In Search of Power Brenda Gayle Plummer, 2013 *In Search of Power* is a history of the era of civil rights decolonization and Black Power In the critical period from 1956 to 1974 the emergence of newly independent states worldwide and the struggles of the civil rights movement in the United States exposed the limits of racial integration and political freedom Dissidents leaders and elites alike were linked in a struggle for power in a world where the rules of the game had changed Brenda Gayle Plummer traces the detailed connections between African Americans involvement in international affairs and how they shaped American foreign policy integrating African American history the history of the African Diaspora and the history of United States foreign relations These topics usually treated separately not only offer a unified view of the period but also reassess controversies and events that punctuated this colorful era of upheaval and change

Scientists in Search of Their Conscience Anthony R. Michaelis, Hugh Harvey, 2012-12-06 *Scientists in Search of Their Conscience* is the edited proceedings of the European Symposium on the effects of science on society held in Brussels in 1971 Organised by The European Committee of The Weizmann Institute Israel the Conference gave scientists from varied disciplines and many countries the platform from which to explore in depth the dilemma facing them The dilemma is the responsibility of scientists for society's use of scientific findings Though no hard and fast conclusions were reached in fact quite the contrary the discussions left no doubt that scientists were becoming aware that they can no longer claim that the pursuit of knowledge is divorced from its use Yet should they begin to face the responsibility for the application of their work it is clear that their freedom will be impaired The loss of freedom is of course part of the dilemma of science Contents Official Opening Monday June 28 1971 1 Chairman Albert B Sabin 3 Speakers Theo Lefevre 7 Altiero Spinelli 11 Morning Session Monday June 28 1971 13 Chairman John C Kendrew 15 Speakers Friedrich Cramer Can our Society meet the Challenge of a Technological Future 19 Aharon Katzir Katchalsky A Scientist's approach to Human Values 33 Discussion 46 Afternoon Session Monday June 28 1971 61 Chairman Hendrik B G Casimir 61 Speakers Leon Van Hove Physical Science in Relation to Human Thought and Action 63 Chaim L Pekeris The Impact of Physical Sciences on Society 73 Discussion

In Search of Soul Alejandro Nava, 2017-09-12 *In Search of Soul* explores the meaning of soul in sacred and profane incarnations from its biblical origins to its central place in the rich traditions of black and Latin history Surveying the work of writers artists poets musicians philosophers and theologians Alejandro Nava shows how their understandings of the soul revolve around narratives of justice liberation and spiritual redemption He contends that biblical traditions and hip hop emerged out of experiences of dispossession and oppression Whether born in the ghettos of America or of the Roman Empire hip hop and Christianity have endured by giving voice to the persecuted This book offers a view of soul in living color as a breathing suffering dreaming thing

The Search for Fundamentals Lietেকে van Vucht Tjissen, Jan Berting, Frank Lechner, 2013-06-29 *Modernity* dissolves absolute certainties late modernity dissolves them absolutely In the modern world system there appears to be no

firm unchallenged ground on which to construct a meaningful canopy But around the world many individuals and groups long for a kind of cultural coherence that they believe once existed They search for fundamentals While these may be sought in religious traditions many also aspire to new secular certainties In their various new forms and contexts the contemporary quests for meaning in turn transform the societies in which they occur The rich comparative examples in *The Search for Fundamentals* are used to analyze the sources and consequences of several cultural movements The book also offers theoretical reflections on the difficulties they experience and on the message they carry for students of modernity Audience A broad readership of scholars and advanced students in the social sciences and humanities ***In Search of Christ in Latin America***

Samuel Escobar,2019-11-30 Noted theologian Samuel Escobar offers a magisterial survey and study of Christology in Latin America *In Search of Christ in Latin America* examines the figure of Jesus Christ in the context of Latin American culture starting with the first Spanish influence in the sixteenth century and moving through popular religiosity and liberationist themes in Catholic and Protestant thought of the twentieth and twenty first centuries culminating in an important description of the work of the Fraternidad Teol gica Latinoamericana FTL Escobar provides theological historical and cultural analysis of Latin American understandings of Christ and places liberation theology within its social and revolutionary context This book is an important step toward a rich understanding of the spiritual reality and powerful message of Jesus ***In Search of Madness***

R. Walter Heinrichs,2001 This book evaluates the progress of schizophrenia science by summarizing what is known about how patients with the illness differ from healthy people The tools of meta analysis are first explained and then employed to make the strength and consistency of these differences explicit Beginning with the study of symptoms then moving through the search for objective disease markers findings on the cognitive functions structure physiology chemistry and development of the brain this book is a journey into the enigma of madness and its science What emerges is an illness that reveals itself most strongly in thought processes not biology Schizophrenia is an anomaly at the frontier of mind and brain but *In Search of Madness* points the way to its solution ***In Search of the Primitive***

