## Kitty And Virgil:

**Kitty & Virgil** Paul Bailey, 2000-04-03 A luminous story of love and sorrow spanning from London to Romania from a prize winning novelist Publishers Weekly starred review Kitty Crozier first laid eyes on Virgil Florescu a dissident poet who swam across the Danube to escape Ceausescu s Romania in the hospital She woke up after surgery to find a stranger sitting beside her bed gazing at her He just smiled then stood and left the room She next sees him in London s Green Park picking up litter from the grass with a long spike So begins the most important most demanding most exhilarating relationship of Kitty s life As their love for each other deepens their previous lives and very different families reveal themselves to be oddly connected in this novel from a recipient of literary honors including a Somerset Maugham Award an E M Forster Award and a George Orwell Prize as well as two Man Booker Prize nominations At once a wistful and tender love story and a harrowing account of how people from two utterly different cultures and ways of looking at the world can find then lose each other Virgil is a superb creation Publishers Weekly starred review Kitty and Virgil Paul Bailey, 1999 A love story set in Romania and England by the author of the Booker shortlisted bestseller Gabriel s Lament Paul Bailey s most ambitious novel yet Kitty Crozier wakes up in a hospital ward and finds a stranger looking down at her Thus begins the most important most demanding most exhilarating relationship of Kitty s life Her lover s name is Virgil Florescu a poet who has escaped from Ceausescu s Romania As their liaison deepens more is revealed of their previous lives and of their different families Both Kitty and Virgil have unusual fathers Kitty s is a phenomenally accomplished philanderer while Virgil s has changed his political allegiances from left to right and back again in order to ensure his survival The book is rich in characters and despite its tragic theme which is not revealed until late in the narrative is often fiendishly funny For all its concern with public issues of morality it is very much about family life or rather that of two distinct families with interesting histories and secrets not all of them unhappy *Kitty et Virgil* Paul Bailey, 2000 Kitty Crozier ne sait rien des bouleversements intimes qu elle s appr te conna tre lorsqu elle rencontre Virgil Constantinescu dans un jardin public de Londres Ni son dandy de p re Felix ni sa s ur jumelle Daisy avec leurs modes de vie et leurs arrogantes certitudes n ont jamais per u l exigence morale qui habite Kitty Virgil Constantinescu po te roumain r fugi Londres et vivant d exp dients a fui la d cadence d un syst me l agonie un pass de violence et d intol rance L image de son p re Constantin nationaliste fervent qui revendiquait avec hargne son origine romaine le hante Nous sommes dans les derni res ann es du r gime des Ceausescu Le miracle de l amour est alors que deux tres Kitty et Virgil vont se r v ler l un l autre Et cette idylle est ouest devient la m taphore d une Europe une et pourtant divis e pendant de si longues ann es (Re)Writing War in Contemporary Literature and Culture Cristina Pivodori, David Owen, 2024-07-09 Re Writing War in Contemporary Literature and Culture Beyond Post Memory is an exploration of war narratives through the lens of postmemory offering a critical re evaluation of how contemporary literature and cultural products reshape our understanding of past conflicts This volume presents a rich tapestry of perspectives

drawing from an array of conflicts and incorporating insights from international experts across various disciplines including contemporary literature film studies visual arts and cultural studies It critically builds upon and extends Marianne Hirsch's concept of postmemory engaging with complex themes like the ethical dimensions of war writing the authenticity of representations and the creative power of art in reimagining traumatic events This study not only challenges traditional boundaries in war literature and memory studies but also resonates with contemporary concerns about societal engagement with violent pasts making it a significant addition to scholarly discourse and essential reading for those interested in the intersection of history memory and literature     Kitty et Virgil Paul Bailey,2000 Analyse Roman d amour Roman historique

Cottage Hearth ,1886      *Against The Odds* Vern Watson,2024-08-14 A number of years ago in 2017 my wife Denise and I celebrated our fiftieth wedding anniversary Unlike many folks we didn t go to Hawaii or on a European trip or anything like that For one reason we couldn t make plans well in advance Though it was a milestone that few make in life we had family obligations that for us outweighed our celebration Denise s mother was ill and my mother was already in hospice care We had no way of knowing how long that was going to last so we just lived our lives a day at a time as we always have They were both among the most important people on this earth to us along with our children We couldn t make plans to leave them behind and celebrate and so we didn t Then a little more than two weeks before our fiftieth wedding anniversary my mother passed and our kids began to encourage us to go somewhere special We gave it thought and Denise s family reunion was

going to be right at the time we would be gone on our excursion if we left for our anniversary So we waited until the day of the family reunion of my wife Denise before deciding where we were going with no reservations made With I believe inspiration from above we made our plan and left the day after Denise s family reunion We were going to return to all the sights where we lived worked learned and grew together over the years of our marriage Our children helped us make reservations while we were still at the family reunion We were headed for Greenville South Carolina to go back to the courthouse where we were married fifty years ago to see where we started and where the journey had begun After arriving that night we stayed just above the South Carolina line in North Carolina The next morning we headed for Greenville and then we went on down to Clemson University in Clemson South Carolina and watched the total eclipse of the sun It was an amazing sight to see and so fitting for our journey together That was August 21 2017 When we returned home I wanted to go back to where I had grown up as a child and we went to a church on Fourteenth Street in Detroit for the services there When we left the parking lot that day I came up to the traffic light and looked across the street and in the distance I saw Michigan Central Station It was where I started this journey when I arrived in the state of Michigan when I was five years old and homeless I decided as I looked at that site this is my life and this will be my book It is an amazing story and must be told It is against the odds
