In The Shadow Of His Cross The Cliff Jacobs Story:

In the Shadow of His Cross Dana Maria Hill,2004-03-01 Time Will Tell was written many years ago when publishers didn't have a category for it Now time travel type stories are not so rare even in the Christian world The Messianic accent makes it very contemporary The story centers on a bored housewife named Rachel who starts to take an unknown herb called Medewert which seemingly sends her back to a past life in 1780 Arizona amongst the Hopi and Navajo Indians As she travels back and forth she confronts many challenges and a new love interest when she is kidnapped to become the bride of a Navajo brave Balancing her two lives and the interaction between them is Rachel's challenge and the struggle seems to present more questions than answers That is until a new door for her to walk through becomes available Will she use it Only time will tell

Blazing Guns, Wild Horses, & the Grace of God Dana Maria Hill,2011-03-30 This is the story of one man's amazing journey his destination and the intervention of an almighty God The tragic event of May 17 1951 would change the lives of many families forever Numerous newspaper articles have been written about that night and what took place but this story is different from anything that was ever printed This is the event as it happened through the eyes of a 16 year old boy watching as his father was gunned down and died in front of him James Kilpatrick escaped the hand of death as he dodged bullets standing strong and brave to protect his family The enemy sought to destroy him but God sent angels to camp around him and protect him That night began a long hard journey to places unknown and dangers unseen Come walk with me through these pages as we pull back the curtain and view the life and testimony of James David Kilpatrick Some names have been withheld to protect the innocent victims and their families
