Lessons From The Life Of Moody:

Lessons from the Life of Moody George Sweeting, Donald W. Sweeting, 2001 Moody an untrained unordained layman has been called the most famous clergyman of the 19th century He is credited with establishing three schools a church publishing house and Bible conference **LESSONS FROM THE LIFE OF MOODY.** GEORGE. SWEETING, 1999

Useful to God James Spencer, 2022-03 In addition to taking a fresh look at the eight characteristics included in R A Torrey s *Why God Used D L Moody* *Useful to God* includes one additional characteristic that opened Dwight Moody s life up to the Lord *Useful* also includes biblical reflections related to the eight characteristics discussed new illustrations of D L Moody and questions for individual reflection and small group discussion Looking back at Dwight L Moody s life it is tempting to focus solely on what God accomplished through a common man from Northfield Massachusetts Preaching to 100 000 000 plus starting multiple schools spearheading the Christian publishing movement and inspiring untold numbers of men and women across multiple generations is difficult to ignore Yet why God used D L Moody is as important as what God accomplished through him *Useful to God* is not intended simply to describe a set of characteristics or to introduce you to Dwight Moody s life and ministry It is intended to challenge you to cultivate the characteristics noted in your own life My hope is that you will pursue these characteristics with passion and urgency as you become uncomfortable being anything less than useful to God As D L Moody once said in his book *Secret Power* if I know my own heart to day I would rather die than live as I once did a mere nominal Christian and not used by God in building up His kingdom It seems a poor empty life to live for the sake of self Let us seek to be useful Let us seek to be vessels meet for the Master s use that God the Holy Spirit may shine fully through us May we learn to be useful to God **Lessons from the Life and Death of D.L.
