Ingers Promise:

Bigfoot Beginnings Lisa A. Shiel, 2011-09-30 Charlie Rick and Katy have never seen a Bigfoot Yet soon each of them will separately experience something inexplicable in the woods something that makes them question their worldview something that sets them on the path to their destiny Father and son Charlie and Rick Bergren go through the same events together but react in vastly different ways Katy Gallagher while hiking alone in the woods gets shaken up by a strange series of events that will alter her future in ways she hasn't yet imagined If you've read the Human Origins Series novels then you know these characters well If not then take this chance to meet them In **Bigfoot Beginnings** find out how they first experienced the Bigfoot phenomenon and how those events changed their lives This Kindle book contains three short stories plus a bonus story from the collection **The Bigfoot Effect Human Origins Series Backstories Vol 2** The stories in this e book are also available in paperback as part of the collection **Confronting Sasquatch** From the author Every character has a backstory Readers may not be privy to the entire background of each character but the writer knows each of them intimately Events from the characters' pasts only make it into a novel if they're vital to the story But what happened to these folks before they woke up inside one of my novels To answer that question I started writing short stories to flesh out the background of each character In **The Hunt for Bigfoot** Katy mentions that she's never seen a Bigfoot before Yet she believes in this mysterious beast without question How did she come by that belief Also in **HFB** Charlie is a disgraced history professor on the verge of getting fired for his interest in Bigfoot What convinced him to risk his career by investigating the Bigfoot mystery And then there's Rick a skeptic of the most diehard variety He ridicules Katy and his father Charlie for their interest in Bigfoot He proclaims that no such creature could possibly exist But did something in his past foster his adamant skepticism In **Bigfoot Beginnings** I explore these questions I hope you will enjoy reading about these characters as much as I've enjoyed creating them **Ingers Promise** Witcher Productions, 1996 **Fingers and Fortune** Eveline Louisa Michell Farwell Forbes ("Hon.