Stanley Diamond,2017-06-21 Anthropology is a kind of debate between human possibilities a dialectical movement between the anthropologist as a modern man and the primitive peoples he studies *In Search of the Primitive* is a tough minded book containing chapters ranging from encounters in the field to essays on the nature of law schizophrenia and civilization and the evolution of the work of Claude L vi Strauss Above all it is reflective and self critical critical of the discipline of anthropology and of the civilization that produced that discipline Diamond views the anthropologist who refuses to become a searching critic of his own civilizations as not merely irresponsible but a tool of Western civilization He rejects the associations which have been made in the ideology of our civilization consciously or unconsciously between Western dominance and progress imperialism and evolution evolution and progress ***In Search of the Argonauts***

Helen Lovatt,2021-07-15 Few classical stories are as exciting as that of Jason and the Golden Fleece The legend of the boy who

discovers a new identity as son of a usurped king and leads a crew of demi gods and famous heroes has resonated through the ages rumbling like the clashing rocks which almost pulverised the Argo The myth and its reception inspires endless engagements while it tells of a quest to the ends of the earth of the tyrants Pelias and Aetes of dragons teeth of the loss of Hylas beloved of Hercules stolen away by nymphs and of Jason s seduction of the powerful witch Medea later betrayed for a more useful princess it speaks to us of more of gender and sexuality of heroism and lost integrity of powerful gods and terrifying monsters of identity and otherness of exploration and exploitation The Argonauts are emblems of collective heroism yet also of the emptiness of glory From Pindar to J W Waterhouse Apollonius of Rhodes to Ray Harryhausen and Robert Graves to Mary Zimmerman the Argonaut myth has produced later interpretations as rich salty and complex as the ancient versions Helen Lovatt here unravels like untangled sea kelp the diverse strands of the narrative and its numerous and fascinating afterlives Her book will prove both informative and endlessly entertaining to those who love classical literature and myth

Voyages in Search of the North-West Passage Richard Hakluyt,2009 A narrative of all Voyages to the North West Passage from the beginning until 1890

In Search of Indian English Ranjan Kumar Auddy,2019-11-11 This book presents a historical account of the development of an acrolectal variety of the English language in colonial India It highlights the phenomenon of Indianization of the English language and its significance in the articulation of the Indian identity in pre Independence India This volume also discusses the sociocultural milieu in which English became the first choice for writers and political leaders Using examples primarily from the writings of Rammohan Roy Bankimchandra Krupabai Saththianadhan and Gandhi and from the speeches of Vivekananda Tagore and Subhas Bose this book argues that prose written in English in the nineteenth and the early twentieth century scripted a nationalist discourse through its appropriation of the colonizer s language It also examines how these works which absorbed elements of Indian culture and languages paved the path for the emergence of Indian English as a distinct dialect of the English language This book will be useful for teachers scholars and students of English literature linguistics and cultural studies It will also be of use to general readers interested in the history of the English language and the history of modern India

In Search of Stability Charles S. Maier,1987 In Search of Stability Explorations in Historical Political Economy ponders the issue of how Western industrial societies overcame major challenges to political and economic stability in the twentieth century Successive essays ask what ideological messages did American influence transmit to Europe after World War I then again after World War II Did Nazis and Italian fascists share an economic ideology or impose a unique economic system in the interwar period and during World War II How do their accomplishments stack up comparatively against those of the liberal democracies After 1945 what was the relationship between concepts of productivity and class division How have the major experiences of twentieth century inflation arisen out of class and interest group rivalry Most generally what has been the representation of interests in capitalist political economies

In Search of Gender Justice Jessica Johnson,2018-11 Focusing on Malawi Johnson proposes a shift in emphasis to gender justice as an alternative to human and women s rights

In Search of Criminal Responsibility Nicola Lacey,2016 What makes someone responsible for a crime and therefore liable to punishment under the criminal law Modern lawyers will quickly and easily point to the criminal law s requirement of concurrent actus reus and mens rea doctrines of the criminal law which ensure that someone will only be found criminally responsible if they have committed criminal conduct while possessing capacities of understanding awareness and self control at the time of offense Any notion of criminal responsibility based on the character of the offender meaning an implication of criminality based on reputation or the assumed disposition of the person would seem to today s criminal lawyer a relic of the 18th Century In this volume Nicola Lacey demonstrates that the practice of character based patterns of attribution was not laid to rest in 18th

Century criminal law but is alive and well in contemporary English criminal responsibility attribution Building upon the analysis of criminal responsibility in her previous book *Women Crime and Character* Lacey investigates the changing nature of criminal responsibility in English law from the mid 18th Century to the early 21st Century Through a combined philosophical historical and socio legal approach this volume evidences how the theory behind criminal responsibility has shifted over time The character and outcome responsibility which dominated criminal law in the 18th Century diminished in ideological importance in the following two centuries when the idea of responsibility as founded in capacity was gradually established as the core of criminal law Lacey traces the historical trajectory of responsibility into the 21st Century arguing that ideas of character responsibility and the discourse of responsibility as founded in risk are enjoying a renaissance in the modern criminal law These ideas of criminal responsibility are explored through an examination of the institutions through which they are produced interpreted and executed the interests which have shaped both doctrines and institutions and the substantive social functions which criminal law and punishment have been expected to perform at different points in history
