In The Wake Of The Mary Celeste:

In the Wake of the Mary Celeste , James Franklin Briggs, Old Dartmouth Historical Society (New Bedford, Mass.), 1944 **The Mysterious Case of the Mary Celeste** Graham Faiella, 2022-07-14 4
December 1872 The brigantine Dei Gratia chances upon another brigantine out on the Atlantic near the Azores She is the Mary Celeste She is under sail But she is deserted Silent as a drowned cadaver For 150 years since then the mystery of why the Mary Celeste was abandoned and what happened to the ten souls on board has spawned thousands of conjectures conspiracy theories fictions and fantasies Some have thought they solved the mystery Some have just spun yarns One at least has claimed it was all a hoax The Mysterious Case of the Mary Celeste 150 Years of Myth and Mystique unveils those stories the fake news alternative facts and the myths fabricated from fractured truths These are the real facts in search of a truth that remains unfathomable to this day Ghost Ship Brian Hicks, 2005-06-28 On December 4th 1872 a 100 foot brigantine was discovered drifting through the North Atlantic without a soul on board Not a sign of struggle not a shred of damage no ransacked cargo and not a trace of the captain his wife and daughter or the crew What happened on board the ghost ship Mary Celeste has baffled and tantalized the world for 130 years In his stunning new book award winning journalist Brian Hicks plumbs the depths of this fabled nautical mystery and finally uncovers the truth The Mary Celeste was cursed as soon as she was launched on the Bay of Fundy in the spring of 1861 Her first captain died before completing the maiden voyage In London she accidentally rammed and sank an English brig Later she was abandoned after a storm drove her ashore at Cape Breton But somehow the ship was recovered and refitted and in the autumn of 1872 she fell to the reluctant command of a seasoned mariner named Benjamin Spooner Briggs It was Briggs who was at the helm when the Mary Celeste sailed into history In Brian Hicks s skilled hands the story of the Mary Celeste becomes the quintessential tale of men lost at sea Hicks vividly recreates the events leading up to the crew s disappearance and then unfolds the complicated and bizarre aftermath the dark suspicions that fell on the officers of the ship that intercepted her the farcical Admiralty Court salvage hearing in Gibraltar the wild myths that circulated after Sir Arthur Conan Doyle published a thinly disguised short story sensationalizing the mystery Everything from a voodoo curse to an alien abduction has been hauled out to explain the fate of the Mary Celeste But as Brian Hicks reveals the truth is actually grounded in the combined tragedies of human error and bad luck The story of the Mary Celeste acquired yet another twist in 2001 when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti Written with the suspense of a thriller and the vivid accuracy of the best popular history Ghost Ship tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time **The Great Mary Celeste Hoax** Laurence J. Keating, 1929 **Gothic Tales** Arthur Conan Doyle, 2018-03-22 There was a rumour too that he was a devil worshipper or something of that sort and also that he had the evil eye Arthur Conan Doyle was the greatest genre writer Britain has ever produced Throughout a long writing career he drew on his own medical background

his travels and his increasing interest in spiritualism and the occult to produce a spectacular array of Gothic Tales Many of Doyle s writings are recognised as the very greatest tales of terror They range from hauntings in the polar wasteland to evil surgeons and malevolent jungle landscapes This collection brings together over thirty of Conan Doyle s best Gothic Tales Darryl Jones s introduction discusses the contradictions in Conan Doyle s very public life as a medical doctor who became obsessed with the spirit world or a British imperialist drawn to support Irish Home Rule and shows the ways in which these found articulation in that most anxious of all literary forms the Gothic *In the Wake of the Wind-ships* Frederick William Wallace,1927 *Lost at Sea* A. Hoehling,1999-01-30 *Lost at Sea* features the incredible stories of eight ships and their passengers some of which vanished with hardly a trace or no trace at all Veteran history and mystery writer A A Hoehling explores these previously unexplained maritime mishaps with the skill of a detective seeking to uncover a murderer **The Mary Celeste Syndrome** , **The Shipmodeler** ,1929 Includes section Book reviews **Dead Man's Wake** Paul Doiron,2023-06-27 Game Warden Mike Bowditch s engagement party is interrupted by the discovery of a gruesome double murder in *Dead Man s Wake* a thriller from Edgar Award nominated author Paul Doiron On the evening of their engagement party Maine Game Warden Investigator Mike Bowditch and Stacey Stevens witness what seems to be a hit and run speedboat crash on a darkened lake When they arrive at the scene their spotlight reveals a gruesome sight a severed arm floating just beneath the surface As day breaks the warden dive team recovers not one but two naked corpses a dismembered man and the married woman with whom he was having an affair Mike begins to suspect the swimmers deaths were not a senseless accident but a coldly calculated murder Meanwhile the hunt is on for the mysterious boater Suspects abound on the lake nicknamed Golden Pond including the violent biker husband of the murdered woman who may have taken vengeance on his wife and her paramour a strange woman who claims to have witnessed the crash but then changes her story a very aggressive realtor and his wife who were determined to catch trespassers and the lake s earnest young constable whose eagerness to help may hide darker motives Alone among his fellow officers Mike starts to sense the involvement of a trained marksman smarter and more dangerous than any enemy he has ever faced before As Mike and Stacey get closer to identifying the killer their own lives are suddenly on the line as they confront a lethal killer who plans to silence them forever The finale is a tour de force of drama and suspense **The Really Useful Drama Book** Roger McDonald,2017-07-14 The Really Useful Drama Book offers busy primary school teachers a collection of step by step drama sessions inspired by high quality picturebooks that will engage children and promote enjoyable learning across the curriculum Lively and thoughtful the interactive drama sessions are structured around a wide range of texts including wordless picturebooks postmodern picturebooks short stories well known texts by recognisable authors and some you may not have come across before all chosen for their power to foster curiosity The step by step sessions can also be adapted to incorporate your own ideas and passions allowing you to structure them for the topics you re exploring with your class Each session is structured around two
