In The Highest Degree Odious Detention Without Trial In Wartime Britain:

In the Highest Degree Odious Alfred William Brian Simpson,1994 During the Second World War just under 2000 British citizens were detained without charge trial or term set under Regulation 18B of the wartime Defence Regulations This book provides a comprehensive study of Regulation 18B and its precursor in the First World War Regulation 14B

Colonialism, Neo-Colonialism, and Anti-Terrorism Law in the Arab World Fatemah Alzubairi,2019-01-10 Providing a legal history of counter terrorism in colonial and neo colonial eras this book examines the relationship between Western influence and counter terrorism law

British Internment and the Internment of Britons Gilly Carr,Rachel Pistol,2023-05-18 This edited volume presents a cutting edge discussion and analysis of civilian enemy alien internment in Britain the internment of British civilians on the continent and civilian internment camps run by the British within the wider British Empire The book brings together a range of interdisciplinary specialists including archaeologists historians and heritage practitioners to give a full overview of the topic of internment internationally Very little has been written about the experience of interned Britons on the continent during the Second World War compared with continentals interned in Britain Even fewer accounts exist of the regime in British Dominions where British guards presided over the camps This collection is the first to bring together the British experiences as the common theme in one study The new research presented here also offers updated statistics for the camps whilst considering the period between 1945 to the present day through related site heritage issues

The Rise and Fall of Treason in English History Allen Boyer,Mark Nicholls,2024-02-01 This book explores the development and application of the law of treason in England across more than a thousand years placing this legal history within a broader historical context Describing many high profile prosecutions and trials the book focuses on the statutes ordinances and customs that have at various times governed limited and shaped this worst of crimes It explores the reasons why treason coalesced around specific offences agreed by both the monarch and the wider political nation why it became an essential instrument of enforcement in high politics and why over the past three hundred years it has gradually fallen into disuse while remaining on the statute book This book also considers why treason as both a word and a concept remains so potent in wider modern culture investigating prevalent current misconceptions about what is and what is not treason It concludes by suggesting that the abolition or death of treason in the near future while a logical next step is by no means a foregone conclusion

The Rise and Fall of Treason in English History is a thorough academic introduction for scholars and history students as well as general readers with an interest in British political and legal history

Nazi Spies & Collaborators in Britain, 1939-1945 Neil R. Storey,2023-05-04 reveals the climate of fear along with the identities and case studies of suspected collaborators in key invasion areas ARGunners.com The true extent of Nazi secret agent activity in Britain during the Second World War has received little attention In large part this is due to the highly classified nature of the subject This fascinating book uses recently released documents to explore how German agents penetrated our borders and explains

methods of agent recruitment Some spies were arrested and handed over the MI5 for interrogation Several were turned and became double cross agents while others were tried and executed or incarcerated in Camp 020 and other facilities There were also those who came and left undetected and were only revealed after Nazi records were seized The story however does not end there While British authorities urged the public to beware of spies and posters warned careless talk costs lives the actual existence of Nazi collaborators in Britain was played down Author Neil R Storey s discovery of MI5 s and Regional Security Panels Black Lists of those considered to be likely to assist the enemy in the event of invasion reveals the climate of fear along with the identities and case studies of suspected Nazi collaborators in key invasion areas This book is a gripping expos of the very real threat posed by Nazi undercover operatives and collaborators in Britain during the Second World War

Internment Refugee Camps Gabriele Anderl,Linda Erker,Christoph Reinprecht,2022-11-07 How did and does the fate of refugees unfold in internment camps The contributors to this book facilitate an extensive engagement with the organized state led and forced placement of refugees in the past and present They show the parallels and differences between the practices and types of internment in different countries while considering the specific historical contexts Moreover they highlight the nexus of relationships and agencies which constitute the camps in question as transitory spaces The contributions consist of analyses of local phenomena or case studies as well as comparative engagements from an international and or historical perspective

War and Displacement in the Twentieth Century Sandra Barkhof,Angela K. Smith,2014-03-14 Human displacement has always been a consequence of war written into the myths and histories of centuries of warfare However the global conflicts of the twentieth century brought displacement to civilizations on an unprecedented scale as the two World Wars shifted participants around the globe Although driven by political disputes between European powers the consequences of Empire ensured that Europe could not contain them Soldiers traversed continents and civilians often followed them or found themselves living in territories ruled by unexpected invaders Both wars saw fighting in Europe Africa the Middle East and the Far East and few nations remained neutral Both wars saw the mass upheaval of civilian populations as a consequence of the fighting Displacements were geographical cultural and psychological they were based on nationality sex gender or age They produced an astonishing range of human experience recorded by the participants in different ways This book brings together a collection of inter disciplinary works by scholars who are currently producing some of the most innovative and influential work on the subject of displacement in war in order to share their knowledge and interpretations of historical and literary sources The collection unites historians and literary scholars in addressing the issues of war and displacement from multiple angles Contributors draw on a wealth of primary source materials and resources including archives from across the world military records medical records films memoirs diaries and letters both published and private and fictional interpretations of experience

