*A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day* Zondervan, 2018-12-11 *A Legacy of Preaching Two Volume Set Apostles to the Present Day* explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today. Volume One covers the period from the apostles to the Puritans and profiles thirty preachers, including Origen of Alexandria by Stephen O. Presley, John Chrysostom by Paul A. Hartog, Augustine of Hippo by Edward L. Smither, Gregory the Great by W. Brian Shelton, Bernard of Clairvaux by Elizabeth Hoare, Francis of Assisi by Timothy D. Holder, Saint Bonaventure by G. R. Evans, Meister Eckhart by Daniel Farca, John Huss by Mark A. Howell, Martin Luther by Robert Kolb, John Calvin by Anthony N. S. Lane, Jonathan Edwards by Gerald R. McDermott, John Wesley by Michael Pasquarello III, George Whitefield by Bill Curtis, and Timothy McKnight, and many more. Volume Two covers the period from the Enlightenment to the present day and profiles thirty-one preachers, including Catherine Booth by Roger J. Green, Charles Haddon Spurgeon by Thomas J. Nettles, Henry Ward Beecher by Michael Duduit, John Albert Broadus by Hershael W. York, D. L. Moody by Gregg L. Quiggle, Billy Sunday by Kristopher K. Barnett, Karl Barth by William H. Willimon, Dietrich Bonhoeffer by Keith W. Clements, D. Martyn Lloyd Jones by Carl Trueman, John Stott by Greg R. Akers, Martin Luther King Jr. by Alfonza W. Fulwood, Dennis R. McDonald, and Anil Sook Deo. J. I. Packer by Leland Ryken and Benjamin Hernandez, and many more. *Christ All Sufficient* Brian G. Hedges, 2016-09-30 A thousand schemes and to do lists may threaten to enslave you, but Christ died to free you from them, and he is enough. Paul's letter to the Colossians is short, but it delivers a roundhouse kick to religion as it reveals the complete and inexhaustible sufficiency of Jesus Christ. Jesus really is everything we need. Paul revealed in the good news that had captured his heart. He never got over it and never moved beyond it. He knew that no one could advance beyond the essential message of the crucified, risen, and exalted Christ. And he didn't want anyone to retreat from it. **Biblical Preaching and Teaching** D. Min. **The Missions and Missional Purpose of Ephesians** Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1:3 and the missional church is grounded in an exposition of Eph 4:6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4:6

*Reformed Evangelicalism and the Search for a Usable Past* Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian s reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject s theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian s profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian
