Pulpit, Press, and Politics Scott McLaren,2019-07-15 When American Methodist preachers first arrived in Upper Canada in the 1790s they brought with them more than an alluring religious faith They also brought saddlebags stuffed with books published by the New York Methodist Book Concern North America s first denominational publisher to sell along their preaching circuits Pulpit Press and Politics traces the expansion of this remarkable transnational market from its earliest days to the mid nineteenth century a period of intense religious struggle in Upper Canada marked by fiery revivals political betrayals and bitter church schisms The Methodist Book Concern occupied a central place in all this conflict as it powerfully shaped and subverted the religious and political identities of Canadian Methodists particularly in the wake of the American Revolution The Concern bankrolled the bulk of Canadian Methodist preaching and missionary activities enabled and constrained evangelistic efforts among the colony s Native groups and clouded Methodist dealings with the British Wesleyans and other religious competitors north of the border Even more importantly as Methodists went on to assume a preeminent place in Upper Canada s religious cultural and educational life their ongoing reliance on the Methodist Book Concern played a crucial role in opening the way for the lasting acceptance and widespread use of American books and periodicals across the

Brokaw, Kai-Wing Chow, 2005-03-07 Despite the importance of books and the written word in Chinese society the history of the book in China is a topic that has been little explored This pioneering volume of essays written by historians art historians and literary scholars introduces the major

issues in the social and cultural history of the book in late imperial China Informed by many insights from the rich literature on the history of the Western book these essays investigate the relationship between the manuscript and print culture the emergence of urban and rural publishing centers the expanding audience for books the development of niche markets and specialized publishing of fiction drama non Han texts and genealogies and more *A Discourse and Register Analysis of the Prophetic Book of Joel* Colin Toffelmire, 2016-07-11 In *A Discourse and Register Analysis of the Prophetic Book of Joel* Colin M Toffelmire presents a thorough analysis of the text of Joel from the perspective of Systemic Functional Linguistics While traditional explorations of Joel generally engage the book from an historical or literary perspective here Toffelmire examines syntactic and semantic patterning in the book and builds from there toward a description of the linguistic register and context of situation that these linguistic patterns suggest This work also showcases the usefulness of discourse analysis grounded in Systemic Functional Linguistics for the analysis of ancient texts **Egypt as a Monster in the Book of Ezekiel** Safwat Marzouk, 2015-06-05 Appealing to Monster Theory and the ancient Near Eastern motif of Chaotkampf Safwat Marzouk argues that the paradoxical character of the category of the monster is what prompts the portrayal of Egypt as a monster in the book of Ezekiel While on the surface the monster seems to embody utter difference underlying its otherness there is a disturbing sameness Though the monster may be defeated and its body dismembered it is never completely annihilated Egypt is portrayed as a monster in the book of Ezekiel because Egypt represents the threat of religious assimilation Although initially the monstrosity of Egypt is constructed because of the shared elements of identity between Egypt and Israel the prophet flips this imagery of monster in order to embody Egypt as a monstrous Other In a combat myth YHWH defeats the monster and dismembers its body Despite its near annihilation Egypt in Ezekiel's rhetoric is not entirely obliterated Rather it is kept at bay hovering at the periphery questioning Israel's identity *The Book of Dreams and Ghosts* Andrew Lang, 2017-07-21 Although most famous for his collections of fairy tales and folklore Andrew Lang also dealt with other subjects including ghosts However this is not a collection of campfire ghost stories but rather an exploration of true ghost tales and anecdotes looking at their natural causes and explanations Andrew Lang 31 March 1844 20 July 1912 was a Scottish poet novelist literary critic and contributor to the field of anthropology He is best known as a collector of folk and fairy tales The Andrew Lang lectures at the University of St Andrews are named after him Other notable works by this author include *The Ballads and Lyrics of Old France* 1872 *The Folklore of France* 1878 and *Custom and Myth* 1884 Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author
