Lessons in Transonics Glen C. Cutlip, 2020-10-11 This Book as well as all other books and manuscripts published or yet unpublished written by the author began after a dream experience in which I was encouraged to write At that time it didn't seem possible that I could do such a thing However after other inner and outer experiences having taken place the process of writing began Although at first I wasn't sure of what I would be writing about for the writings were somehow inspired One dream experience of which one is not likely to forget is the one where a being of an higher inner realm whispered in my ear saying you are chosen But what for I wasn't sure at that time Another similar dream was one in which I was given the WORD to bring back Again at that time I wasn't sure what that meant However after several manuscripts were written and reread by me things began to fit into place That is the dream experiences were becoming a reality Although the writings must speak for themselves I feel now that I was chosen to present the WORD the WORD of the Transonic Consciousness which is the WORD embracing the realm of the end and the beginning of a cycle of time The Transonic WORD then is the WORD that takes in the harvesting of a previous cycle of time and the WORD for the beginning of a new cycle of time Therefore the WORD is the everlasting WORD the everlasting gospel as it were Inasmuch as the WORD is the everlasting WORD it is backed by an infinity of beings within the inner and outer realms of being **Truth Lessons** Witness Lee, 1996-05 *Life's Lessons* David Nozick, 2012-05 No life is perfect It consist of challenges and struggles that define identity and purpose In *Life's Lessons* author David Nozick uses the stories of his life to educate others in the art of survival and in being true to their core identity *Life's Lessons* contains highlights of both Nozick's personal life and his professional life as a clinical psychologist with a career spanning thirty nine years Focusing on personal growth this memoir includes the many lessons he learned as a result of personal failures and mistakes during his lifetime He tells of growing up in Winnipeg Manitoba Canada working as a psychologist being a parent to three sons experiencing the painful breakdown of his marriage living in the world of a single man and travelling the world Personal and candid *Life's Lessons* offers a unique perspective of inner thoughts feelings and values of a clinical psychologist battling his own inner demons As a result of his own treatment and self analysis Nozick formulates a series of life's lessons that benefit any person brave enough to examine the purpose and meaning of their life

Spiritual Truths and Experiences of Life After Death Gert Niemand,2013-01-18 Most of the information in this book came from Angels and Spiritual Masters who are living in the greater World of Spirit Therefore I would like to thank all the Angels and Masters who came down to do their work for God in Love and with Love and all their helpers who helped me to fulfill an oath I made During an out of the body experience while standing at Mountain Zion in the Presence of God I

promised Him that I would tell all the people the truth about Him and His Spiritual Messengers the Angels and other life in the Spirit World All the Angels and Masters spoken to have nothing but Love for God their fellows spirits all of Mankind and the Animal Kingdom Life as we know it continuo after death in a slightly different format and regardless of what we say or believe every one of us knows deep in our inner being that we came from the world of spirit and we knows deep inside ourselves that that world is real and that we must one day return to it Regardless of what we say or believe we know within ourselves about the Presence of God I have used most of these short stories as talks during church services because Angels advised me what to write down and to use what they have shown me in the world of spirit as the talk Therefore most of the information in this book is from spiritual beings they are the real authors of this book I am just an instrument used by them as a voice box in the wilderness of Babel to explain some of the wonderful stories we read of in the bible In this way am I also complying with the vow I made to God