Preventive Justice Andrew Ashworth,Lucia Zedner,2014 Preventative Justice looks at the use of coercive preventive measures by the state both within and beyond

criminal law Examining preventive laws measures and institutions in and outside the criminal law it explores the justifications given for using coercion to protect the public from harm **Treason on the Airwaves** Judith

Keene,2008-12-30 This work traces the extraordinary journeys of three World War II radio broadcasters in Germany and Japan whose wartime choices became treason in Britain Australia and the United States John Amery a member of a well connected British family joined Hitler s propagandists in Berlin He was executed for treason by Britain after the war Charles Cousens was a soldier in Japanese captivity when he was put to work on Radio Tokyo with a team of Allied POWs Cousens was later tried as a traitor in Australia Iva Toguri better known as Tokyo Rose was an American student visiting Japan when war broke out She broadcast her English show on Radio Tokyo out of necessity rather than conviction The United States jailed Toguri for treason Through these powerful stories this work not only sheds new light on the history of wartime radio broadcasting in Germany and Japan but also examines the laws of treason in Britain Australia and the United States and the ways in which trials such as these helped shape modern day treason trials All three accounts provoke thoughtful questions as to the nature of justice and the justice of retribution This work traces the extraordinary journeys of three World War II radio broadcasters in Germany and Japan whose wartime choices became treason in Britain Australia and the United States

The Little Third Reich on Lake Superior Ernest Robert Zimmermann,2015-12-15 An in depth history of one of Canada s World War II internment camps that held both Nazis and anti Nazis alike For eighteen months during the Second World War the Canadian military interned 1 145 prisoners of war in Red Rock Ontario about 100 kilometres northeast of Thunder Bay Camp R interned friend and foe alike Nazis anti Nazis Jews soldiers merchant seamen and refugees whom Britain feared might comprise Hitler s rumoured fifth column of alien enemies residing within the Commonwealth For the first time and in riveting detail the author illuminates the conditions in one of Canada s forgotten POW camps Backed by interviews and meticulous archival research Zimmermann fleshes out this rich history in an accessible lively manner The Little Third Reich on Lake Superior will captivate military and political historians as well as non specialists interested in the history of POWs and internment in Canada Most of us have an image of what prisoner of war camps looked like either from documentary footage about Nazi POW camps or feature films about World War II or television situation comedies The Little Third Reich on Lake Superior shatters all of those stereotypes and through diligent assembly of public records multiple library archives and personal interviews gives us an in depth picture of a Canadian internment camp All of this is skillfully organized in a reader friendly chronological way Michael Sabota Chronicle Journal The study shines light on the lesser known Canadian prisoner of war POW camps in World War II In this well researched study Zimmermann describes not only Camp R but the inmates guards military command structure politicians and general political environment in Canada and Britain The work is easy to read and deftly supported by a broad array of sources Zimmermann s analysis encompasses Canadian and British history The Little Third Reich on Lake Superior sets a high standard for future research into civilian internment camps Anna Marie

Anderson The Journal of Military History *The New European Criminology* Vincenzo Ruggiero, Nigel South, Ian Taylor, 2002-09-11 The New European Criminology gathers together leading criminologists from all over Europe to consider crime and responses to crime within and across national borders For the first time it allows students to experience the most exciting work in European criminology and to compare approaches to crime in different parts of Europe The five sections of the book look at the effects of European harmonisation on crime criminal justice law enforcement and penal reform organised crime from the Mafia in Italy to drug running in the Balkans local crime in international contexts possible future directions for criminology and some suggestions for a new criminology of war *God and War* Tom Lawson, 2016-04-22 Despite narratives of secularization it appears that the British public persistently pay attention to clerical opinion and continually resort to popular expressions of religious faith not least in time of war From the throngs of men who gathered to hear the Bishop of London preach recruiting sermons during the First World War to the attention paid to Archbishop Williams words of conscience on Iraq clerical rhetoric remains resonant For the countless numbers who attended National Days of Prayer during the Second World War and for the many who continue to find the Remembrance Day service a meaningful ritual civil religious events provide a source of meaningful ceremony and a focus of national unity War and religion have been linked throughout the twentieth century and this book explores these links taking the perspective of the home front rather than the battlefield Exploring the views and accounts of Anglican clerics on the issue of warfare and international conflict across the century the authors explore the church's stance on the causes morality and conduct of warfare issues of pacifism obliteration bombing nuclear possession and deterrence retribution forgiveness and reconciliation and the spiritual opportunities presented by conflict This book offers invaluable insights into how far the Church influenced public appraisal of war whilst illuminating the changing role of the Church across the twentieth century What Did You Do During the War? Richard Griffiths, 2016-10-04 This book is a sequel to Richard Griffiths's two highly successful previous books on the British pro Nazi Right Fellow Travellers of the Right British Enthusiasts for Nazi Germany 1933-39 and Patriotism Perverted Captain Ramsay the Right Club and British Anti-Semitism 1939-1940 It follows the fortunes of his protagonists after the arrests of May/June 1940 and charts their very varied reactions to the failure of their cause while also looking at the possible reasons for the Government's failure to detain prominent pro Nazis from the higher strata of society Some of the pro Nazis continued with their original views and even undertook politically subversive activity here and in Germany Others finding that their pre-war balance between patriotism and pro Nazism had now tipped firmly on the side of patriotism fully supported the war effort while still maintaining their old views privately Other people found that events had made them change their views sincerely And then there were those who frightened by the prospect of detention or disgrace tried to hide or even to deny their former views by a variety of subterfuges including attacking former colleagues This wide variety of reactions sheds new light on the equally wide range of reasons for their original admiration for Nazism and also

