In The Lap Of The Himalayas:

In The Lap Of The Himalayas Swami Akhandananda, 2023-02-22 This book is an absorbing travelogue of the Himalayan pilgrimages of Swami Akhandananda a direct disciple of Sri Ramakrishna and the fourth president of the Ramakrishna Order. The great Swami wandered as a pilgrim for almost ten years from 1887 to 1897 visiting pilgrimage centres in the Himalayas, Tibet, Rajputana, Gujarat and Bengal. He recorded his experiences in Bengali with a beautiful diction and inimitable literary style giving not only informative and thrilling accounts of men, countries and events but also the reflections of a philosopher and a lover of God. Translated in English by Dr Narendranath B Patil, this book will serve as a perennial inspiration for all adventurous spiritual seekers.

The Himalayas Andrew J. Hund, James A. Wren, 2018-06-15 A thorough and detailed resource that describes the history, culture and geography of the Himalayan region, providing an indispensable reference work to both general readers and seasoned scholars in the field. The Himalayas: An Encyclopedia of Geography, History and Culture serves as a convenient and authoritative reference for anyone exploring the region and seeking to better understand the history, events, peoples and geopolitical details of this unique area of the world. It explores the geography and details of the demographics, discusses relevant historical events and addresses socioeconomic movements, political intrigues and controversies and cultural details as to give an overarching impression of the region as a coherent and cohesive whole. Readers will come away with a vastly heightened understanding of the geographical region we recognize as the Himalayas and grasp the issues of geography, history and culture that are central to contemporary understandings of the human culture in the region. The alphabetically arranged and succinct entries provide easy access to detailed authoritative information. Additionally, sidebars throughout the book relate compelling facts that point readers to new and interesting avenues of exploration. The volume also includes a chronological overview of the region, ten primary source documents and a comprehensive bibliography of supporting works.

Echor, Echor is a captivating anthology that explores the majestic allure of mountains through a tapestry of diverse perspectives. This thought-provoking collection interweaves the vibrant ideas of emerging voices with the seasoned wisdom of experienced minds, creating a rich panorama of mountain-inspired reflections. From awe-inspiring peaks to serene valleys, the book paints a vivid portrait of nature's grandeur using evocative language and poignant quotes. One contributor muses, "Mountains are nature's temples where the spirit soars and the soul finds solace." Another observes, "In the wrinkled face of an ancient mountain, we read the Earth's tumultuous history." Echor invites readers on a literary expedition, scaling the heights of human imagination and descending into the depths of contemplative thought.
