*The Christian Science Journal* ,2000      **Jewish-Christian Dialogues on Scripture in Late Antiquity** Michal Bar-Asher Siegal,2019-05-16 Marshalling previously untapped Christian materials Bar Asher Siegal offers radically new insights into Talmudic stories about Scriptural debates with Christian heretics      In Search of Faithfulness William E. Diehl,2001-09-11 Why is Christian faithfulness virtually invisible in American society today Where are God s faithful people and what do they look like In an effort to answer these questions William E Diehl records the results of his own search for faithfulness I decided to look for faithfulness in those very places where it appeared not to be in the world of business for instance And I decided to use exactly the same approach used by Peters and Waterman in their best seller In Search of Excellence Using real life stories to illustrate both the successes and problems of Christian faithfulness in the world community Diehl concludes that the church must do a better job in nurturing growth in faith      **Christian Advocate and Journal and Zion's Herald** ,1900      *The Church Missionary Intelligencer, a Monthly Journal of Missionary Information* Church Missionary Society,2022-03-11 Reprint of the original first published in 1864      *The Sunday School Journal* ,1888

the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ s Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk s rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski s hand With public opinion howling for Zaborski s neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem continue even after Zaborski s arrest and incarceration pending trial From his perch as the maitre d of one of Newport s poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski s pro bono but celebrated Boston defense counsel Anthony Caro and Caro s local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed that lead to the evidence that wins Zaborski s acquittal at trial and to the arrest of Speshnev for the murders
