In The Moment Jazz In The 1980s:

In The Moment Francis Davis,1996-08-21 In the Moment traces the rise of such 1980s stars as Wynton and Branford Marsalis Anthony Davis David Murray Bobby McFerrin Stanley Jordan and Billy Bang while assessing the continuing influence of such father figures as Ornette Coleman Sonny Rollins Miles Davis George Russell John Lewis and Roscoe Mitchell In the process Francis Davis discusses the low visibility of jazz in the media the uneasy relationship of jazz to pop and the surprising emergence of the composer as the pivotal figure in what has always been regarded as the improviser s realm Now updated with a new introduction In the Moment is a superb companion to some of the best music and musicians of an eventful decade

In the Moment Francis Davis,1996-09-01 The History of Jazz Ted Gioia,2021-02-01 An updated new edition of Ted Gioia s universally acclaimed history of jazz with a wealth of new insight on this music s past present and future Ted Gioia s The History of Jazz has been universally hailed as the most comprehensive and accessible history of the genre of all time Acclaimed by jazz critics and fans alike this magnificent work is now available in an up to date third edition that covers the latest developments in the jazz world and revisits virtually every aspect of the music Gioia s story of jazz brilliantly portrays the most legendary jazz players the breakthrough styles and the scenes in which they evolved From Louis Armstrong and Duke Ellington at the Cotton Club Miles Davis s legendary 1955 performance at the Newport Jazz Festival and Ornette Coleman s experiments with atonality to current innovators such as Kamasi Washington and Esperanza Spalding Gioia takes readers on a sweeping journey through the history of jazz As he traces the music through the swamp lands of the Mississippi Delta the red light district of New Orleans the rent parties of Harlem the speakeasies of Chicago and other key locales of jazz history Gioia also makes the social contexts in which the music was born come alive This new edition finally brings the often overlooked women who shaped the genre into the spotlight and traces the recent developments that have led to an upswing of jazz in contemporary mainstream culture As it chronicles jazz from its beginnings and most iconic figures to its latest dialogues with popular music the developments of the digital age and new commercial successes Gioia s History of Jazz reasserts its status as the most authoritative survey of this fascinating music *Jazz* Eddie S.

Meadows,2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade

The Essential Jazz Records: Modernism to postmodernism Max Harrison,Charles Fox,Eric Thacker,Stuart

Nicholson,2000-01-01 Following the same format as the acclaimed first volume this selection of the best 250 modern jazz records and CDs places each in its musical context and reviews it in depth Additionally full details of personnel recording dates and locations are given Indexes of album titles track titles and musicians are included *From Soul to Hip Hop* Tom Perchard,2017-07-05 The essays contained in this volume address some of the most visible durable and influential of African American musical styles as they developed from the mid 1960s into the 21st century Soul funk pop R B and hip hop practices are explored both singly and in their many convergences and in writings that have often become regarded as landmarks in black musical scholarship These works employ a wide range of methodologies and taken together they show the themes and concerns of academic black musical study developing over three decades While much of the writing here is focused on music and musicians in the United States the book also documents important and emergent trends in the study of these styles as they have spread across the world The volume maintains the original publication format and pagination of each essay making for easy and accurate cross reference and citation Tom Perchard's introduction gives a detailed overview of the book's contents and of the field as a whole situating the present essays in a longer and wider tradition of African American music studies In bringing together and contextualising works that are always valuable but sometimes difficult to access the volume forms an excellent introductory resource for university music students and researchers Jazz and Death Frederick J.