gives us some more general insight into what could be termed the psychology of failure **The Life of Thomas E. Scrutton** David Foxton,2013-09-26 A biography of Thomas Scrutton who has been described as the greatest English speaking commercial judge of a century **Farming, Fascism and Ecology** Philip Coupland,2016-09-19 The life of Jorian Jenks 1899 1963 has great potential to upset settled assumptions Why did a sensitive and intelligent man from a liberal family become a fascist How did a Blackshirt go green The son of an eminent academic from his childhood onwards Jenks instead longed to farm Lacking the means to do so he worked as a farm bailiff and then in New Zealand as a government agricultural instructor Finally a legacy permitted him to come home and become a tenant farmer Struggling to survive in the economic depression of the 1930s he became an author and activist for rural reconstruction Then having lost faith in the established parties he joined the British Union of Fascists Becoming one of the Blackshirts leading figures he was imprisoned without trial during the war On his release Jenks returned to the struggle this time in the cause of ecology becoming a pioneer of today s organic movement and a founder of the Soil Association This book draws on an extensive range of sources a large proportion of which were previously unseen by historians For the first time it portrays the private and public life of this unusual man revealing many hitherto un glimpsed facets of Jenks life **Behind Barbed Wire** Alexander Mikaberidze,2018-11-26 An indispensable reference on concentration camps death camps prisoner of war camps and military prisons offering broad historical coverage as well as detailed analysis of the nature of captivity in modern conflict This comprehensive reference work examines internment forced labor and extermination during times of war and genocide with a focus on the 20th and 21st centuries and particular attention paid to World War II and recent conflicts in the Middle East It explores internment as it has been used as a weapon and led to crimes against humanity and is ideal for students of global studies history and political science as well as politically and socially aware general readers In addition to entries on such notorious camps as Abu Ghraib Andersonville Auschwitz and the Hanoi Hilton the encyclopedia includes profiles of key perpetrators of camp and prison atrocities and more than a dozen curated and contextualized primary source documents that further illuminate the subject Primary sources include United Nations documents outlining the treatment of prisoners of war government reports of infamous camp and prison atrocities and oral histories from survivors of these notorious facilities

Habeas Corpus Amanda L. Tyler,2021 For nearly eight hundred years the writ of habeas corpus has limited the executive in the Anglo American legal tradition from imprisoning citizens and subjects with impunity The writ empowers the judiciary to determine whether an arrest has been made with just cause and where appropriate to award prisoners their freedom For this reason the eighteenth century jurist William Blackstone described the writ of habeas corpus as a bulwark of our liberties and the English Habeas Corpus Act of 1679 as a second Magna Carta Amanda L Tyler traces the history of habeas corpus from its origins in English law to its spread throughout the world and its incorporation in the American constitutional framework giving special attention to its application at various flashpoints in recent history including during World War II

and the War on Terror *British Government and the Constitution* Alison L. Young, 2021-04 Places constitutional law in its legal historical and political context using contemporary examples *British Character and the Treatment of German Prisoners of War, 1939-48* Alan Malpass, 2020-08-19 This book examines attitudes towards German held captive in Britain drawing on original archival material including newspaper and newsreel content diaries sociological surveys and opinion polls as well as official documentation and the archives of pressure groups and protest movements Moving beyond conventional assessments of POW treatment which have focused on the development of policy diplomatic relations and the experience of the POWs themselves this study refocuses the debate onto the attitude of the British public towards the standard of treatment of German POWs In so doing it reveals that the issue of POW treatment intersected with discussions of state power human rights gender relations civility and national character **‘Guilty Women’, Foreign Policy, and Appeasement in Inter-War Britain** Julie V. Gottlieb, 2016-02-07 British women were deeply invested in foreign policy between the wars This study casts new light on the turn to international affairs in feminist politics the gendered representation and experience of the Munich Crisis and the profound impression made by female public opinion on PM Neville Chamberlain in his negotiations with the dictators
