

Class chart. Make a chart that shows how jobs have changed in your countries in the past 10 years. Who were the employers before? Who are the employers now? What kinds of jobs were common 10 years ago? Five years ago? Today? What has caused these changes? Why have these changes happened?

Country	Jobs 10 years ago	Jobs 5 years ago	Jobs today

Make sentences describing the changes in jobs in your country. Use *there is*, *there are*, *there was*, *there were* to indicate the present tense and the past tense.

Examples.

*In my country, there were many factory jobs 10 years ago. Now, there is unemployment.*

*In my country, there were many farms with different crops 10 years ago. Now there are only large farms that export coffee.*
