writing about homeopathy's heroes and telling their stories Ullman is able to reference and describe important scientific studies in user friendly language that verifies the value of this widely used but still misunderstood tradition

Homöopathie - die Fakten [unverdünnt] Edzard Ernst, 2017-11-09 Homöopathie und Wissenschaft Dieses Buch zeichnet die Entstehung der Homöopathie nach und erläutert ihre grundlegenden Prinzipien klärt über die heutige Praxis auf und diskutiert die Gründe für die anhaltende Beliebtheit dieser Heilmethode Vor zweihundert Jahren hatte die Medizin Kranken wenig zu bieten Man ließ sie zur Ader oder verabreichte ihnen extrem starke Abführmittel Praktiken die den Krankheitsverlauf verkürzten indem sie den Tod des Patienten beschleunigten Vor allem als Reaktion auf diese brachiale und ineffektive Medizin entwickelte der deutsche Arzt Samuel Hahnemann im ausgehenden 18. Jahrhundert ein therapeutisches System das er als Homöopathie bezeichnete Während sich die Medizin seit jener Zeit enorm gewandelt und weiterentwickelt hat wird die Homöopathie mit ihren Wurzeln in Alchemie und Metaphysik heute noch genauso praktiziert wie in Hahnemanns Tagen Die Leser dieses Buches werden nicht nur die

February 7 1852 Thirteen years ago I was given up by the Allopathic doctors for consumption A goodly number of them had pronounced me incurable At this period a benevolent lady sent from Paris an invitation for me to visit her in that city in order that I might get the advice of the immortal Hahnemann At first the doctor then attending me sent word that I was too weakly to undertake the journey but the lady persisted and he yielded In a month after I was examined and sounded by Hahnemann who smiled as he stroked my head and said I am glad you have come to me in time I shall cure you Now I had been examined by more than twenty eminent Allopathists Sir James Clark being one of them all of whom thought me beyond human skill but the old bald headed persecuted Hahnemann the great medical benefactor of mankind after an hour s examination of my lungs said I shall cure you After being under his treatment for eight months I returned to Scotland completely cured I may mention that the good old man for whose good doing to me and to mankind I have often felt grateful to God refused to take a single farthing for his advice and medicine although he knew that the lady who took so much interest in me was in opulent circumstances It was in the year 1839 that Hahnemann made his last contribution to the Materia Medica the preface to the provings of Arsenicurn He says f The mentioning of Arsenic calls up powerful recollections in my soul Horn Times London
